A Good Name will never Let You Down

1943

Remember when you were certain of the quality and value of nearly everything you bought? Those were the full-value days. Those were the days of familiar names/names in which you had the utmost confidence. Great changes have taken place! Today, if you wish to avoid disappointment, give more thought to your buying. Keep this in mind: **an old and well-established name, like an old and trusted friend, will never let you down.**

Sea View and Vicinity

The cold weather still continues although June, the month of sunshine and blossoms, has been greatly delayed and the farmers are patiently waiting for favourable weather to get their crop sown.

The members of the Sea View W. I. sponsored a dance and sale of Ice Cream on Monday evening in the View Hall. There was a large gathering of young people from the surrounding communities. A pleasant evening was spent in dancing. Music for the occasion was furnished by the Andrews sisters from Freetown and Messrs Durant, Tupper and Hunter. This splendid music was greatly appreciated by all who were present. A substantial sum was realized from the proceeds to be used for patriotic purposes.

The Darnley W.I. met at the home of Mrs. Lois Crozier on Wednesday evening with their June meeting in the absence of the president, the vice president Mrs. James Hickey presided and the meeting opened with the reading of the opening prayer. Roll call was answered by the members giving ideas of some of the ways to improve the school as the topic for discussion was on the school. Minutes were read and business discussion followed. Six and school committees gave favourable reports. Several letters of correspondence were read and discussed. Delegates to attend the annual convention were appointed. Mrs. Ray Crozier and Miss Lorna Woodside. Secretary then gave the financial report from the concert which has been reported as a very successful one. Also reported buying the second Victory Bond. It was then decided to have a cream social. Plans were made for same. Some interesting papers were read on the topic and greatly enjoyed. The singing of the National Anthem brought this meeting to a close. A delectable lunch was served by the hostess and a pleasant social half hour followed.

The many friends of Mr. W. B. Crozier are pleased to learn of his making a good recovery from his recent illness.

Pte. Bruce Ramsay of His Majesty's Forces, left on Thursday morning to resume his military duties in Ontario after spending a pleasant furlough with friends in Hamilton and Darnley.

Miss Joyce McKay has returned to her home in Darnley after spending the past week pleasantly with friends in Summerside.

Mr. James E. Murphy of the R. C.N.V.R., who is home on furlough spent the past week-end with friends in Charlottetown. He was also accompanied by Mrs. Murphy.

Mrs. Judson MacLean and little son have returned to their home in Kensington after spending some time in Sea View.

Mr. Albert MacNutt of the R.C.A.F. is spending his furlough with his parents Mr. and Mrs. Wallace MacNutt. He was accompanied home by Mrs. MacNutt and little son George and daughter Marcia who had been spending the past months in Halifax with Mr. MacNutt.

Miss Jean McKay has returned to Summerside to resume her duties after spending a pleasant holiday at her home in Darnley.

Mr. John E. Campbell, Mount Pleasant, spent a few days recently at his home in Sea View.

The fishermen are having good catches of lobsters when the weather permits them to get their traps. Much of their fishing gear that is inside was damaged considerably during the storm.

The spacious home of Mrs. James Cousins was filled with friends on Thursday evening to tender a post nuptial shower to her youngest daughter, Miss Marian Morris, who is to be one of the season's brides. The drawing room was tastefully decorated with pink and white streamers and wedding bells. The guests of cut flowers and potted plants made an artistic setting. The bride was accompanied to a gaily decorated set of honor by Mrs. Gordon Cousins to the strains of a Wedding March played by Miss Bell Wood. The bride was seated at a table with her bridesmaids and a large number of guests. Refreshments and delicious lunch was served by the ladies which all enjoyed. The remainder of the evening was spent in extended music furnished by the well-known musicians Messrs. MacKinnon, Holmes and Matthews with Miss Bell Wood, who accompanied on the piano. All enjoyed this evening which came to a close at a late hour after wishing the bride-to-be every happiness.

Mrs. Earle McKay, Mrs. John L. McKay and Miss Joyce McKay were visitors to Charlottetown recently and enjoyed a pleasant visit with friends.

When members of Tynedale, Northumberland, Hunt learned that a destroyer of the Hunt class had been named after them, they decided to establish a link between the hunter of the sea and themselves. A special hunt was arranged and a fine fox was killed. The skin and brush were mounted, inscribed and presented to H.M.S. Tynedale.

Red Cross Corps News

Prepared by the Charlottetown Detachment, Canadian Red Cross Corps

On Thursday evening, June 3rd, at Prince of Wales College Hall, an impressive ceremony took place on the occasion of the presentation of Service Chevrons to those members of the different sections of the Corps who have recently completed a year's training, including 200 service hours, and the presentation of Red Cross Home Nursing Certificates to 20 members of the Nursing Auxiliary Section.

The demonstrations which followed immediately were watched with keen interest and saw the visitors present an idea of what actually goes on at the College every Monday and Thursday night.

The following eight members of the Motor Transport Section received their service chevrons: Drivers Collins, H. Collins, M. DeBlasi, B. Gorman, J. Gorman, O. Gorman, J. Lean, J. Rogers, D. Walsh, A. All members of No. 1 Platoon and three of No. 2 are now wearing these service chevrons.

The Motor Transport demonstration consisted of gas respiration drill by the girls by the construction of Sgt. MacIntyre of O. A. B. T. O. No. 62 (Beach Grove). While the respirators may not have been becoming the most interesting them on within the required time of nine seconds from the gas warning signal certainly kept the "beat" for the boys.

From the Nursing Auxiliary Section seven members received their service chevrons: namely, Sergeants Mrs. G. Gorman, Olga Gorman; Volunteers Jessie Russell, May Pinlayson, Mildred Auld, Ellen Harrington and Catherine Durrough.

The nursing clearing station work was carried out by members of the Nursing Auxiliary Section in command of Mrs. N. P. MacLean with her Junior Lieutenant Miss Ethel Taylor and Mrs. Willard Spencer. The V. A. D's were on duty at the clearing station to render first aid to the injured. As nurses' helpers they carried on their work diligently and discriminately. The nursing cases, brought in on stretchers by four drivers from No. 2 Platoon of the Motor Transport Section, were taken in charge, immediately and with the greatest care for further treatment. Some were choking gas casualties, others were suffering from broken limbs. The nurses, in such cases, with heavy shock etc. those in need of warm stimulants were given hot, sweet tea by members of the Food Administration Section. Her patients requiring attention were brought in on hand seats or were otherwise supported by those on duty. After thorough routine examination these patients were allowed to return to their homes.

The five clerks from the Office Administration who received their service chevrons were: Gladys Curley, Mary Moran, Sybil MacMillan, Betty Peters, and Ruth Toomey. Chevrons were awarded "in absentia" to Clerks Jessie Fullerton and Mrs. Hazel Wright who were unable to attend. Miss Fullerton, accompanying a British guest child to Moncton, and Mrs. Wright being in Fredericton in connection with the Blue Cross fund. Mr. Fullerton and Mrs. Wright had merited their chevrons in October 1942, but were unable to be at the presentation ceremony at that time. Members of this section, under the Commanding Officer Mrs. A. B. Cook, showed the methodical system which they have studied in the filing and supplying of information on casualties in case of air raids or other disasters.

Four members of the Food Administration Section: namely, Volunteers Cynthia Kencall, Mrs. Christine Pickard, Marian Morris (in absentia) and Jean MacLure, received their service chevrons. Mrs. Hazel Cousins, officer commanding this section, explained the duties of its members and described carefully each of the four clever exhibits demonstrated by members showing proper care of food out-of-doors, in transit, and in the home, in case of decontamination by gas, and how to decontaminate food which has been exposed to gas fumes.

Motor Transport Section
Former Lt. Wood of No. 2 Platoon, left Saturday for Chatham where she will take her basic training in the W. R. C. N. S. Two officers of this section, former Lt. Jean Grant and Driver Police Aresnault are already on duty with the "Wrens."

Saturday last visiting parties from Nos. 1 and 2 Platoons of the Motor Transport Section visited the six Red Cross units in the vicinity where they made personal calls with service patients and veterans of the war and distributed fruit, cigarettes, magazines, and stationery supplied by the Canadian Legion. No. 1 Platoon members visited a party of twenty-four patients at Beach Grove Training Centre, the Provincial Sanatorium, the sick bay of H. M. C. S. Queen Charlotte and the City Hospital. Those from No. 2 Platoon called at the hospital at the R. A. F. School, the Prince Edward Island and Charlottetown Hospitals, distributing comforts for a total of forty-six patients.

This detachment is to have at least two representatives among the Red Cross workers to go overseas shortly. Lieut. Dorothea Stewart, No. 1 Platoon leader and Q. M. S. Marjorie Stewart will proceed overseas shortly where they will engage in war service work. Both are members of the Motor Transport Section and it will be interesting to see the loss of these two active and popular workers, the hearty congratulations and good wishes of the Section follow their appointment.

BURTON SCHOOL
Honor Roll of Burton School for May:
Grade VII: 1. James Griffin; 2. Olga Griffin.
Grade VI: 1. Ivan Collicutt; 2. Barbara Griffin.

Grade III Jr.: 1. Everett Collicutt; 2. Walter Collicutt.
Grade I-1: 1. Everett Wood; 2. Calvin Wood.
Perfect attendance - James Griffin, Barbara Griffin, Ivan Collicutt.

Souris C. W. L.

At the recent meeting of the Souris Sub-division, Catholic Women's League, the following report was presented by the Secretary:

As Recording Secretary of Souris Sub-division of Catholic Women's League submit the following report:
This is the eleventh year in which the Society has been functioning and has now a membership of 28.
During the year we held ten regular executive and two special meetings.

In order to raise funds to carry out our year's work we held twenty-three entertainments. The June Dramatic Club which was ably presented and highly patronized.
During the year our Social Service Committee was frequently called upon to provide clothing and school supplies for needy children. A large amount of our funds was spent in this way.

Prizes were donated to pupils of St. Mary's Convent and to the Public School, also to the Catechism classes. Fruit was sent to sick members for several years. The sum of \$100.00 was donated to St. Mary's Church, and the building fund of the Souris hospital.
The following High Masses were offered: Rev. Fr. Kelly, Rev. Fr. Reginald MacDonnell, and Rev. Fr. Moise for distribution to boys under their care. Flowers were bought for the church altar for Easter Sunday and for the month of May, and for a member who died during the year.

Three subscriptions were sent for League magazines and the list passed among members for reading.
In addition to the above expenditures all our Diocesan and National League obligations have been paid, namely: per capita tax, Diocesan aid, Budget, Sister of Service and School fund.
Our work has been well attended to by our members. For the year the following articles have been sold: 4 helmets, child's red wool suit, 4 children's mitts, 10 long sleeved turtle neck sweaters, 5 nightgowns, 3 children's dresses, 1 child's red wool suit, 2 hospital caps, 1 boy's suit, 2 pr. boys' pants, 3 children's pyjamas, 4 quilts, 2 pr. pling cases, and a number of tape.

The Units throughout the parish, namely, Red Point and Souris R.I. are doing excellent work and are congratulating them on their showing. Their Red Cross work deserves special mention for a large number of knitted and sewn articles have been passed in from these units.
Our Study Club meetings under the leadership of Rev. Fr. McKenna were very successful. We held many meetings all of which were well attended. Christian Marriage, the sacraments in general and the Question Box problems were the topics under discussion. Much valuable information was imparted and very satisfactory answers given to all questions. To Father McKenna we extend our sincere thanks, and to him we offer our prayers with the hope that God will grant him health and strength to carry on the noble work he has so zealously begun.

In the death of Mrs. Lewis we lost a devoted member and a true friend to all in need. Although we mourn her loss we trust that she is even now enjoying the reward of her unselfish, well-filled life.
To those who have been bereft of dear ones during the past year we offer our prayers and hope that God will grant them the grace and courage to live up to the high ideals for which they are fighting until victory over the powers of the evil is won, and then bring them back safely to our dear homeland.

In conclusion we wish to thank each and every person who in any way assisted in the past year, and we sincerely hope that during the coming year we shall see our membership increase. For never before since the early days of Christianity has such a field of work presented itself, as at the present time. So in characteristic fashion let us respond wholeheartedly to the extra responsibilities that may be placed upon us by our church and by our state, and in this hour of peril

Minards Kills Pals

Ask Any Coffee Lover

THESE days it is doubly important to get really good coffee for your precious ration coupons. Maxwell House is tops, as any coffee lover will tell you, because:

1. It's blended from the very finest coffees available—each chosen for its own special quality of flavor, body or fragrance.
2. This fine blend is roasted uniformly by a special process that captures all its fragrant, smooth, coffee goodness.

For wartime reasons Maxwell House is now packed in bags—in an All Purpose Grind and at a lower cost to you. This new grind is suitable for all ways of making coffee—coffee-pot, percolator or glass coffee-maker. If using a glass coffee-maker you may want to brew the coffee a little longer.

MAXWELL HOUSE Coffee
A Product of General Foods

through which our country is passing let us bear in mind that when all should be our most compelling thought, in this way we shall best live up to our motto "For God and Canada."

Respectfully submitted,
JESSIE MACDONALD.

CORNWALL - YORK POINT W.I.

The May meeting of Cornwall-York Point Women's Institute met at Mrs. Hazen Howard's, Cornwall with an attendance of 20 members and several visitors present. Roll call was answered with a "Gem" of thought or pay a fine, this amounted to \$50. It was decided to carry on making quilts for Red Cross. Cornwall and York Point Schools were scrubbed during Con-Com week. A discussion took place on ways of remembering sick and also decided to have a collection of 25 cents or more to be taken at meetings to help defray expenses of "rings" purchased for boys on active service. Mrs. Hazen Howard gave a report of Sanatorium meeting. Place of next meeting to be with Mrs. Herbert Scott, Cornwall. Roll call to be "Use of Sunshin in the home."

KINGSTON SCHOOL
