Best for liver and bowels bad breath bad colds, sour stomach, and Constipation.

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. Wonderful Lessons in the Bible's English for Writers and Speakers

Shakespeare was master of nearly twenty thousand words. Milton of about thirteen thousand. But the whole King James Version of the Bible contains not over six thousand words; not a half of Milton's, not a third of Shakespeare's vocabulary. Short words are always strong words; they explode like bullets. Do you know that the average word in the English Bible, including even the proper names, is composed of less than five letters? Leave out the proper names and the average word wouldn't have even four letters. In the beloved 23rd Psalm there are 110 words; 95 are words of

one syllable! In the Sermon on the Mount more than 80 per cent. are words of one syllable. In the Ten Commandments, on which are based all the laws of all the world, there are 319 words; 259 are words of one syllable; and only 60 of two and more syllables. In Lincoln's Address at Gettysburg, perhaps the greatest in the world, there are 266 words. Of these, 194 words are of one syllable; 53 of two syllables; and only 19 of three or more syllables. There is food for thought in these figures. What an improvement in our writers and speakers, if, like Lincoln, they would only give study to the English of the Bible!

The publishers of the famous RED LETTER EDITION of the Bible inform us that only by means of a vast newspaper co-operation throughout the United States and Canada could this magnificent Bible be had for the nominal price asked. They state they are arranging to distribute at least two million copies, and that the RED LETTER BIBLE represents a value of from three to four dollars in the usual channels of trade.
