Worcester's Hockey Teams Importing New Players

MONTREAL, Jan. 21.—With the departure of Cecil Springrigg, the manager of the local St. Ann's hockey club, for Boston today, on the eve of his club's City League game here, Montreal amateur hockey clubs are viewing with alarm the possibility of their being supplanted by the clubs of Boston, Mass. Boston are: Geo. Dufresne, with Nationals of the Eastern Canada Hockey League and Briseau, his team-mate. Billy Bell, former professional player, and at present a member of an amateur club, reported today that a Boston amateur club wanted him to play in their games. The Quebec branch of the Canadian Amateur Hockey Association is in correspondence with Boston amateur hockey heads over the problem.

World's Champion Billiard Record

ROCHESTER, N. Y., Jan. 21.—Alfred Greenleaf, of Philadelphia, world's champion pocket billiard player and present leader of the United States national pocket billiard tournament, broke the world's record for high in pocket billiard championship competition here this afternoon when he surpassed his old run of 100 balls by running 101 balls for the match. Greenleaf defeated former champion Jerome Fogh, of Rochester, 101 to 100.

Alondre's Sheiks Increase Margin

SASKATOON, Jan. 21.—Saskatoon Sheiks led by "Newsy" Lalonde, increased their margin at the head of the Western Canada Hockey League here last night, by a 7 to 5 win over Regina Capitals. The Sheiks now lead Calgary Tigers by two points. Last night's game was a mixture of good and bad hockey. The opening period was featured by brilliant rushes which were followed by lagging play. The Sheiks put on an extra burst of speed in the second and simply ran away from the Capitals. They scored four counters in this period. Regina rallied strongly in the third, outscoring the locals three to one. George Hay was responsible for the first two which were due to weak defensive work while Lalonde's goal to close the scoring, was gift.

CURLING

In the Wright Cup Match at the Curling Rink the following were the scores for Friday and Saturday games.

No. 16 Team
A. W. Hyndman, Skip—11.
Vs.
No. 1 Team
B. Sillitt, Skip—4.

Vs.
No. 8 Team
J. P. Wear, Skip—10.
On Tuesday night a match between the East and West will take place. All players are asked to be on hand.

Gladys Robinson Highly Indignant

PITTSFIELD, Mass., Jan. 21.—Miss Gladys Robinson of the winter carnival, refused to take part in amateur skating events tonight because of reports that she had joined professional ranks. The Canadian skater expressed indignation when informed of the report current in this country that she had forfeited her amateur standing.

Everett McGowan of St. Paul, won the professional races held today in connection with the carnival in the 440 yard and half mile events he finished first with Ed. Lamy of Saratoga Lake, N. Y., second, and Jack Ruting, of Troy, N. Y., third.

Maritime Skating Meet in St. John

ST. JOHN, Jan. 21.—Notification was received on Saturday by officials of the Young Men's Catholic Institute, from Frank White, Maritime Representative of the Amateur Skating Association of Canada, that the Institute had been awarded the sanction for the holding of the school boys' skating meet, and also of the Maritime Skating meet this year. Dr. John R. Nugent, chairman of physical culture, said that plans for neither of these events had been yet formulated.

A Hockey Record is Established

BOSTON, Jan. 21.—What was claimed to be a record in United States Amateur Hockey Association history was set here last night by the Boston Hockey Club and the Maple Athletic Association. The teams after 75 minutes of play were 4 to 4 and the laws governing Sunday observance compelled them to end the game at midnight. At the end of the regular playing time the score stood 3-3. The first ten minutes overtime period was scoreless. In the second extra period each team netted one goal. A third scoreless overtime period brought the contest to an inconclusive finish at 12 o'clock.

Ike Fisher, who formerly played for Mount Allison and later for his home town, Middleton, Nova Scotia, is leading the Boston Maple, the "acknowledged" Canadian team in the Massachusetts city. He has with him Erick Dunn and Clary "Bricky" Morrison, both from Sydney, who have made regular wing positions on the team. Nedder Hurley of the Halifax Crescents, is the regular goalie, and "Chick" Williams, Abbie star, is the centre man. Ernie Mosher, Windsor; Duncan Ghisholin, Antigonish and Reddie MacDonald, Antigonish, are also on the team.

EXPRESS SAVED BY FOG SIGNAL

(By Dominion News Service)
LONDON, Jan. 21.—Passengers in the 3.30 p. m. London to Bourne-mouth express, were startled on approaching Weybridge a few days ago, by four loud reports and the train slowing down. As it always runs without a stop to Basingstoke, they became agitated. Just before the arrival of the train a platelayer was working between Walton and Weybridge noticed a distinct crack in a rail over which the express was to pass. There was no time to reach the signal-box, so he raced towards the oncoming train, placing four fog alarm signals on the rails. The unexpected reports caused the engine driver to slow down, although he could not stop before reaching the crack. Luckily the defective rail held. It would almost surely not have stood the strain of full speed.

West Kent School Ice Sports Shortly

It is understood that the pupils of West Kent School intend putting on a programme of ice-sports at the Arena shortly. A similar programme of school sports was put on by West Kent School last year and a very large number of fans witnessed the events, and were most enthusiastic over the varied programme of races, etc., presented. This year the public may look forward to a programme even better than that staged last year.

BOWLING

A very interesting game was played on the "V" Alloys last evening between the Madisons and Abbatoirs, the Madisons winning out by 2 pins, making them winners of the second section of the city league.

N. S. Tech Defeats Mt. Allison 4 to 2

MONCTON, Jan. 21.—In a fast, though somewhat ragged hockey game played in Sackville on Saturday night, Nova Scotia Tech, defeated Mount Allison hockey squad by a score of 4 to 2. Mount Allison scored the first two goals of the game, but the Tech made a strong comeback and notched up four tallies.

THE COSTLY CATTLE DISEASE

(By Dominion News Service)
LONDON, Jan. 21.—Although the worst centres of foot-and-mouth disease are now confined to Cheshire and Shropshire, there are 28 counties in England in which there have been outbreaks. At the Ministry of Agriculture it was recently stated that up to December 31st, there had been slaughtered—
34,187 Cattle, 16,322 Sheep and 19,784 pigs.
As compensation is paid it is estimated that over \$5,000,000, the cost to the country will be a sum which will be a sum estimated at about \$1,000,000 will be received from the sale of carcasses.
Large as the number of animals slaughtered appears, it is only a small proportion of the total in the country, which aggregates over 6,000,000.
An answer to those who condemn the killing of animals believed to be affected, is thought to be found in the fact that in France and Holland, where treatment is preferred, \$25,000,000 and \$12,500,000 respectively has been lost owing to death and depreciation in value in a single year.
"The Ministry feel they must go on with the slaughter policy," said one of its representatives, because it has given such good results in enabling us to stamp out the disease, and all known facts fail to justify the Government in reversing their procedure.
Six fresh outbreaks of cattle disease were reported in South Cheshire yesterday, making 13 in 24 hours, while six suspected cases are being inspected. The milk yielded is estimated to have been affected by slaughtering to the extent of 7,000 gallons a day.

NEW ATHLETIC ASSOCIATION TO BE ORGANIZED SHORTLY

To Be Known As The Madison Amateur Athletic Association of Charlottetown—Will Make Application For Affiliation With M. P. B. A. A. U. of C.

It looks as though athletics in this city are getting back to pre-war days, that is as far as amateur athletic clubs are concerned. The announcement that a brand new amateur athletic body to be known as the Madison Amateur Athletic Association of Charlottetown to be formed shortly was received yesterday with no little surprise.

After long and careful deliberation the promoters of this new local sport movement have decided that there is sufficient material to form the nucleus of an organization which will in a short time not only make its influence felt in every line of sport but will serve as a boost to Island athletes.

At the present time no list of officers or executive have been appointed, but a committee has been chosen, which in a few days will make a call upon the generosity of the public with a sale of membership tickets for the new organization. When a sufficient number of members are enrolled a general meeting will be called at which officers and different athletic committees will be duly elected.

In order to participate and be recognized in all branches of organized athletics, the club, after organization, will make application for affiliation with the Maritime branch of the Amateur Athletic Union of Canada.

The reporter was informed, in fact emphasis was laid on the fact that the idea of the M. A. A. U. of C. in organizing, is not to interfere in any way with other associations, but to further the splendid record made in baseball last season.

This coming summer the intention is to get into organized baseball, thereby furthering the interests of the great summer outdoor game on the Island.

No doubt as the organization advances in growth, it will direct its efforts in every line of athletic endeavor, including football, track and field, hockey, baseball, basketball, etc.

Abegweits Vs. Crystals To-night

Great interest is manifested in the opening hockey fixture of the P. E. Island Hockey League between the Summerside Crystals and Maritime Champion Abegweits at the Arena tonight.

Strangler Lewis Defeats Sandow

SPRINGFIELD, Mass., Jan. 21.—Ed. (Strangler) Lewis, world's heavyweight wrestling champion, defeated Jack Sandow, of Aberdeen, S. D. last night, winning successive falls.

Limiting Amateurs To Millionaires

(By HENRY L. FARRELL)
NEW YORK, Jan. 21.—Resuming the offensive in the old crusade against professionalism, some of the American amateur sports governing bodies are attaching almost a penalty to a star athlete's name.

To live up to the strict interpretation of the amateur rule, as it is being revised and restricted from time to time, a champion tennis player or a champion quarter-miler must apologize for himself.

The United States Lawn Tennis Association has ruled that, after January 1, 1925, no amateur tennis players can accept any substantial compensations for literary contributions to the press.

Rules passed previously made it an offense, with a penalty of disbarment for any tennis player to engage in the sports good business.

It is the theory of the tennis governing body that a tennis player should never in any way seek ways of capitalizing on the name that he acquired on the court.

Perhaps it would be wrong for the tennis champion to call up the box office and say:

"This is Bill Tilden talking, I would like to have two seats in the first row."

The B. O. wouldn't have the seats and he would reply:

"Being as it is you, Mr. Tilden, that wants 'em, I'll certainly send out and pull in a few from the specs."

This is an extreme case, but in restricting the action of players, the association also approaches extremes.

Writing newspaper articles and selling sporting goods are not the only occupations in which a player might be accused of getting cash on his name.

It would seem that the name of a player over a piece of literature or on the window of a shop is no more a gesture to invite business than the name of a player on a card that gets him by office boys who would not permit an ordinary insurance agent or bond salesman into the sacred precincts of the big and busy boss.

BALZAC AND BUSINESS

LONDON, Jan. 19.—In a speech at the annual meeting of the Peninsular and Oriental Steam Navigation Company, Lord Inchiquin quoted five maxims, which, he said, he found in the writings of Balzac, the French novelist, some years ago.

They still held the field in business, and were as follows:

"Don't beat the bush for others.
Trust no one farther than you can see him.
Never say what you do, but always do what you say.
Keep your hands to yourself and the same with your purse.
Sell your jewels for more than they cost you."

DERELICT BOAT IN NORTH SEA

(By Dominion News Service)
LONDON, Jan. 19.—Mysterious discovery has just been made in the North Sea by the Grimsby trawler Shales, which found a large ship's lifeboat drifting empty 145 miles east-north-east from Spurn.

The lifeboat, which was brought into port contained no food, oars or sails, and bore no name or mark. It belonged to a liner the name of the vessel should be on the boat, and if it had been launched after any disaster and been carried away, it might be expected to contain oars and spares, and possibly food.

ACHE NO MORE!

Minard's stops pain, relieves inflammation, eases rheumatism, neuralgia and all pains.

MINARD'S
"KING OF PAIN"
LINIMENT

A Health Secret

It is frequently claimed by physicians that nine-tenths of all human ills may be traced to neglect to keep the bowels regular and the liver and kidneys active.

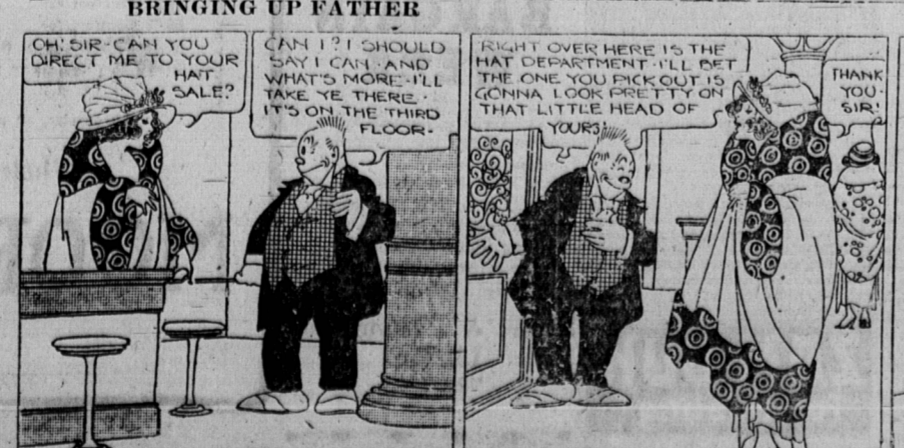

The result is an accumulation of poisons in the system which cause pains and aches and give rise to such dreaded diseases as appendicitis, Bright's disease, diabetes, high blood pressure, etc.

Dr. Chase's Kidney-Liver Pills are the ideal regulators of these vital organs because they act directly on the liver, kidneys and bowels, and ensure a thorough cleansing of the system.

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly.

Likewise Dr. Chase's Nerve Food is 60 cents a box of 60 pills, instead of 50 cents a box of 50 pills. Edmanson, Bates & Co. Ltd., Toronto.

NEW BOX 35 Pills

ANNOUNCEMENT

We take great pleasure in announcing to the public the arrival of the

New Series Star Car, 1924 Model

The "New Series" Star Car has all the advantages of the old. Although introduced only last year, the original Star Car has demonstrated its merits in the service of over 120,000 owners all over the world. And the "New Series" Star Car has greater claim to popularity than the old.

W. C. Durant, master builder of motor cars, has expressed once again in this latest product his great purpose to improve the service of the automotive industry to the public, to advance the ideals of motor car design, construction, appointments and satisfaction in every price class in which he enters a product.

The following Models are now on display in our Show Rooms.

Touring, Special Touring, Sedan

You are cordially invited to inspect them.
