Tonight is hockey night in Summerside! The fans have waited a long time for the opening of the hockey season and at last their patience is to be rewarded. The Charlottetown Abbeys, perennial rivals of the Summerside Crystals, will do battle with the homestays at the Crystal rink tonight and this fray will no doubt stir up the dim ghosts of inter-town rivalry which existed between these teams a decade or so ago. The local team has just emerged from a defeat at the hands of one of the other Charlottetown entries, the Vics, and fans can be sure that the boys will be out there giving all they have to reverse the verdict against the Abbeys tonight. The set-up is perfect for a rugged, slam-bang nip-and-tuck struggle all the way. A bumper crowd of Crystal followers is expected to attend.

## Janiro Wins From Fusari

DETROIT, Jan. 11—(AP)—Tony Janiro, the reformed playboy from Youngstown, O., fought his way back into the top ranks of the welterweight division by soundly whipping the highly-regarded Charlie Fusari of Irvington, N. J., in a 10-round fight.

## Ray's, R.C.A.F. Winners Of Hoop Games Last Night

Ray's Millionaires broke a two-way tie for first place in the Island Basketball League last night when they defeated Schurman's from Summerside by a score of 42-34 in the second game of a double-header played on the P.W.C. auditorium floor before a large crowd of fans. In the opening game the R.C.A.F. team from the Summerside airport smothered Prince of Wales by a score of 75-49 to go into a two-way tie with the Saints for third position in the league standings.

In the opening game the Flyers playing without the services of three of their stars ran up a 31-25 lead at the half and then proceeded to trample the local collegians under in the last half with a smooth passing, sharpshooting display of basketball. Two new players, combined with a veteran of Island basketball circles, lead the team to their well earned victory. Pete Mickus with 20, Lyon, a newcomer, with 26, and Button also a newcomer with 14, were the big guns. Mickus tallied 18 points in the final half of the game to send the Flyers well on the road to their win. Lyon scored 16 in the first half of the encounter to help his team build up their lead. Donnie MacLean had 13 points for the locals before he was banished from the game by referee Earl Goss with five minutes left in the first half. Charlie Hine continued his prolific scoring as he notched 11 points.

The Western team suffered a severe setback in the second period when the locals outshot them 5-1 to take a commanding 7-2 advantage, which was greatly due to the fact that the Western squad faded badly on their attack in that frame. The match, however, was far from a pushover.

The visitors played a nip and tuck game with their rivals in the opening period to trail by a 2-1 margin and would have been on even terms except for a late goal by the Vics that came off the stick of Bobby Dowling on a passing attack with Douglas in the lead. Recovering from their second period slump, the Crystals made an aggressive comeback in the final cant to outscore the Vics 2-1, and might have got more except for some smart work between the pipes by young Gene Ward.

The Vics, however, played a steady, aggressive game throughout, which was probably the big contributing factor to their victory. All three lines were boring in all the time and came up with some smart attacks. Playing short-handed back on the defence, husky "Plum" MacDonald turned in a standout performance for the Vics on the rearguard. Dishing out some really bone-crushing one-way checks, MacDonald was a tower of strength, and along with the assistance of Vernon Blanchard, who came up with some effective clearing on incoming attacks, together constituted practically the whole defence on the ice. Practically all night, except for the odd relief by Abe Douglas, who moved back from his forward position to give either MacDonald or Blanchard a brief rest.

Two new additions to the Vics forward section, young Brian Lewis and Billy Acorn, showed up well in their first game in intermediate competition, with Lewis in particular doing more than his share when he split up the line with veteran "Bobby" Dowling on the scoring with a brace of goals.

Youthful Layton Schurman of the Crystals came up with the smartest scoring feat of the night. He broke from behind his own defence on a pass-out from defenceman Campbell, to make a smart solo right in on goal and out-guess Ward and bang home a hard shot that caught the top corner of the net. Schurman had worked hard for two and a half periods for the break and deserved the well earned goal.

Intermediate Hockey League officials, following Tuesday night's game, announced that the Abbeys will make the trip to Summerside tonight to meet the Crystals on home ice for the first game of the season. The scheduled game had been postponed three times previously due to the lack of ice at the Western Capital's natural ice arena. It is understood that the Abbeys will play there again on Saturday night against the R. C. A. F. which will also be the first home game for the other league entry from the Western centre.

Generally speaking, the crowd attending Tuesday night's Island Intermediate Hockey League clash between Summerside Crystals and Charlottetown Victorias, which incidentally was larger than usual, seemed to get quite a kick out of the contest, judging from the various comments being passed around after the game.

And from our point of view, there was no reason why they shouldn't have. It was a really rugged contest that had plenty of exciting, with heavy body checking, fast skating and lots of good scoring plays. The game also saw a number of smart scoring chances being shut off at the critical moments by some stellar tending by goalies Ward and Sprague which added further interest and excitement to the game.

The Western team suffered a severe setback in the second period when the locals outshot them 5-1 to take a commanding 7-2 advantage, which was greatly due to the fact that the Western squad faded badly on their attack in that frame. The match, however, was far from a pushover.

## Saints And P. W. C. Clash At Forum Tonight

The two college teams, Saint Dunstan's University and Prince of Wales College will clash in a regular Island Intermediate Hockey League fixture at the Forum tonight at 8.30.

At the same time, the league leading Abbeys will be the visiting team on Summerside ice against the Crystals in a second league tilt at the Western Capital arena.

The clash at the Forum will be the first meeting of the season between the two college clubs and is one that is expected to come up with plenty of fast action and smart hockey.

The two teams are at present in a three-cornered tie for third place in the league standing and a win for one or the other can give them a tie position for second place with the Victorias who will remain idle tonight.

## Tic Williams Leads Pictou To 8-4 Win

PICTOU, N.S., Jan. 11—(CP)—Five goals in a free-scoring third period gave last-place Pictou Maripacs an 8-4 win over Truro Bearcats here tonight in a postponed Antigonish-Pictou-Colchester Senior Hockey League game.

Victor Tic Williams led Pictou to their third win in 17 games with three goals and two assists. Wally Sheppard scored twice for Truro who lost their second straight game. Pictou with seven points is five back of Truro.

## Bernie MacDonald To Join Moncton

SYDNEY, N. S., Jan. 11—(CP)—Bernie (Bessie) MacDonald of Sydney will join Moncton Hawks of the Maritime Senior Hockey League, Moncton president H. R. Brown said today. He added that MacDonald would report to Hawks tomorrow and drill with coach Busker Jackson's third-place team Friday.

Brown in Cape Breton on business, had a talk with the 23-year-old centre today.

Only yesterday, Amherst Rumpers of the M.S.H.L. said they were going to use MacDonald. In fact, reports had him already on the train bound for Amherst.

Apparently, Amherst was told MacDonald was not eligible to join the club because the club had already signed the limit of 18 players, Gene Connolly, registrar of the Maritime Amateur Hockey Association, said Sunday night that Amherst, who has used more than 50 players this season, would get no more help, through imports or transfers, within the Maritime branch.

MacDonald was released by Sydney Millionaires of the Cape Breton senior circuit last week. Addition of Lally Lalonde and Bill Rattray brought Sydney's complement to the 18-player limit and MacDonald had to be dropped.

## Hawks Cut Down Halifax St. Mary's 6-4

MONCTON, N. B., Jan. 11—(CP)—Moncton Hawks trigger-happy sharpshooters drilled three quickies in the last two minutes and 22 seconds of a Maritime Senior Hockey League game tonight to cut down Halifax St. Mary's 6-4.

Bouncing back from a 3-0 blanking at Halifax last night, Hawks made St. Mary's put the league leadership on the block tomorrow night at Saint John.

Halifax has a one-point edge on Beavers and must turn back tonight to hang onto top spot.

One thing that the game proved is that you can't keep Lou (The Magnificent) Milani off the scoring sheet for long. Halifax bottled up the league's top scorer last night but it was a different story tonight.

Moncton had 25 shots on goal. Halifax 16.

## Mercurys Defeat Ayr Raiders 4-2

AYR, Scotland, Jan. 11—(CP)—Edmonton Mercurys, showing too much speed and dash for their Scottish League opponents, defeated Ayr Raiders 4-2 tonight in an exhibition game before 4,000 fans.

It was the second victory in two starts on this side of the Atlantic for Canada's representatives in the world hockey tournament in London next month. Edmonton whipped Falkirk Lions, another Scottish team, 4-1 in their debut last Saturday.

But the Mercurys came out tonight's fixture with another injury. Centre Ab Newsome was struck on the head with a flying puck in the second period and needed three stitches to close the wound. But the pivot man returned to action to score the Mercurys' third goal.

The Canadians played without defenceman Jim Kilburn, who suffered a concussion in the Saturday tussle.

At Jurvis, Leo Lucchini and Billie Dawe scored the other Edmonton goals, while Hector and Domenico hit the target for the Raiders.

## Juvenile Abbies Score 13-4 Victory Over Vics

In a Juvenile exhibition hockey fixture at the Forum last night the Abbeys pummeled the Vics 13-4 without experiencing difficulty at any stage of the game.

The Abbeys played really head-up hockey all the way to bottle up their opponents continually behind their own blue line. They outscored them 2-1 in the opening frame which was the only close period of the game, and went on to bang home five goals to two in the second, and six to one in the final session, for a decided nine-goal advantage.

Although the Vics were effective in around goal when they were able to break through the driving attacks of the three smooth working lines of the Abbeys, their opportunities were few and far between and limited to only four tallies on the night's play.

The line of Hennessey, Carver and Flanagan was particularly hot for the Abbeys, garnering seven of their team's goals between them, Hennessey getting four, Carver two and Flanagan one and all figuring in on assists as well.

The Kennedy, Dalziel, Glover line ran them a close second with four goals, Glover getting a brace and the others one apiece. Defenceman Joe Coyle got the other two tallies.

Gallant Kelly, Gillespie and Trainor did the scoring for the Vics by chalking up one each. The winners displayed smart teamwork all through the game and came up with some really snappy passing attacks that continually kept the Vics at a loss of how to cope with the situation.

The following are the lineups:  
Abbeys: Goal, Gurney; defence, Fields, Coyle, Burgess; forwards, Dalziel, Kennedy, Glover, Hennessey, Carver, Flanagan, Hughes, Howatt, Gregory.

Vics: Goal, Sheppard (first period); Lange (second period); MacLean, MacLeod, Ready, Frizzle; forwards, B. Lewis, Turner, Cheverie, Stull, McDonald, Gillis, Trainor, Burke, Kelly, Gillespie.  
Referees: Art Perry and Ivan Frizzle.
