**ENO**  
became a  
world favourite

From a small chemist shop in Newcastle, England, during the nineteenth century, seafaring men set forth with packets of a new remedy that had outstanding properties for correcting internal ills. They took this new medicine with them wherever they sailed the seven seas.

It was thus that the story of Eno's 'Fruit Salt' spread wherever the British race journeyed. And today, Eno is enthusiastically endorsed by millions of men and women the world over, to help keep them fit when needed.

Take pleasant-tasting Eno in a glass of water before breakfast. Eno helps settle an upset stomach, helps nature free the system of food wastes that often cause constipation and headaches, helps relieve excess gastric acidity. Eno is gentle but effective in its action, safe for young and old alike. Buy a large economical bottle of Eno's 'Fruit Salt' from any druggist today.

**Splendid Work Done  
By Retired President**

At the annual meeting of the Women's Auxiliary to the Queen Charlotte great appreciation was voiced by the members for the splendid work accomplished by the retiring President, Mrs. I. Brown.

During her two years term of office, Mrs. Brown organized many entertainments, not only for the sailors at H. M. C. S. Queen Charlotte but for many visiting division. In this good work she was ably assisted by the Executive and members of the Auxiliary.

The following is the Address given by Mrs. Brown at the annual meeting:

"Officers and members of the Women's Naval Auxiliary to H. M. C. S. Queen Charlotte: We have come to the close of another year, which has been very successful financially due to your willing co-operation, or which you have my sincere thanks.

From January until June we worked steadily with the Musical Revue and then the Spring Carnival, both giving excellent results for the many hours freely given by our faithful Sewing Committee.

Last Fall the personnel of the ships Wasaga and Vancouver were given a dance at the Sporting Club to which all navy men were invited.

At Christmas funds were donated to the men of H. M. C. S. Queen Charlotte to assist them in giving a party to all navy men's children. Other ships entertained were the Hansville and three other ships in Port at that time. This took place at the Legion Home where we also entertained the personnel of the Petrolia in September.

During the summer the Executive authorized the purchase of a piano for the men of the Queen Charlotte.

A dinner was held at the Charlottetown Hotel for "Men on Pacific Leave." Twenty-four Navy men attended. The expenses were divided equally by the Canadian Legion Auxiliary with us.

The problem facing us now is our duty toward our returning Navy Veterans in helping them to rehabilitate themselves. Let us give them the best—they have done this for us.

To the Officers and men of the Queen Charlotte I extend thanks for all courtesies during the year. To the new officers of the Auxiliary I wish them success for the coming year and again thank you all for your wonderful co-operation during the past two years.

Sincerely,  
**ETHEL BROWN,**  
President.

PO Jenkins, a young man of stirring character, enlisted in 1941 and while in the discharge of his duties made the supreme sacrifice in Feb. 1944.

When the call came for duty to king and country, home, loved ones, and church, he answered and gave his life with those valiant

young men who gave their all, that we, as loved ones who mourn his loss, might have freedom of home, freedom of worship and this open church door in which, he while in life fellowshipped and worshipped in the service of his Lord and Master.

There was also dedicated a Scriptural Scroll "Worship the Lord in the Beauty of Holiness" and was presented and placed in the choir loft by the members of the Hazelbrook Baptist Church.
