Markets Close Lower

By John L. Cooley Associated Press Financial Writer.
NEW YORK, June 13—Financial markets showed signs of weariness today, and closing prices in many

directions were lower. Stocks stumbled into selling during the last hour coincident with a rally by the United States dollar. Wheat and rye, after touching new highs, also slid off while cotton and bonds joined the general easing. Rail shares offered a helping hand to other stocks for a time

in the afternoon, but their independent strength failed to draw much response; pivotal industrials, in fact, were noticeable laggers, nor did the utilities exhibit much courage. The dollar's advance, gaining momentum as the day wore on, apparently was a signal for heavy profit-taking towards the close and there was a long list of 1 to 4 points net losses in all stock groups. Sales totalled 6,304,540 shares.

IN MEMORIAM

MARY PRECILLA INMAN

There passed away at the home of her parents, Mr. and Mrs. Harry Inman, Augustine Cove, May 22nd, 1933, in the 23rd year of her age, Mary Precilla Inman, eldest daughter of the bereaved parents.
Death did not come suddenly, but a long protracted illness forced the splendid young body to succumb to the ravages of disease, and one of the fairest and sweetest of our flowers faded and died just as her womanly sweetness was pervading the home, the Church and community.
All that could be done for her recovery by loving parents and skilled physicians both locally and at the "Royal Victoria", Montreal, was done, but to no avail. She was brought home and with sweet surrender to the Heavenly Fathers will made the spiritual preparation for the home beyond.
She left the scenes of the sea she loved so well to gaze upon the seas of crystal and the river of life. The pastor Rev. Dr. Genge was in constant attendance and led the young soul in kindly ministrations to the
