RED AND BLACK HAND OUT DEFEAT TO SACKVILLE

Contest was Witnessed by Large Number Who Went Away Fully Satisfied—Game Was Particularly Free From Dissension and Was Marked by Splendid Team Play.

(Special to the Guardian)
SACKVILLE, N. S., Feb. 25.—What was without doubt one of the fastest games seen on local ice this season was witnessed by a packed houseful of spectators last night when the Charlottetown Abbies defeated the Sackville combination to the tune of a 3-1 score. The fixture from the start was replete with thrills both teams time and again bringing the fans to their toes by spectacular rushes and splendid combination work. A particular feature of the contest was the brilliant exhibition of net guarding put up by both goalies, especially Diamond who was severely bombed during all three periods. He however, was in splendid form and treated both the fans and Sackville players to perhaps some of the greatest sensations of the evening. The game got away promptly as scheduled and there were certainly no waits between rushes. Two minutes after the face-off Gordon after a brilliant piece of play rapped in the first tally for the Abbies. He was followed six minutes afterwards by Horsler who netted the one and only point for the home players. The second period opened with both teams on even terms and right through was an exhibition of speed and team play with everybody playing a high brand of hockey. The Abbies again scored

OTTAWA NOSES OUT CANADIENS BY ONE TALLY

"Punch" Broadbent Scores Only Goal of Game in Second Period.

OTTAWA, Feb. 25.—Ottawa Senators nosed out the Montreal Canadiens in a thrilling National Hockey League game here last night by a score of one goal to nothing. It was one of the most bitterly fought and wildly exciting games played here this season with the result in doubt until the gong signalled the termination of playing time. Ottawa showed all the tricks in their locker to take down the verdict, while Canadiens, fighting desperately to hold their slim advantage over Toronto St. Pat's in the race for second position, never let up from the opening whistle till the closing bell. Another capacity house saw the two teams battle it out, and for the greater part of the time the majority of the spectators were on their feet.

The game was scrappy throughout but the excellent work of Mike Rodden as referee kept the affair from getting out of hand.

To Harry Broadbent again goes the honor for downing the Canucks in Ottawa. The solitary counter of the game came from his stick after sixteen and one half minutes had elapsed of the second period.

There was a face-off just outside the red line at the Canadiens' end, and from the draw Nighbor snapped the disc out to Broadbent. "Punch" whipped it hard and true. The puck struck Vezina's left pad near the top and glanced into the net to the amazement of the goaler and the majority of the audience. True, Vezina was asleep on the play, and the goal might be termed lucky, but it was cleverly driven by the Ottawa right winger.

TORONTO ST. PATS DEFEAT HAMILTON

TORONTO, Feb. 25.—Although weakened by the absence of Jack Adams, which necessitated the reconstruction of the forward line, St. Pat's kept in the hunt for the N. H. L. championship on Saturday night here when they forced the Percys of Hamilton to accept the short end of a two to one count, in the last meeting of the two aggregations this season. While the margin of superiority was not great the Irish deserved the victory.

Spurred on by realization that a defeat meant farewell to all championship hopes, the two teams played hockey all the way.

There were eight penalties imposed by Referee Ross, five of them going to the visitors and none of them were for deliberate fouls.

Georgetown Wins From Morell, Score 7-5

In one of the cleanest and snappiest games of hockey played in the country this winter, the Georgetown Tigers marched the Morell Drednaughts into camp to the tune of 7-5.

The game which was played in three fifteen minute periods was very fast throughout and the large number of fans were highly pleased with the brand of hockey handed out. One thing sure, it stands as the most sportsman-like game ever played in the Georgetown rink.

The first period opened by the Tigers rushing Morell territory with the evident intention of doing the thing up quickly; Morell thought differently and in a splendid piece of team work bagged the Tiger's net for the opening counter.

Three minutes later Skinner evened matters for the Tigers. Play followed very even period ending—Tigers, 3; Morell, 2.

The second period opened with Tigers determined to increase their lead, Captain Walker showing them how when on a beautiful old whiz-bang from right wing he beat Coffin to it. Second period—Tigers, 6; Morell, 2.

The third period found Morell all keyed with the determination of turning defeat into victory. If any we think Morell had a slight margin in this stanza, Georgetown playing more of a defensive game. The period ended Tigers 7, Morell, 5.

Referee, J. McConnell.
Judge of play, W. Dalziel.

FIRPO KNOCKS OUT "FARMER" LODGE

American Clinches Frequently to Ward Off Opponent's Right.

BUENOS AIRES, Feb. 25.—Luis Angel Firpo tonight knocked out "Farmer" Lodge, in the fifth round of what was to have been a 15-round bout.

The knockout blow was a terrific right to the body preceded by a left to his corner.

The fight was marked by frequent clinches on the part of Lodge, who apparently was seeking to protect himself against Firpo's mighty right which the Argentine used almost exclusively.

Frequently Jurado Benigno Rodriguez, the referee, was obliged to pull Lodge out of the clinches by sheer force.

It is estimated that 35,000 saw the bout. There was a burst of frantic cheering over the victory of Firpo, who is the boxing idol of Argentina. In the first round Lodge took the aggressive, forcing Firpo to the ropes. However, throughout the fight he landed scarcely a blow which Firpo seemed to feel.

Twice during the fight and before the knockout came Lodge was sent to the floor by the heavy punches of Firpo.

In the fourth round it was evident that the American steadily was growing weaker. Just before the gong sounded to end this round Firpo landed a left to the face and Lodge went to his corner in a groggy condition.

Firpo weighed 218 pounds while Lodge tipped the beam at 231.

MONCTON LOSES TO ST. JOHN TROJANS

MONCTON, N. B., Feb. 25.—The St. John Trojans had little difficulty in disposing of the Celtics here Saturday night in the first game of a home and home series for the Provincial basketball championship. The Trojans won handily by a score of 50 to 18.

The Celtics put up a game battle and held their own for the first part of the initial half, after which the Trojans pulled away and were never headed after that. Their speed and combination bewildered the local team, Gordon Wilson and "Boef" Malcolm were the stars of the visitors, Malcolm being of the best centre men seen here for years. Don McFarlane and Chandler played hard games, for the Celtics.

However, as far as union labor is concerned, the railroad brotherhoods and other railroad organizations are taking the lead in the present movement.

The railroad men are strong for McAdoo, if he should get the Democratic nomination and nothing more happens in the oil scandals to disqualify him. However, it is said that the endorsement of McAdoo would be objected to by the farmers and socialists. On the other hand, if Mr. Coolidge is nominated by the Republicans, union labor, as represented at the conference, is expected to oppose him, as the result of the Boston police strike incident. The stand of the farmer element cannot be foretold at this time.

AMHERST LOSE TO TIGERS BY TWO GOALS

Tigers Without Bates and McKenna Gave Good Exhibition Against Town's Amateur Team.

AMHERST, Feb. 25.—Dalhousie hockey team defeated the Amherst amateur team in a splendid game of hockey here tonight by a score of 3-1. The first period resulted in a tie, the score being 1-1, with both teams playing good clean hockey. Smith, of Dal, finding the Amherst nets, and Webster placing the rubber in Dal's goal for Amherst. The second frame was a fine showing of good hockey, with both teams making splendid plays and bringing the fans to their feet many times, especially the combination work of the Dalhousie forwards, neither team scoring this period.

The third period started off with a rush, both teams determined to score, and a few minutes of play saw Haslam, the star of the Dalhousie team, after a neat rush, placing the rubber in Amherst's net, and following the face-off, on a pass from Smith, he was again enabled to tally the final score for Dal, leaving the score 3-1 when the final gong sounded. The Dal team were much the heavier and their combination work was the sensation of the whole game.

Haslam, Hickey and Lewis were the stars for the visiting team, Lewis, the goalee, making a number of sensational stops. For Amherst, Bartlett, Tucker and Webster played splendid hockey. About 500 fans witnessed the game, the whistle being handled by John Chisholm. Owing to the clean brand of hockey played, only four minor penalties were handed out during the whole game. After the match the Dal team were guests at a dance given by the Dalhousie Alumni in the Artisans Hall. Line-up:

Dalhousie—Lewis, goal; Wilson and Dunlop, defence; Haslam, C. Smith, Hickey and Coleman, forwards.

Amherst—Chapman, goal; Bartlett and Bradshaw, defence; Chisholm, Tucker and Webster, forwards; McCully and Chappell, subs.

Farmers and Labor to Convene in Cleveland

CLEVELAND, O., Feb. 25.—Leaders of the National Conference for Progressive Political Action expect to name here in July the presidential candidate who will be inaugurated in Washington, March 4, 1925.

The National Conference has been called for July 4. It is expected that both Republican and Democratic conventions will have named their candidates by this time. If not, the convention will mark time until the Democrats finish at New York.

The local conference, which will represent the national leaders in the farm organizations, labor unions, railroad brotherhoods, etc., is expected to cover the farmer-labor independent vote.

If neither major party nominates a candidate acceptable to the conference for progressive political action there is a strong probability that the conference will launch a new Farmer-Labor party and name a presidential candidate.

The men behind the guns in this proposed party include such figures as Warren S. Stone, Cleveland grand chief of the Brotherhood of Locomotive Engineers; D. B. Robertson, president of the Brotherhood of Locomotive Firemen and Enginemen; Bert M. Jewell, Chicago, chairman of the Railway Department of the American Federation of Labor; Samuel Gompers, president of the American Federation of Labor, and other labor leaders, as well as several men prominent in agricultural organizations.

It is no secret that Gompers in past years has held that labor can do more from within than from without the major parties toward electing men favorable to union labor. Gompers' friends say that he is now pretty well converted to the idea that union labor and the farmers can and should work together.

George Kuntzsch, Old Manager, Dead

SYRACUSE, N. Y., Feb. 25.—George N. Kuntzsch, famed for years as one of America's leading billiard players and known also throughout the east because of his baseball activities as president of the Syracuse Baseball Club in the old International and the New York State Leagues, died Saturday after an illness of two years.

Mr. Kuntzsch gave Syracuse an international league pennant winning team in 1891 and a state league flag winner in 1904.

He passed a total of 18 years in minor league baseball and retired with a record of never having had a second division club.

He Suffered for Three Years

Then Mr. John Jensen Used Dodd's Pills.

Saskatchewan farmer suffered from backache and stiffness in the joints and, was restored to good health by using Dodd's Kidney Pills.

Eddyside, Sask., Feb. 25.—(Special)—"For about three years I have suffered from backache and stiffness in my joints. I did not sleep well and had very little appetite in the mornings. I took two boxes of Dodd's Kidney Pills, and have found that they did me a lot of good."

This statement is made by Mr. J. Jensen, well known in this place.

Mr. Jensen's troubles were caused by the kidneys. That's why he got such prompt relief from Dodd's Kidney Pills, for they act only on the kidneys.

When the kidneys are not right, they fail to do their full work of straining all the impurities, all the seeds of disease, and of the blood. There can be no pure blood if the kidneys are wrong. There can be no good health unless the blood is pure.

Ask your neighbors if Dodd's Kidney Pills are not the sovereign remedy for sick kidneys.

LARGE CROWDS WITNESSED THE ICE RACES YESTERDAY

The Pup and Margaret Grattan Were the Winners of the Two Events.

Fine weather and a good crowd witnessed the racing of the Charlottetown Driving Club yesterday afternoon. The track committee had everything in good shape, having worked all morning preparing the course. There were two races on the programme, Class B Trot and Class B Pace.

The Class B Trot had seven starters but developed into a duel between The Pup, owned by Mr. Wellington McNeill, and Frisco Direct, owned by Mr. Hammond Kelly. In the first heat The Pup won easily. In the second heat it was a thrilling duel, both drivers using every effort to land their horses first to the wire, and inches only separating them, the decision going to The Pup. In the third heat, in a desperate driving finish, Frisco Direct nosed out The Pup. These two heats were probably the best seen here this winter, and a contest between these two trotters will be looked forward to with great interest by all who witnessed yesterday's races.

In the Class B Pace there were six starters, with Margaret Grattan, four year old daughter of Grattan Royal, 2:06 1/4, the Wonder Sire, considerably superior to the others. She won each heat by a nice margin, with Wascana Maid good second in the first two heats and Abegweit, who showed flashes of great speed but was unsteady, second in the third heat.

GORMAN GIVEN WELCOME ON RETURN HOME

(Canadian Press.)
ST. JOHN, N. B., Feb. 25.—Charles Gorman was welcomed home from the United States skating events by a crowd of 10,000 this afternoon and escorted to the hotel where other circuit skaters who arrived earlier in the day are staying while here for the International Indoor Meet to be contested here this week.

Mayor Fisher and city commissioners formally welcomed Gorman at the train.

Now that Gorman has achieved his life long ambition in winning an international title, he says he will retire, realizing that he must settle down to business and look forward to the future.
