Stock Markets At A Glance

CHICAGO, June 29 — (AP) — Grain markets slipped after midsession today but the break uncovered resting demand and prices rallied during the final hour of futures trading.

WINNIPEG, June 29 — (CP) — Little activity was shown on the Winnipeg Grain Exchange today, trading turned dull in both export and domestic markets.

TORONTO, June 29 — (CP) — The buying tapered off on the Toronto Exchange today, possibly under the influence of the double holiday immediately ahead, and prices weakened moderately over the board. The market will reopen on Tuesday, following Dominion Day Holiday.

Despite the general note of softness the gold group harbored some strong issues. Among them were Pioneer, up 30 cents to 6.40, Duquesne, up 17 cents to 1.25 and Elder, up 11 cents to 1.02. Duquesne traded 71,500 shares and Elder 58,000 shares.

MONTREAL, June 29 — (CP) — Prices stiffened a bit in late preholiday trading today on the Stock Exchange and Curb Market in comparison with Thursday's pronounced lower trends. Declines were ahead of gains, however, though many key securities were unchanged.

Trading box score: Total sales: 141,000 shares; industrials 70,000, mines, 71,000; stocks higher 41; lower 70; unchanged 65.

NEW YORK, June 29 — (AP) — The Stock Market made an effort to regain its stability today but was only partially successful. Selling, relatively heavy in the forenoon when declines running to three or more points were widespread among rails, steels, motors and pivotal industrials, dwindled after midway and timid bidding appeared. While the ticker tape loafed extreme losses were reduced There was a smattering of modest plus signs at the close.

The Associated Press 60-stock average was off 6 of a point at 63 and had wiped out virtually all of its advance of the preceding two weeks.

JOHNNY CAKE
