—Fear Prince David Is Total Loss  
HAMILTON, Bermuda, Mar. 16.—(By The Canadian Press)—Some of the passengers taken off the Canadian National steamer Prince David, which grounded off St. George's in a fog yesterday, are expected to reach Havana, Cuba, tonight aboard the Prince Henry, sister ship of the Prince David. Others are scheduled to sail today on the Lady Rodney for Boston and others on the Duchess of York for New York. The passengers and crew were

landed here safely by the Lady Somers after the vessel went hard aground on a coral reef 12 miles off St. George's. The Prince David lies in an exposed position, and is being hammered by the surf. Shipping men today said they believed she would be a total loss. There was no alarm aboard the Prince David when the vessel struck and an S. O. S. brought the Lady Somers which, because of the reefs, had to stand off a mile. An hour later, when the grounded vessel began to list, passengers and crew were transferred to the Lady Somers, also bound for Bermuda from Boston.

"I began using Cuticura Soap and Ointment. The first night I washed with the Soap and applied the Ointment, they seemed to stop the irritation. I continued using them and in two weeks I was completely healed."

—The Sugar Beet Industry  
(Canadian Press)  
OTTAWA, Ont., Mar. 16.—Two witnesses from the west urged the claims of the sugar beet industry for assistance by Parliament, before the Commons Committee on agriculture here today. B. R. McMullen, President of the South Alberta Beet Growers' Association presented the views of the growers and E. T. Rogers of the British Columbia Sugar Refiners Ltd., gave evidence on behalf of the refiners. The value of the sugar beets as a hood crop was stressed by Mr. McMullen. He thought a tariff should be imposed on sugar in order to encourage the sugar beet industry. It would be a very light burden over the entire country and would help the unemployment situation.

"I have used about 7 bags of your 'Blossom of Canada' Flour. I think it is the finest flour that I have used for years. It makes fine bread and the most elegant pastry I ever had in my house."  
Mrs. Joseph C.  
"I have been keeping house for 35 years and have used all grades of flour and 'Blossom of Canada' is the best I have ever had in my house. Have recommended it to my two daughters, and their families. Would not have any other grade if I could possibly get 'Blossom of Canada.'"  
Mrs. William H.  
"I have been using 'Blossom of Canada' for some months and I must say I hope I will always be able to procure it. In having a small party at my house the women all wanted to know what flour I used, so I told them 'Blossom of Canada.' They said they found that after their bread got three days old it got dry and tasteless. I advised them to try 'Blossom of Canada.'"  
Mrs. W. G.  
"I am a user of 'Blossom of Canada.' It's dandy flour. Can recommend it to anyone. I hear my neighbors saying it's the best flour they have had for years."  
Mrs. M.
