A TONIC FOR MOTHERS.

The happiness that comes to a home with baby's advent is too frequently shadowed by the ill-health or weakness of the mother. To restore the mother's strength, to bring back vigor and energy and to sustain her during the nursing period, Dr. Chase's Nerve Food is undoubtedly the most affective preparation obtainable. It makes the blood rich, revitalizes the nerves, and has a wonderful restorative influence on the whole system 50 cents a box, all dealers.

THE CLOSING EXERCISES

St. Dunstan's College held Yesterday Afternoon in College Hall.

The commencement exercises of St. Dunstan's College yesterday afternoon were largely attended. Among those present were Lieut. Governor McIntyre Bishop McDonald, Premier Farquharson, Judge Warburton, Dr. Anderson, Hon, J. H. Cummiskey, Mr. Horace Haszard, Dr. Taylor, and a large number of the clergy of the diocese.

The choruses were bright and capitally rendered, evidencing much care in having them well balanced.

After the chorus, "Softly the night breeze is sighing" by the Glee Club, Mr. C. F. V. Bent read an excellent essay on Coriolanus. The distribution of prizes followed the second chorus, after which Mr. J. J. Pitre elicited the applause of the audience in his piano solo entitled "Valse de Concert."

The distribution of the medals and special prizes was a special feature, the presentation being made by His Honor the Lieutenant Governor.

The valedictory by Mr. J. J. McGowan was a distinct departure from the general line of valedictories delivered at college closings in this Province,

After Rev. James Morrison, D.D. Ph.D. had addressed the students in a thoughtful manner upon their future career in life brief and thoughtful addresses were delivered by the Lieut. Governor, Premier Farquharson, Dr. Anderson, Dr. Taylor and Judge Warburton.

After the commencement exercises a number of old students met in the college hall together with the graduates of the year. The meeting was for the purpose of organizing a St. Dunstan's Alumni Association. His Lordship Bishop McDonald was appointed chairman of the meeting and J.J. McGowan secretary. Letters were read from several old students who were unable to be present, including the Archbishop of Halifax, expressing their approbation of the movement and their willingness to become members. After some discussion on the advantages of such a society, it was resolved that the gentlemen present form themselves into an Alumni Association. The following were the officers elected for the ensuing year:

President—Dr. Conroy
Vice do—Rev. T. Campbell
Treas.—J. J. Johnston
Secretary.—Rev. P. C. Gauthier
Assistant Sec.—C. G. Duffy
Executive Committee—J.J.Hughes M.P. Rev. J. A. McDonald, D. O. M. Reddin, J. Landrigan, Rev. Dr. Morrison, James McIsaac.

The first Annual Alumni dinner will take place on the date of the Commencement Exercises next year.

THE INTERMARITIME TEAM.

Yesterday afternoon the team that will represent this Province at Sussex, N. B. on Thursday next practiced together on Kensington Range. The result was a magnificent score, with a grand total of 737 points, being an average of 94⅝ points per man. The highest score made in this Intermaritime Team match was made by this identical team at Halifax last year when they won the cup with 725 points.
