SOCIAL GATHERING

A very pleasant evening was spent on Friday, March 2nd when the members of the Y. P. S. of Central United Church gathered at the home of Mr. and Mrs. Ernest Foster, Marshfield, to extend to them congratulations and good wishes After a few humorous remarks by the President of the Y. P. S., Mr. Wylie Gibson, an address was read to the newly married couple by Miss Mary Ferguson. It was accompanied by a very nice gift, presented by Mr. John Thompson. Mr. Foster made an appropriate reply. Brief remarks were made by Rev. Mr. Christie, Mr. J. T. Ferguson and others. The remainder of the evening was very pleasantly spent in games and contests. Dainty refreshments were served by the ladies and the singing of the National anthem brought the evening to a close.

The following is the address:

To Mr. and Mrs. Ernest Foster,

Dear Friends: We, the members of the Y. P. S. of Central United Church, have gathered here this evening to offer you our heartiest congratulations. We wish you all the comforts and joys which can possibly be found in a happy married life.

You, Ernest, whom we can justly claim as one of our own boys, we especially congratulate. You have clearly demonstrated your good taste and wise judgment in selecting a life partner. We heartily welcome you back to our church and community. To you, Mrs. Foster, though in a sense a stranger to some of us, we extend our warmest greetings and very best wishes. You have already made a name for yourself as a talented church worker, and we trust that you will very soon find a place in our church activities, particularly in young people's work.

We ask you to accept this small gift as a slight token of our esteem and goodwill.

May you both long be spared to work with us in putting our talents to good use in the Master's service and may you sail life's sea happily together, and, reaching the Golden Shore, find an abundant entrance into the Haven of Rest.

Signed on behalf of the Y. P. S., Wylie Gibson, President; William Dover, Vice-president; Mrs. Irving Thompson, secretary.

MINING

(Canadian Press)

TORONTO, March 9—The mining section of the Toronto stock exchange continued to operate at high pressure today, nearly 3,000,000 shares changing hands. Gains were far in the lead at the close, all gold groups advancing while base metal issues were irregularly higher, silver stocks showing a majority of gains. Wright Hargreaves gave a sensational demonstration of strength, trading 40,000 shares and advancing to 9.10. It closed at 8.90 for a net gain of 30 cents.

After overcoming a run of profit-taking, secondary gold shares hardened this afternoon and the leaders tacked on narrow gains in the last hour. Sylvanite gained 5, Siscoe 6, Santonto 12, McWatters 3, and Kirkland Lake 5½. Coniaurum added 7 cents, Ashley 2, Central Pay 3½ and Bobjo 1½. Ventures lost 2, and McVittie 1.

Currencies

boys causes us sighs of regret and the hope they will be again reunited for the 1934-35 campaign. As one who knows their ways it is a pleasure to bear testimony to their good conduct at home and abroad. At the Brunswick Hotel, Moncton, Royal Hotel, St. John and Nova Scotian, Halifax, they are highly thought of, always conducting themselves as gentlemen. A finer team to travel with or be connected with the writer believes, does not exist anywhere. Boys if you didn't cop the Maritime title you have at least made a wonderful name as clean sportsmen and young gentlemen and we are proud of you all.

GRAIN

(Canadian Press)

WINNIPEG, March 9—With only a minimum of support in evidence, wheat prices gave a surprising display of strength on the Winnipeg Grain Exchange today and closed with net gains of ⅝ to ¾ cents.

Lightness of offerings was an important factor in the upturn. May wheat closed at 69⅝ with July at 71 to 71⅜ cents. Some buying by eastern and Chicago houses was noted and at the top values were up one cent. Light selling pared the advance a little however.

There was also evidence of foreign interest, and it was believed export business was working in a quiet way, although no figure was placed on the day's sales.

Chicago was fractionally lower to unchanged most of the day and Liverpool had a similar trend. A sharp increase in exports from Argentina was a bearish factor abroad but was partially offset by the continuance of unfavorable European crop reports. Argentine shipments during the week amounted to nearly 5,000,000 bushels almost double last week's movement while Australia shipped about 2,000,000 bushels, as against 1,250,000 bushels a week ago.

Cash and coarse grains trading was dull and uninteresting, prices showing little change.

THE BACK STRETCH

lington 2.13 1-4, attracts a lot of attention when driving about the city.

One of the handsomest turnouts seen about our city streets is Aunt Het, four years old, by Napoleon Direct 1.59 3-4, in the stable of James Arbing and owned by Dr. F. W. Bowness, Kensington, P. E. I. She is a beautiful chestnut with light mane and tail and catches the eye like a beautiful blonde. While not trained last year she is said to possess equally as much speed as Claire Napoleon 2.13, also owned by Dr. Bowness.

In Ontario they believe in racing their horses eight or nine months out of the year. Here are a few of the busiest performers with their starts and wins.

Looking over a recent exchange we were reminded of some wonderful turf bargains. For instance Al McGirr, popular Winnipeg trainer had a wire one afternoon about six years ago from a friend stating that a green pacer of class could be bought for $350. He wired the money and purchased Kinney Direct. That season he was the champion racing gelding, winning thirteen straight and the next season was in 1.59 and was sold to J. B. Reynolds of Kansas City for $10,000.

Grattan Bars Jr. 1.59 1-2 cost his owner just $10, thirteen calves being traded for the colt and $200 and the calves having cost $210. As a four year old he was unbeatable, winning two $25,000 stakes and one $10,00 stake.

Protector (3) 1.59 1-4, world's champion three-year-old trotting stallion was purchased as a yearling at auction for $1,000 and sold in the fall of his three-year-old form to Walnut Hall Farm, Ky., for $25,000 after he had won some $50,000 on the turf.

Coming to more recent years there is the case of Sturdy (2) 2.04 3-4, that raced so well last year. He was purchased in the fall of 1932 for $160, won all his races except one and lowered the world's record for two-year-olds on a half mile track to 2.06 1-2 and was then sold for $10,000.

When one reads about the above prizes in the harness horse lottery the desire comes over us to buy a well bred colt or filly. The glory of achievement in developing a champion or near champion would be almost as great as the amount of money one would get for the feat!

It won't be long now before the ice will be floating out of the harbor and the horses will be jogged on the roads and gotten ready for the various race tracks throughout the province. What a glorious thing spring is and what a wonderful feeling it brings with it. The writer does not know anything comparable to the pleasure of early spring training, particularly if one has a few good race prospects. Each of them is an embryo champion with a long string of victories before him, but alas, when fall comes the hopes have usually failed to materialize.

The ambulance surgeons of some of the New York hospitals had to abandon motor equipment on account of the deep snow this winter and the old sleigh ambulances, some of which had not seen service for twenty-five years, were put into action, hooked to horse teams.

There is said to be a dearth of standard bred stallions in the United States and breeding will not be nearly so brisk this year as in recent years. In the 2.30 list published for 1933 a total of 400 living stallions, sires of standard performers are represented. No doubt there are quite a number of other stallions in service which have failed to produce a 2.30 trotter or 2.25 pacer so they do not show in the list.

Peter Etawah 2.03 3-4 was accidentally burned to death in a barn fire recently at Saranac Lake, N. Y. Some years ago he became famous when he won a $25,000 pacing stake with Nat Ray up. He was not the fastest horse in the race but racing luck was with him and he copped the big share of the money. He was owned by the late George T. James who was also owner of Trampsmug 2.02 1-2, now owned by Captain Ryan, Sydney Mines, C. B.

Ira Ryerson died in Goshen, N. Y. on the 21st of February, aged 61 years. He was a trainer of considerable distinction in the United States for many years, but in 1896 he migrated to Austria-Hungary where he became known as the leading trainer of the two countries, being for seven consecutive years leading race winner both in number of horses and value of purses won. Most of the famous trotters sent to Austria-Hungary in the years he raced there were selected by him in America and raced after being exported.

Says the Horseman and Farmer World: "The old one horse open sleigh seems to be the swank equipment all over the country during the past week.

The Nova Scotia Exhibition will likely hold six days' racing this year starting on Tuesday, August 28th, and ending Monday, Labor Day, September 3rd. Classes recommended are as follows:

1. Free for All.
2. Free for All.
3. Junior Free for All.
4. 2.25 Trot, Maritime Bred.

The above mentioned programme was recommended to the Provincial Exhibition by a Committee consisting of Frank Adams, Chairman; J. H. Breen, Halifax; Frank McNeil, New Glasgow; Hedley T. Fulton, Stewiacke; Frank Foster, Kingston; James Power Secretary.

The meeting of the Committee was a most enthusiastic one, and it was announced that a determined effort would be made to give the Halifax Exhibition a banner race meeting. A definite policy regarding the allotment of passes to owners, drivers, and grooms was also fixed, and the committee recommended that a light coating be added to the surface of the track, so as to put it in the best possible condition for racing.
