Won their favor By their flavor.

A handsome roof that defies the weather

An added touch of beauty to any house is a roof of Brantford Asphalt Slates, which are in soft, harmonious shades of reddish brown and dark green. The colors are permanent and fadeless, being the natural shades of the slate just as it is taken out of the quarries.

It will also prove a very economical roof, because Brantford Asphalt Slates do not split, get loose, absorb water or rot. They are strongly fire-resistant and are classified as non-combustible by the fire insurance companies, and allowed to be used in cities where the most rigid fire-prevention By-laws are in force.

Brantford Asphalt Slates are very moderate in cost. The regular size of the slates and their pliability make them easily and quickly laid, thus saving time and cost of labor. Being made of high grade felt saturated and coated with asphalt, and with a surface of crushed slate, they make a roof that defies the elements and is a permanent part of the building, just like the walls and the foundation.

Brantford Asphalt Slates

are being used more extensively every year for city, country and summer homes, churches, golf clubs, stores, garages, and wherever an artistic effect is desired on a pitch roof.

If you are going to do any building this year or have an old roof that needs replacing, it will be to your advantage to investigate Brantford Asphalt Slates.

CARTER'S LITTLE LIVER PILLS

ABSENCE of Iron in the Blood is the reason for many colorless faces but **CARTER'S IRON PILLS** will greatly help most pale-faced people.

TUESDAY

Many friends in this Province will learn with deep regret of the death of Mr. Frank D. McKinnon, son of Mr. and Mrs. Malcolm McKinnon, of Inverness, P. E. I., which occurred at Vancouver on March 14th at the age of 40 years.

Deceased, who underwent an operation for appendicitis did not rally and died in the Jubilee Hospital. A veteran of the South African war, he was respected by all who knew him and was engaged in mining and real estate business. He leaves to mourn besides his sorrowing widow, father and mother, three sisters and four brothers.—Mrs. H. K. Stock, Summerville, Mass.; Mrs. W. P. Boyce, Chelsea, Mass.; Mrs. L. G. Poole at home; John D. of the 13th Battalion, France; James J. in Portage; Wm. E. lately returned from overseas and Thomas N. at home, to all of whom is extended the sincerest sympathy. Interment was made in Vancouver.

The death occurred suddenly in this city Sunday morning of Mr. W. H. Reid, Queen street. Mr. Reid, although suffering from heart disease, was around on Saturday afternoon. He went to bed Saturday evening and his spirit passed peacefully at 4 o'clock on Sunday morning. The late Mr. Reid, who was 68 years of age, leaves to mourn a sorrowing widow and five daughters. The daughters are Mrs. William Meek, Mrs. George Worth, Mrs. Dennis Doyle, Mrs. Edwin Williams, all of Chelsea, and Mrs. Archibald Green of St. Albert, P.Q. Mr. John Reid, of this city is a brother, also Alexander and James in Portland, and Joseph in Cambridge, Mass., and there is also a sister, Mrs. Weatherford of Portland, Maine. The Guardian tender its sympathy to those who mourn. The funeral was held at 10:30 o'clock yesterday morning and was well attended. Interment was made in St. Peter's Cemetery. (Boston and Portland Me. papers please copy.)

There passed peacefully away to rest at the home of her brother, Newport Kings Co., on March 29, Barbara MacIntyre, at the early age of forty-seven years. Deceased had been in failing health for several years but until five months previous to her death did she become seriously ill. All that medical skill and loving care could do proved of no avail against that dread disease, heart trouble.

Miss MacIntyre was one who made friends wherever she went and a large circle of relations and acquaintances mourn her death. She was consoled in her last illness by frequent visits from her pastor, Rev. D. J. G. MacDonald, who administered to her the last sacraments. The funeral procession of one hundred and fifteen sleighs was ample evidence of the high esteem in which she was held.

The services in the church and at the grave were conducted by Rev. A. MacIntyre, St. Peter's, assisted by Rev. D. J. G. MacDonald. She leaves to mourn one sister, Mrs. Katherine Deigo, of Boston, Mass., and two brothers, John L., also in Boston, and Patrick on the homestead.

In a most instructive and interesting address in Prince of Wales College Hall yesterday evening Professor Adams, Dominion Expert on Town Planning and Development, showed about 40 or 50 slides illustrating what is being done to increase production in vacant lands. The slides showed the work of the Ottawa Horticultural Society, among others, which produced a value of \$20,000 last year for an expenditure of \$2,400. A number of these views also illustrated the work being done by boys and girls as soldiers of the soil.

Mr. Adams urged the necessity of similar work being done in the towns of Prince Edward Island as well as producing on the farms, and pointed out the permanent value which this work would be to the youth of the country apart from its benefit in connection with the war. This lantern lecture lasted for about half-an-hour, after which Mr. Adams gave an address at the request of the Premier) on planning and development of P.E.I., a detailed report of which will be given later.

The chairman was Mr. H. Shaw. At the close a hearty vote of thanks was accorded the lecturer on the motion of the Premier, seconded by Mr. J. H. Bell. Both indicated that they were friendly disposed towards the ideas expounded by Professor Adams, especially that a Planning and Development Board should be established for the province.

Rev. J. J. MacDonald in support of the motion urged the necessity of something being done owing to the haphazard development taking place at Borden, where it was so necessary there should be a good approach to the Province.

Yesterday afternoon the Professor met the members of the Govt. and placed certain suggestions before them with regard to legislation to carry out a scheme of development, and the matter will be considered.

GET RID OF Pimples Quickly, Easily and Cheaply by Using Cuticura

The Soap to cleanse and purify, the Ointment to soothe and heal. Nothing better for all skin and scalp troubles, as well as for every-day toilet purposes.

WEDNESDAY

WEDDING BELLS.—Pte. Morley Myers Mullins and Laura M. Sharkey, both of Tryon were quietly married, April 4th at 126 Powal St. by Rev. J. D. MacKenzie. The happy young couple left on the afternoon train for points farther West on the Island where their honeymoon will be spent.

It is with feelings of deep regret that the death is chronicled today at the age of 78 years of Mary, beloved widow of the late Angus McDonald, which sad event occurred at the home of her son-in-law Charles McCormack, Souris River, on March 4th.

Deceased was in her usual good health to within a few days of her demise when she was attacked by heart failure from which she never recovered notwithstanding the efforts of her efficient doctor and the loving care of friends.

She died as she lived a very devout member of the Catholic Church, being strengthened in her holy religion by her devout pastor Rev. John A. McDonald.

Her funeral to St. Mary's Church was very largely attended, showing the great esteem in which she was held by all who knew her.

The last sad rites at the grave were performed by Rev. John A. McDonald after which all that was mortal was laid to rest to await the final judgment.

She leaves to mourn their loss two sons and two daughters, Joseph and Daniel on the homestead, Mrs. Charles McCormack of Souris River, and Mrs. Bella McEachern, Boston; also two sisters and one brother besides a large circle of friends. May her soul rest in peace. (Island papers please copy.)

On April 1st, Mr. Allan Rogerson, of New Haven, passed from time to eternity. He was born in Carlisle, England in the year 1834 and at the age of six years emigrated to the island with his parents, who first settled in Bonshaw. They moved to Crapaud afterwards and Mr. Rogerson came to New Haven over forty years ago, and by his sober, industrious life made a good home for himself and family. Some time ago he suffered from a stroke of paralysis, but regained his strength so as to be able to move around. This winter he had another attack and gradually failed until his spirit passed into the hands of Him who gave it. His affliction was very patiently borne and trusting in the merits of the Lord Jesus Christ he quietly fell asleep, having felt the assurance behind him that the Light was shining within his soul. Besides his widow he leaves to mourn their loss the following children: James at home; Wm. at New Haven; Mrs. Charles MacEwen, Churchhill; Mrs. H. Frizzle, Cornwall; Mrs. Donald MacFadyen; Mrs. Geo. Casey and Mrs. Paul MacPhail Lowell, Mass. The funeral service was held on April 3rd and conducted by the Rev. D. MacLean. The pall bearers were Messrs. James MacEwen, Michael MacManus, D. MacGillivray, John MacKinnon, John MacFadyen and John Deveraux. A large number of people assembled from various parts to show their respect for their aged neighbor and friend.

There passed away at Edmonton, Alta on Saturday March 2nd Edith J. dearly beloved wife of Joseph W. Coffin of that place formerly of St. Andrews, P. E. I. Although not in good health for many years yet her death came as a shock to her many friends in her island home. Mr. and Mrs. Coffin left here about eight years ago for the West, in the hope that her health which had not been very robust, would be improved. For a time the change seemed to benefit her and her friends entertained hopes that her health might be completely restored, but a few months ago, kidney trouble developed from which cause she passed away. During her illness she bore her sufferings bravely and patiently, taking an interest in all things until within a few days of her death. The deceased was a daughter of the late Benjamin C. Douglas of Hillsborough and leaves to mourn, besides a sorrowing husband, one brother Ernest of Denver, Col.; and four step-sisters, Mrs. Henry Coffin, Mrs. Calvin Cameron of Hillsborough; Mrs. Frank Farquharson, St. Andrews; and Mrs. Everett Anderson, South Boston, Mass. Her remains accompanied by her husband were brought to the island for burial, and taken to the home of Mr. Hammond McEwen, Bristol where Mr. Coffin's aged mother resides. On Tuesday night, March 1st, the body was conveyed by teams from Charlottetown, owing to the railway blockade at that time. On Wednesday afternoon they were removed to the Church nearby where the services were held at 2 o'clock. A large number of friends and neighbors were gathered to pay a last tribute of respect to one who they knew and loved.

The services at the church and grave were conducted by the pastor Rev. R. P. Murray, assisted by Rev. Mr. Carlew both of Mt. Stewart. The hymns "Asleep in Jesus, Safe in the Arms of Jesus, Jesus, Lover of my Soul and Forever with the Lord, were beautifully rendered by the Choir. The remains were laid away in the West St. Pet-

ers Cemetery besides many loved ones gone before.

The pall bearers were Messrs John McIntyre, Patrick McMillan, Ruolph McEachern, Frank Anderson, Albert McEwen and Leonard McEwen.

P. E. I. GIRLS SLIGHTED.—The following ad from an April issue of The New Glasgow Evening News suggests the query: What is the matter with our P. E. I. girls? "Personal—A widower, aged 40, starting home for P. E. I. to start the merchandise business wishes to correspond with a young lady between the age of 25 and 35 years. Must be Protestant. Write to —Q."

Major Wallace Owen, son of the late A. W. Owen, for many years accountant of the Marine and Fisheries Department, has been promoted to the command of the western division of the British Rear-Admiral's Mission in the United States with headquarters in Chicago.

Major Owen is a veteran of the great war, having seen service on the battlefields of Ypres, the Somme, Vimy Ridge, and Messines. He went to France in 1916, and saw 14 months of service during some of the heaviest fighting of the war. Before going overseas, Major Owen was a member of the Northwest Mounted Police. He spent his boyhood days in Ottawa.

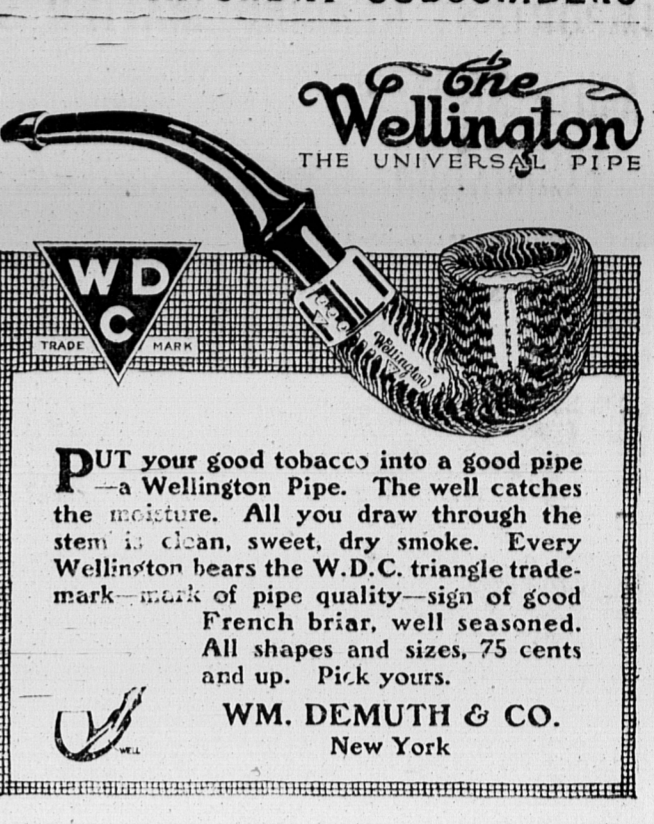

The death occurred at Friston Road on April 5th, of Mr. Patrick Flynn, a respected resident of that place at the age of 76 years. There are left to mourn besides a sorrowing widow, two sons, John, Jeremiah, in Mass., and Walter in Sydney, C. B., also one daughter Mrs. J. J. Burke, Boston, Mass., and two brothers John in Roxbury, Mass., Edward of this city and Mrs. James McCabe, of Stanhope. The funeral which took place on Saturday was largely attended, services being conducted by Rev. Frank McQuaid, internment at Cowhead country. The following were the pall bearers: Messrs. John Curran, James Mahlar, Alex. Matthews, John A. McKinnon, John Misner and John C. McVinty. (Boston papers please copy.)

The annual meeting of the Diocesan Society was held in St. Paul's Parish Hall yesterday afternoon. The attendance was fairly large all the rectors from the neighboring parishes being present besides a number of lay delegates.

The first meeting which opened at 3 o'clock was a business one. Rural Dean Murphy presided and opened with prayer. Ways and means were discussed with a view to furthering the work of the church, the usual appropriations were made to the different parishes and some other matters of interest disposed of.

Services were held in St. Paul's Church at 7:30, Rev. E. P. Wood preaching an eloquent sermon appropriate to the occasion, several of the other clergymen taking part in the devotional exercises.

The meetings today will be as follows: Holy Communion, St. Paul's Church 7:45; Rural Deacony meeting, St. Paul's Parish Hall 10:30 a. m.; general annual meeting, St. Paul's Parish Hall 8 p. m.; speakers Ven. Archbishop Watson and Professor J. E. McLarty.

The Wellington
THE UNIVERSAL PIPE

PUT your good tobacco into a good pipe
—a Wellington Pipe. The well catches the moisture. All you draw through the stem is clean, sweet, dry smoke. Every Wellington bears the W.D.C. triangle trademark—mark of pipe quality—sign of good French briar, well seasoned. All shapes and sizes, 75 cents and up. Pick yours.

Don't Bother with "Special Pastry Flour"

You can get the same flaky lightness in your Pie Crusts, Tarts and Cookies, with

BEAVER FLOUR

as you can with any pastry flour.

Beaver Flour is milled of the famous Ontario fall wheat, strengthened with western spring wheat.

And more than that—Beaver Flour makes a loaf of bread that is a joy to eat—with fine, even texture and a delicious, "homey" nutlike flavor, unknown to those who still use the tough, tasteless, western spring wheat flours. Make the change today—order a barrel of Beaver Flour at your grocer's and have really delicious Bread and Pastry.

Home comfort in all weathers

A poor furnace well installed might give satisfaction for a time. But a good furnace poorly installed can never be successful. —while a good furnace properly installed will give best results from the day it is fired up.

The Sunshine Furnace, installed the McClary way, is guaranteed by McClarys to warm every room in your house—to warm it with the right quality, as well as quantity, of heat, —to make your home healthy, pleasant and enjoyable in all weathers.

And it is to do these things a furnace is for—those are the results which mark the successful furnace. The furnace that fails to do them all the time is only a nuisance.

The Sunshine Furnace is a never failing source of pleasure, satisfaction and home comfort.

Engineering Service Free. McClary's own heating engineers are at your service when you buy a Sunshine Furnace, to give you free expert advice on your home-heating requirements. Write to the nearest McClary Branch and ask for particulars about this service. A booklet, "Comfort in the Home," makes clear all the things you want to know about furnaces, and it is sent free on request.
