**MISS AMY TOOMBS.**—The death occurred in the Prince Edward Island Hospital on Tuesday night of Miss Amy Toombs, daughter of Mr. and Mrs. Lorenzo Toombs, of North Rustico. Miss Toombs was only 24 years of age and was an undergraduate nurse having been on the staff of the Hospital for about a year and a half. By her efficiency and charm of manner she had made many warm friends in this province and the news of her death will be learned with deep regret. During the influenza epidemic Miss Toombs worked very hard, but did not contract the disease. On Saturday, not feeling very well, she went off duty on Monday her illness took a very serious turn and she underwent an operation. This however proved unavailing and she passed away as stated above. There are left to mourn besides her sorrowing parents, three sisters and three brothers. The remains were taken to North Rustico yesterday and the funeral will be held on this afternoon to the Cavendish cemetery.

**FULLERTON-AGNEW NUPT-** IALS.—A pretty home wedding took place yesterday morning at 5.30 at the residence of Rev. Dr. and Mrs. Fullerton when their youngest daughter Miss Jean Alma was united in marriage to Mr. Alexander McCullough Agnew, son of Mr. and Mrs. John Agnew, the ceremony being performed by Rev. Dr. Fullerton, father of the bride. Owing to the recent bereavement in the groom's family, the marriage was a quiet one, only immediate relatives being present. The bride who was unattended, looked winsome in a navy blue traveling suit and carried a bouquet of chrysanthemums and maiden hair fern. After the ceremony Mr. and Mrs. Agnew left by the morning express on a honeymoon trip. The bride was the recipient of many valuable and handsome gifts, including a set of fox furs from the groom and a piano from the groom's mother. There were also a number of cheques for substantial sums. The Guardian joins in heartfelt congratulations to the young couple.

**MR. DONALD FRASER.**—The death occurred at his home Vernon Bridge, Oct. 30th, 1918 of Donald Fraser, aged 97 years. He leaves to mourn one son Daniel, Whim Road Cross, also one brother, William and one sister Elizabeth on the old home. The funeral procession wended its way to St. Joachim's Church, Vernon River, where High Mass was conducted by his pastor Rev. Father McGuigan. **GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF**

Save your hair! Double its beauty in a few moments—try this!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life and if you overcome it produces a feverishness and itching of the scalp, the hair roots flanch loosen and die, then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a small bottle of Knowlton's Danderine at any drug store or toilet counter for a few cents; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

**MISS EVELYN BRADLEY.**

The Guardian regrets to announce the death of Evelyn Bradley which occurred at her home Kelly's Cross after a nine days illness of the fatal influenza. During her illness she was greatly comforted and consoled by the ministrations of her good pastor, Rev. Dr. Curran, and fortified by the last sacraments of Holy Church she peacefully breathed her last on the morning of Tuesday the 11th inst. The deceased was of a kind, unassuming disposition and faithful in the performance of every duty and her early passing away in the twenty-second year of her age will be deeply regretted by her friends and neighbors. There are left to mourn two sisters and three brothers all of whom were prostrated with the prevailing disease during the sickness and death of their loved sister, making their bereavement still harder to bear. The bereaved family have the sympathy of the community in their sad bereavement. May her soul rest in peace.

**MRS. WM. COMPTON**

Emma Brian the beloved wife of William D. Compton, of Bangor, P. E. Island, who departed this life on Oct. 30th, 1918, in her 59th year, was a daughter of the late Henry Brian and Margaret McDougall, his wife of Nine Mile Creek, P. E. Island.

She is survived by her husband and two sisters Mrs. Isabella Compton, of Bangor and Mrs. Wm. Ross, of Western Canada.

Having no children of her own she took with her home her niece Miss Libbie Compton to whom she was all that a mother could be. She was of a very industrious nature and is widely known throughout the province for her extended hospitality, her home being always open for the entertainment of all comers. She took a deep interest in all things for the improvement of the community and those who have been in close converse with her can testify to her depth of religious thought and sincere faith in Him who gave Himself for his own. She had always enjoyed good health.

**The Pathephone**

PLAYS ALL MAKES OF RECORDS

**IF you want to bring Music into your home, you cannot be more certain of getting complete satisfaction than by buying**

**The Pathephone**

Although the Pathephone is the highest type of Phonograph made and possesses advantages not found in other makes, it does not cost any more than an ordinary Phonograph. For instance, the illustration shows a Pathephone selling at \$137.50. Compare this Pathephone with any other make of Phonograph and you will agree that to look for better is utter waste of effort. Note the following points:

A classic design, beautifully finished in Mahogany, Walnut or Fumed Oak. Plays ANY disk record, thus placing at your command the combined Record libraries of the world, including the famous Pathé record, which plays with a permanent genuine Sapphire Ball instead of the scratchy, record-destroying steel needle. The Pathe tone control, an ingenious little device, permits you to augment or decrease the volume of tone at your pleasure.

It is the finest Phonograph in its price class, finer than you had hoped to own. A small cash payment—probably less than you had expected to pay—will take it to your Home any time you may direct.
