DR. W. F. TAYLOR HURT WHEN AUTO OVERTURNS

Dr. W. Fred Taylor, 67 Wier street, who came to Keene five months ago from New York to assume the practice of Dr. Wm. D. Morris, sustained three fractured ribs and head bruises and a laceration of the face when he was hurled from the car in which they were riding skidded and careened over the road about three miles from Keene on the Walpole road, shortly after five o'clock, Sunday afternoon, when the car turned over three times, completely demolishing a guardrail fence before it righted itself and the car, a coupe, was being driven down a long grade in the direction of Keene and when it started skid and Dr. Taylor realized that he had lost control he told the occupants to hold on. He was hurled from the machine on the first turn when the door was ripped from the car. Mrs. Taylor and Kaseley miraculously were able to stay in the car while it turned twice more, going over the top of the fence. Apparently the car was damaged to the extent of the ripping off of the back end.

Passing motorists brought the victims to their home on Winter street, and the ambulance was called to take Dr. Taylor to the Elliot Community hospital where he was treated for his injuries by Dr. Walter H. Lacey, who also went to the house and attended to the other occupants of the car.—Keene Evening Sentinel.

The Dr. W. Fred Taylor referred to above is a son of Mr. and Mrs. J. D. Taylor of this city.

EMERY NETS 48 IN DOUGAL QUALIFIER
BISLEY CAMP, Eng. July 9.—Lieut. A. Skinner, of Fort William (retired), who is not a regular member of the Canadian team of marksmen, won the Donegal qualifier in the National Rifle Association's tournament today, with top score of 50.

The match called for 10 shots at 200 yards, service rifles, and 50 was highest possible. Lieut. Roger Sweet, member of the team of cadets from Hamilton, Ont., took second place with 49. Lieut. Skinner won \$20 and Lieut. Sweet \$10. Sgt. A. S. Emery of Saint John, with 48, was tenth, winning \$5.

The qualifier was completed by marksmen not eligible to shoot in the Donegal challenge cup itself, which was only for holders of N. R. A. Donegal bronze badges. The scores of the other Canadians in the qualifier were: Sgt. J. S. Douglas, Montreal; Sgt. I. C. Bunnell, Sussex N. B., and Lieut. J. L. McAvity, Saint John, each 47; C. M. S. 2, H. Wood, Victoria; Cpl. E. C. Stock, Toronto and Cadet Captain John Hunter, Hamilton, each 46; Pte. F. J. Glass, Lennoxville, Que., 42, and Cadet Norton, Hamilton, 41.

THE MARKETS
MONTREAL, QUE., July 10.—(Produce)—The local grain market was extremely dull here on Saturday but a steady trade continues to be done in both with domestic and country buyers. United States grain merchants are beginning to show some interest in the market for Argentine corn. It is quoted 2 cents a bushel to bring this to Port Colborne, Buffalo or Bayport, and 1-2 cents to Chicago. Flour trade bookings so far this season have been much smaller than last year and are now below normal. Present demand is of a hand to mouth character. The trade in millfeed is unchanged, with prices nominal while grain is quiet. The overseas market for Canadian hay is weak and a decline in prices of 60 cents a ton is noted. The local market is dull. There was no important change in the egg trade with the consumptive demand good. Usually egg prices are down the latter part of June by the arrival of small fruits on the market but these fruits are now fully two weeks late. Which condition has helped the egg trade. Egg receipts on Saturday were 1,279 against nil for last Saturday (holiday). The butter trade is unaltered the demand being principally of a local character and chiefly for broken lots. The export trade in cheese is still slow although there is indication of an awakening of interest on the part of English importers. Prices are nominal.

Delighted With Visit To Island Province

Mr. and Mrs. Melville Clark prominent residents of Syracuse, N. Y., who spent two delightful days visiting the province last week, are returning home ardent boosters of the Garden of the Gulf as an ideal tourist resort. Mr. and Mrs. Clark have travelled extensively in the United States and Europe, and have first hand experience of the attractions in the more widely advertised "Summer Paradise" and on their visit to this Province they were far from anticipating the pleasure that awaited them. In the short time at their disposal they visited some fox ranches in the vicinity of Charlottetown and enjoyed the beauty of the countryside. The hospitality of the Island people, impressed them more favourably even than did our invigorating climate. In every way their visit here has been a charming one, and they are planning to come again and, in the meantime, to tell their friends at home that they have at last discovered that ideal summer haven of which every tourist dreams.

This was the gist of Mr. and Mrs. Clark's enthusiastic remarks to the Secretary of the Publicity Bureau here at the termination of their visit on Friday last. They instanced the phenomenal development of the tourist traffic in Florida, Maine, and other places and asked why, with our superior advantages, we could not compete with the best advertised resorts on the continent? They were keenly interested in the good work being done along this line, with the limited funds at their command, and expressed the hope that our people generally will take advantage of the remarkable natural opportunities we possess. We should advertise, Prince Edward Island on a very much wider scale. The money invested in this way would return to us a thousandfold, for advertising returns are in direct proportion to the quality of the product. Here we have without doubt, the very best tourist attractions of the market. Our own enterprise should do the rest.

Especially interesting to visitors was the display of hooked mail and other articles of handicraft which they inspected at the office of the Publicity Bureau.

Tignish Celebrates Diamond Jubilee

The thriving village of Tignish was "en fete" for the Diamond Jubilee Celebration on July 1st and the town looked resplendent in lavish Jubilee attire. At the various street parades there were arches decorated with patriotic bunting and streamers, and flags adorned the stores, public buildings and residences.

At 12 noon the bells rang and whistles blew and the school children assembled and marched to the Athletic Grounds, saluting the flag on the Public Building en route. The children received the Diamond Jubilee medals after which Rev. Dr. G. J. McEllan, pastor of the church of St. Simon and St. Jude, delivered a stirring Patriotic address in both French and English reviewing the development of Canada from its inception to the present time.

The celebration then took the form of an old time tea party, when all were given an opportunity to enjoy themselves in dancing and other amusements; and the wants of the younger men were well supplied through the well stocked tea tables and refreshment saloons on the grounds.

At 4 o'clock there was a baseball game between Tignish and O'Leary which resulted in a win for Tignish by the score of 11 runs to 7. Mr. John Hackett was Umpire and was congratulated by the O'Leary boys for his capability and impartiality.

The day's celebration concluded with a Beacon Fire and Fire Works after which the dance continued until all were tired and wended their way home fully satisfied that they had royally celebrated the Diamond Jubilee of Canada's Confederation.

Mr. Joseph Praught Passes Suddenly

Many citizens will learn with deep regret of the sudden and unexpected death of Mr. Joseph Praught which took place Saturday evening at six o'clock at his residence 217 King Street at the age of 56 years.

Mr. Praught had not been enjoying his usual health for some months, although his condition was not considered serious. He attended to his duties as Freight Checker until about ten days ago when he decided to take a rest. He was up and about the house during that time and Saturday evening finding the house somewhat warm, he retired to a hammock, where he quietly expired.

During his thirty-eight years as an employee of the Railway, Mr. Praught discharged his duties in a most capable and efficient manner. He was a valued employee and his quiet and unassuming manner won him a host of friends who will learn of his sudden demise with surprise and sorrow.

He leaves to mourn their loss of a loving husband and father, his wife (nee Frances Monaghan) and a family of six namely: Raymond, Winifred, Edward, William, Hilda and Charles (also three sisters: Mrs. James Smith, City; Mrs. Wm. L. Davey, City; Mrs. Fred Power, City; and one brother, James, in the States.

His son, William, who resides in Bangor, Maine will arrive home tonight.

The funeral takes place tomorrow morning at 8:45 from his late residence 217 King St., to St. Dunstan's Cathedral.

Vice-Regal Party

(Continued from page 1.)
This was attended by many of the prominent people of the City and was capably presided over by His Worship Mayor Miller. A very charming feature of the occasion was a sod in the shape of an outline of the province which was used as a centre-piece to the table.

At the same time at the Beach Grove Inn, a luncheon was held in honour of Lady Willingdon by the Regent and members of the Daughters of the Empire. Between 80 and 90 were present and the spacious dining-room was beautifully decorated with peonies and columbine. An address of welcome was read by the Regent, Mrs. MacCreedy which was very charmingly responded to by Her Excellency to whom bouquets were presented by little Sandy Burhoe and Helen Tidmarsh, also one to Mrs. Heartz, who was present.

The gathering broke up with three cheers for the distinguished visitor. In the afternoon, Their Excellencies proceeded to the Golf Links where they spent a delightful afternoon. Their Excellencies were delighted with the links and played nine holes together with Dr. Goodwill and Tea was then served to a large crowd who were present. Their Excellencies afterwards played an additional nine holes.

In the evening at 8 p. m. His Honour Lieutenant-Governor Heartz gave a dinner in honour of their Excellencies at his beautiful residence, Edgewater where over forty invited guests sat down to a sumptuous repast. There was a toast to the King and a short musical programme which consisted of vocal solos by Mr. Earl Spicer and Mrs. W. E. Fletcher and a violin solo by Miss Kathleen Hornby.

Yesterday morning in company with His Honour the Lieutenant-Governor, Their Excellencies attended divine service at St. Paul's Parish Church where a large congregation was assembled. His Excellency in a very graceful manner honoured the congregation by reading the first and second lessons of the service, 1 Sam. 12 and Romans 12. The Rectory, Rev. H. D. Raymond, preached a very strong sermon entitled "After the Jubilee" and Mr. Charles Earle sang excellently "The Lord is My Light," from Allisons.

His Honour the Lieutenant-Governor and Mrs. Heartz with Miss Ruth then took lunch with His Excellency on the train at the Railway Station. In the afternoon, the Party attended by Lt. Col. and Mrs. Hoopwood, Capt. J. C. C. Jervis and Lt. Col. Full visited St. Peter's Memorial Chapel where the splendid paintings and stained-glass windows were greatly admired. The fox-ranch of Mr. Woodman was next visited where great interest was taken by members of the party in the fur industry. A drive to Brackley Point and along the North Shore sands then took place after which the Party returned to Edgewater where tea was served to all.

Their Excellencies as a token of their appreciation for the kind reception have tendered to His Honour Lieutenant-Governor and Mrs. Heartz two beautiful autographed etchings of their portraits in full regalia, painted by one of the most eminent of London artists. These are surmounted with a representation of the Vice-Regal Coronet and are enwreathed with the Willingdon coat-of-arms.

NEW YORK, July 9.—Ban Johnson tendered his resignation as President of the American League today, effective on or before November 1, 1927 and it was accepted with regret by the club owners in special session.

The text of Mr. Johnson's resignation was: "After 34 years as your national to become effective on or before November 1, 1927, or earlier should I so decide, the compensation to end from my retirement."

Johnson's contract as League president had eight years to run at a salary of \$40,000 a year. He was the founder of the American League, with several associates, and founder of the American Association, parent of the present American League.

No action was taken in naming a president to succeed Johnson, and none will be taken, it was said, at this time.

Continued ill-health was conceded to be the chief factor in the approaching retirement of the League executive.

Ghost Again Romps Home A Winner

The Yacht Race on Saturday afternoon was again won by the Ghost after a hard clash in with the Minigoo from start to finish, only seconds separating the two boats at the finish line.

Only three boats came to the stake boat for the starter's word. Minigoo, John Pineau and Gordon Essory; Ghost, John Lund and Al Smith; Zenith, Ernest McInnis and Arthur Gormley.

The course was from the starting point to North River Buoy to Rosebank and Stake Boat, three times around.

The light wind of Saturday prevented the boats from making any think like record time for the course, but the race was none the less interesting, the Ghost not into the lead early in the race, and although dangerously threatened many times for the lead by the "Goo" managed to hold out to the finish, nosing the "Goo" out in a close and exciting race home.

The Zenith taking up the rear, sailing a good race, but the wind did not stir up enough surf for her to do her prettiest.

The officials for the race were: Starter—John Hearn. Judges—John Webster and John Chandler. Committee Boat—John Hearn.

Sharkey's Arrival Sends Ticket Sale Soaring Further

NEW YORK, July 9.—Arrival of Jack Sharkey from Boston for his battle with Jack Dempsey here a week from Thursday added impetus today to a ticket sale which already has passed the half million dollar mark.

The tinkle of gold falling into Tex Rickard's coffers increased in volume as the Boston heavyweight prepared to start intensive training today in his special quarters atop the promoter's Madison Square Garden.

Fistic Appetizer
As an appetizer, the fistic public will be allowed to watch Sharkey in his training for a slight admission fee. The boxer's manager and trainer have rounded up a flock of heavy weights and lightweight weights to help the Boston sailors' punches.

"I feel fit and ready to light right now," declared Sharkey as he arrived here last night by automobile from Boston accompanied by Mrs. Sharkey.

Hollywood and he, with Drew's daughter, Mrs. Louis Deveraux, came to the noted actor's bedside. Drew rallied several times but he invariably suffered relapses from
