Allow no one to deceive you in this. **MARRIED** NOV. 14th by the Miss Addie Dewar, to Mr. George Rev. George Henry, at the brides sisters, Mrs. E. S. Norton, Brudenell, Parlier, Georgetown, Royalty. The ceremony was performed in the presence of the immediate friends of the contracting parties.—B.

**MRS. JAMES MCKINNON AND DAUGHTER** Miss Millicent, Montague, left for Boston last week, where Miss Millicent will take up a course in the New England Conservatory of Music. There will be away for the winter returning in the early spring. Mrs. McKinnon's business will be conducted by Mr. and Mrs. Compton in their absence.—B.

**A VERY PLEASANT EVENT** took place Nov. 15th at the home of Mrs. Ebenezer Campbell, Montague, in which more than one person was interested, it being the marriage of her daughter Miss Etta to Mr. Warren Campbell of Valleyfield, the ceremony was performed by the Rev. George Henry, Montague, in the presence of a number of guests. The many valuable and useful presents bespoke the high esteem in which the young couple are held in the community, and the Guardian extends to them a happy and long wedded life.—B.

**DUNCAS NOTES**—The Starch factory at Bridgetown is closed for the winter. It is understood it had a very successful season. The Government Dredge is laid up at Bridgetown wharf for the winter. Mr. George Ross, Miller at Bridgetown is keeping both his saw mill and grist mill running fairly good at the time, although he reports water scarce on account of the dry fall.—The many friends of Mrs. G. A. Clay are sorry to hear of her continued illness. Mr. Russel Hunter is about completing a fine new house. Mr. Hunter is evidently a hustler.—The Baptist people of Dundas are remodelling and adding to their church which when finished will be quite an improvement on the old one.—The farmers around Dundas, we understand succeeded in getting in the remainder of their root crops which was snowed under.

**FAREWELL ADDRESS**—The following address was presented to Mr. Samuel K. Todd, Teller in the Canadian Bank of Commerce, Montague, at a smoker held in the Mens Club for him, shortly before his departure for Montreal where he has been transferred. Friend Todd:—It is with mixed feelings of pleasure and regret that we learn of your intended departure to the Canadian Metropolis. We are pleased to know of your promotion in your profession, but are sorry to lose you as our associate and friend. During your sojourn with us, you have been what we term "a good fellow," always willing and agreeable to shoulder your part of any proposed social function, and to say the least, we will miss you greatly. From a business standpoint, you have always been prompt, punctual and courteous and the Montague branch of the Bank of Commerce is losing one of the most popular clerks that has been in its employ in this village. We in conclusion, ask you to accept this small token of remembrance from your friends and well wishers as an earnest of the esteem in which you are held by us. (Signed) Pool & Thompson, Limited, J. **A Service of Fulfilment  
---Not of Promise!**

An inspection of our new British-woven tweeds, serges and worsteds will convince you that style and service will start with the proper selection of the fabrics for your Suit or Overcoat.

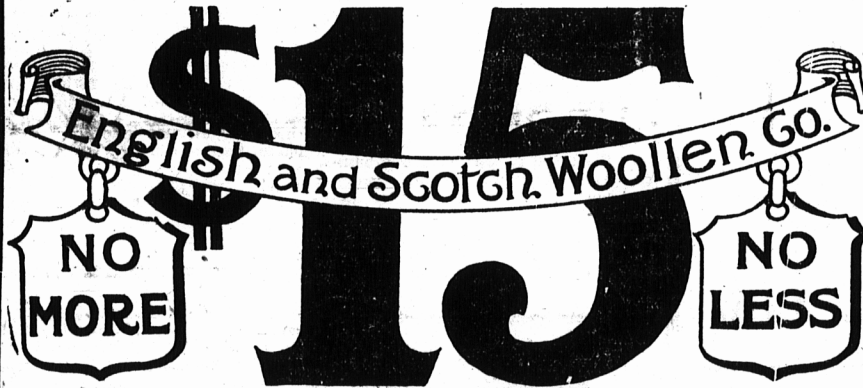

But it does not end there!

Individual Tailoring plays a big part in our SERVICE. It is distinctly a tailoring of the higher class. The same consummate skill of design, the same careful attention to exactness of measurement and nicety of detail characterize the tailoring done for you here as it would were the cost to you much greater, indeed.

With all these points rigidly adhered to, The English and Scotch Woollen Company can render you a service that gives an entirely new meaning to the word. It is a service of deeds, not words; a service of fulfilment, not of promise!

Is such a service worth anything to you? Come in today and let us give you this service—instead of talking it to you.

**Made to Your Measure**

"Pleasing people! That's the most fascinating job in the world! In fact, a large margin of our profits lies in this satisfaction—a pleased customer. We conduct our immense business on the principle of 'Live and Let Our Customer Live' and it pays. It pays big. It pays in satisfaction to us and to our steadily growing clientele."
