FARMS PURCHASED.—Mr. Rodrick Fraser, Commercial Cross, has bought Mrs. Annie Hayden's farm at Vernon River, and one of the finest properties in the district. Mr. John Lewis, New Perth West, has bought the farm from Mr. Thomas McLean adjoining his own so that Mr. Lewis has now one of the best farms in that section of the county. Mr. Frank Mutch has purchased the farm of his nephew, Mr. Percy Mutch. This is unquestionably one of the finest farms in P. E. Island. Mr. Mutch is to be congratulated on his lucky purchase; also Messrs Lewis and Fraser.—Q.

The annual meeting of the congregation of St. Paul's Church was held last night in the Parish Hall. There was a large attendance and much interest was shown in the proceedings. Mr. G. D. DeBlais, Peoples Warden, presented his report which was adopted. The following vestrymen were elected for the ensuing year: Messrs Percy Pope, G. D. DeBlais, J. E. Bell, Philip Palmer, Harry Winchester, Dr. Beaufield, and Phil Batt.

The following were elected delegates to the Diocesan Synod: Messrs A. B. Warburton and A. A. Pomeroy.

Substitutes—Messrs T. E. McNutt and Harold Palmer.

Delegates to D. C. S.—Messrs W. S. Louison, J. E. Bell and W. R. Aitken.

Auditors—W. H. Aitken and C. B. Longworth, (re-elected).

Votes of thanks were tendered Colonel Leigh and his assistants for the artistic manner in which they had decorated the Church for the Christmas season, also to Mr. Justice Hazard the Superintendent of the Sunday School and the Sisters and teachers and to the choir and organist.

Reference was made to the new vestries which had given additional accommodation and proved of great convenience.

Reference was also made to the splendid work of the ladies of the congregation especially the Kings Daughters.

The financial statement showed a very encouraging condition of affairs in the church. The total receipts for the year amounted to \$9,987.24, a total of \$3,367.25 was subscribed for the memorial fund.

The envelope contributions were the highest in the history of the church and the outlook is encouraging as every member endeavored to pledge for a substantial increase during the year.

On motion it was decided to increase the salary of the rector to the extent of \$300.

At the close of the business meeting a social period followed during which refreshments were served and numbers were contributed by Mrs. Trainor and Mrs. J. P. Hooper. The proceedings closed with the National Anthem.

Burns' Anniversary is an event which is never forgotten in Charlottetown and this year as usual it was observed with a concert held last evening in the Strand Theatre which taxed the seating capacity of that spacious building and was in the opinion of many present the finest Scottish Concert held here for years.

The programme as stated yesterday was exceptionally attractive and to the Caledonian Club, Prof. Barrie who arranged and had charge of the musical programme and all concerned are due hearty congratulations for the great success, which the entertainment proved to be.

The first part of the programme was marked by a grand opening by the Caledonian Club Pipe Band, consisting of Pipers McKenzie, McDougal, Burke and McLeod and drummers McFarlane and Donquette.

Then came a period designated as a happy hour with the Earle Scottish Concert Company, in which the music of the Auld Scots songs newly and superbly arranged, was given in a manner which delighted everybody by Mrs. F. Dingwell, the Misses Dorothy Sutherland, Mamie Ross, Amy Earle and Louise Lawson and Messrs G. E. Ritchie and Arthur Bruce, tenors; Charles Earle and Parker Hooper, basses. Miss Agnew supplied the most pleasing reading "Bairnes Cuddle Doon." Miss Constance McFarlane danced the Edinboro Highland Fling in a decidedly dainty and captivating manner while the reel of four was also superbly executed by little Misses Jean Macdonald and Nora McKenzie, and Masters

Joseph McMillan and Gordon McDonald in a manner which could hardly be excelled considering the youthful years of the performers. The vocal selections by the Concert Company included a Chorus, "Highland Lad" solo and chorus, "Within a Mile of Edinboro Town," with Miss Sutherland as soloist. Chorus, "The Heather of Scotland" Solo, "The Bonnie Muncie," by Miss Mamie Ross, chorus, "Duncan Grey," male quartette, "The Slippy Stone," by Messrs Ritchie, Bruce, Earle and Hooper. Mixed Chorus, "Comin' thro' the Rye," Solo and Chorus, "O for a Friday Night," soloist Miss Amy Earle; Male quartette, "Annie Laurie," Chorus, "Hey, the Dusty Miller," Solo and Chorus, "I'm Ower Young to Marry Yet, soloist, Mrs. Dingwell; Male quartette, "The Waggin' o' oor Dog's Tail," Male quartette, "Whistle over the Love O' It," Quartette, with vocal bagpipe imitation, "The Campbell's are Comin'"; Solo by Mr. Chas. Earle, "A McStickin' Onto His Name," which made a big hit with the Mc's who composed a large portion of the audience; Chorus, "Hark, Hark Cuckoo"; Chorus, "The Keel Row"; Chorus, "All Noddin' which made a fitting ending following Miss Agnew's charming reading "Cuddle Doon."

The second part of the programme opened with bag pipe selections by the Pipe Band; a song "Come Under My Plaidie" capitolly sung by the old favorite, Mr. Robert Lamont; Dance, Gillie Calum, executed by Master Raymond McNeill of West River in that finished manner which has featured his dancing for some years past, an exceptionally pleasing duet, "O Dinna Think, Bonnie Lassie," by Mr. Charles Earle and Miss Amy Earle; a Harry Lauder song sung in taking style by Mr. M. Power of Johnston's River who also contributed a step dance which made a decided hit as did also the Eightsome Reel, as danced at the Royal Caledonian Ball, Hotel Metropolitan, London and splendidly danced by Misses Helen McDonald, Elsie Biffin, Marion McDonald, Constance McFarlane, Masters Ed. and McCornac, Ralph Cameron, Joseph McKinnon, Sterling McKinnon and the Highland Fling danced by all the Scottish dancers, Mrs. F. Dingwell in a solo, "My Home is where the Heather Blooms," from the Opera, "Rob Roy" was heard to great advantage and Mr. Charles Earle in a new song lately received from Scotland, "Scotland My Ain," scored a decided success. Many of the performers were enthusiastically cheered, "Anch Lang Syne" and the National Anthem brought to a close an entertainment which proved highly enjoyable from every standpoint. The musical director was Prof. S. N. Earle, whose ability as a concert organizer and director is known throughout the province and who certainly never put on a better Scotch concert than that of last evening.

This splendid entertainment will be repeated this evening when those who were unable to be present last night will have the opportunity of enjoying this feast of song, music and entertainment.

WEDNESDAY

The death occurred at her home in Summerside on Saturday last the 24th instant of Miss Janet Marger, Miltreath, second daughter of the late Hon. James Muirhead. The deceased was a lady of beautiful character and her death will be sincerely mourned by a large circle of relatives and friends. There are left to mourn these ladies, Colin of Seattle, William of Kamloops, B. C., and John of Summerside and five sisters, Mrs. J. D. Enman, Wetaskiwin, Alra., Mrs. S. F. Hodgson, Charlottetown; Mrs. W. B. Morrison, Detroit; the Misses Zilla and Alexandra of Summerside. The funeral took place on Monday and was largely attended. The Guardian tenders sincere sympathy.

Mr. G. W. Harrison was given another pleasant surprise yesterday when the members of his staff in the Canadian Bank of Commerce presented him with a handsome and valuable electric table lamp. The presentation was accompanied by an address, expressing regret at his departure, appreciation of his unflinching kindness and thoughtfulness and congratulations on his promotion to a larger and more responsible position in the service of the bank. Mr. Harrison feelingly thanked the donors for their gift and particularly for their kindly worded address. He would always have a warm spot in his heart for the members of his staff at Charlottetown whom he had always found capable as well as obliging.

Mr. and Mrs. Harrison intend leaving tomorrow morning for their new home at Stratford, Ont.

COUN. RILEY ACCEPTS NOMINATION.—Mr. D. J. Riley, City Councillor, authorized The Guardian to state that at the request of a deputation of citizens he has consented to nominate as a candidate for the Mayorality at the forthcoming election.

THE MARKET.—There was a fair market yesterday with retail prices about the same as all along. The outstanding feature in the buying line was the price of pork which went at as high as 23 1/2 cents for light and from 16 1/4 to 18 cents for heavies. Dealers were paying 25 to 30 cents per pound for poultry (fowl) and it was retailing at from 35 to 40 cents lb.

The Burns entertainment was repeated last night to an audience that taxed the seating capacity of the Strand Theatre. So great was the demand for seats that when all were sold tickets were bought at a premium from holders. The programme last night was the same as on the previous night and was equally enjoyable. The entertainment was unanimously voted the most successful and enjoyable ever given under the auspices of the Caledonian Club.

A BIG FUR DEAL.—Without doubt the largest sale of furs by one breeder was made yesterday when Mr. B. I. Raynor of Alberton, sold his silver fox furs a total of 150 skins to Mr. Chester McLure of Charlottetown. 150 silvers from one ranch is just another proof of what is being done on P. E. Island in the fox business. Mr. Raynor, one of the pioneer fox men, is to be congratulated on his sale. He knows when and where to sell. The cheque tendered was a handsome one and doubtless the largest that any individual rancher has ever received. McLure certainly gets the big ones.

The death occurred at her home Rochford Street this city yesterday afternoon at 5.30 after a protracted illness of Miss Annie R. Foster, youngest daughter of Mr. and Mrs. George H. Foster of this city. The deep sympathy of the community goes out to the bereaved parents, brothers and sisters in their sad loss. The deceased was a young lady of splendid character and many excellent qualities and sincere regret will be felt by all to learn of her demise while in the very bloom of youth. Before her illness she was a valued employee in the office of the Department of Marine. To the bereaved family The Guardian extends sincere sympathy. The funeral takes place Friday at 2.30, Internment St. Peter's Cemetery.

The principle part of the two sessions was occupied with discussions regarding the first Forward Movement. It was found that the District was well advanced respecting organization. Charlottetown for example reported 40 canvassers in readiness for the big financial drive beginning Feb. 9th.

Several of the laymen present were stimulated and new vision of Christian responsibility came to them. Mr. Jas. Matthews hitherto not over optimistic expressed his growing interest in the great work.

At the evening session there were short addresses by the chairmen, Rev. H. Pierce, J. A. Moore, M. S. Acorn, Jas. Matthews, Mr. Hardy, R. Creed, Rev. O. H. Peters, Rev. H. A. Brown, Rev. E. S. At first the challenge was treated each day was creating a keener interest in the great undertaking.

The outlook for the district is most promising.

A vote of thanks was passed for the splendid hospitality of the people shown to the District during its stay in Union.

Mrs. Prowse has been in Picton for the last two weeks called there by the illness of her father. Owing to a delay in the telegram Mr. Prowse was unable to get over to the funeral.

Captain Fraser who was in his 82nd year held a prominent position among sea-faring men. For many years he was Captain of vessels ranging from London to Australia. He retired from the sea about twenty years ago and has since resided in his native county of Picton. He is survived by his widow, three sons and two daughters.

HUB OF THE EGG CIRCLES.—In the last issue of the Country Gentleman, (January 24th) published in Philadelphia, Pa., appeared another excellent article of special interest to Prince Edward Island. It is entitled "The Hub of the Egg Circles," and was written by Charles L. Oppert, a special writer for the Curtis Publishing Co., who visited this province last summer and who wrote an article some time ago in the same journal about the same subject. The article gives a detailed account of the history of the Canadian Farm Products, Ltd., and the wonderful achievements brought about by cooperation. The article after summarizing figures of the year's transactions of the company says: "This achievement has been made possible largely through the efforts of William Kerr, who started the present combination and still acts as its directing head. Prince Edward Island Eggs, the standard brand of the company, enjoy an enviable reputation for excellence in the important egg markets of North America. All this has come about simply through the application of good business methods to cooperative effort. The secret of success is a standardized product in sufficient volume to maintain an export marketing system. Proper organization and adequate finances have helped to bring these two things about. The article contains several illustrations, among them a fine-smile of the egg candlers' report with all the details, and another a snapshot of Mr. Kerr at the wheel of his trusty flyover."

Stellarton and Charlottetown fought through sixty minutes of strenuous and most exciting hockey at the Arena last evening to a 5-5 tie. In an extra ten minutes of thrilling play each side netted the rubber once and the game was called 6-6. From the beginning it was fast clean hockey void of penalties. The visitors are a fast experienced team each man playing his position perfectly. In offence and defence they are one of the strongest teams ever appearing on local ice and the fast and so far invincible Abegweit found a team worthy of their mettle. As in all their games the local team was unable to strike its stride in the first period which ended with an adverse score of 3-0 goals against them. In the second and third periods the red and black awakened to their task forcing the visitors to forty minutes of the most exciting hockey seen here for some time. The Abegweit forward line were faster than the Stellarton forwards but the strong defence composed of Cook and Fraser proved a hard obstacle to get over. Kirby in the nets for the visitors played a phenomenal game saving the situation time after time in miraculous fashion. He is claimed to be the best goal tender in the lower provinces.

For Charlottetown Rodd, Campbell, McEachern and in fact the entire team played wonderful hockey. Gordon as in all previous games excelled in back skating, catching Cook time after time when the latter seemed most dangerous.

At the opening of the second period the defence of the locals looked far from rosy but their supporters were far from being discouraged and their confidence was not misplaced. Shortly after play opened they notched their first tally. Stellarton following quickly with another. The local team then forced the play for the remainder of the period keeping Kirby busy clearing the net. The period ended 5-4 in favor of Stellarton.

The third period was twenty minutes of spectacular playing which kept the large crowd on their feet continually.

Charlottetown after some of the most furious hockey tied up the score and the game ended 5-5. It was agreed to play ten minutes overtime and during this extra session each side tallied once and time was called with the game still a draw. James Herrell as referee was impartial throughout using good judgment in all his decisions and giving satisfaction

to both teams and the most rabid fans. The two teams clash in another fixture tonight and a bumper house is expected to witness what will probably be another thrilling game.

The teams lined up as follows:—
ABBIES: Kinsman Goal, Moore L. Defence, Purcell R. Defence, Rodd Centre, Gordon L. W., L. Campbell R. W.
STELLARTON: Kirby Cook, Fraser Sullivan, McDonald, Higgins

SUBSTITUTES: C. Campbell Henderson, McEachern Brooks, Buntain

The second half no sooner opened when Blanchard sent in No. 2 for Charlottetown.

A few minutes later Perry scored for Summerside.

The third and final tally was made just before the gong sounded Nash doing the trick.
