

Style and Finish

Without quality can't make permanent business. But quality without style and finish never gets any business. It's so the world over. So we crowd in our boots all that catches the eye—but we never forget to put into them that inherent wearing value which makes them "stand the racket." One of the correct things for men's wear is a heavy leath' box calf with wide toe, leather lined. Four fifty.

THE FIRST WOMAN DRUGGIST.

According to the "Dziennik Narodowy" (Chicago), the first woman druggist in Russia has just been licensed to do business in St. Petersburg. She is Miss Antonina Lesniowska, a Polish lady, and her shop is one of the busiest sections of the Nevsky Prospect.

Itching, Burning Skin, Cracked Hands, Sore Ear.

Two Illustrations of How Dr. Chase's Ointment Cures Itching Skin Diseases and Eruptions.

Mr. James McIsaac, 25 Elgin St., Ottawa, Ont., writes:—"I suffered with salt rheum for upwards of ten years, the skin on my hands cracking and breaking so as to make them useless. After trying all sorts of remedies in vain, I became discouraged and thought my sufferings would never end. Last spring I used Dr. Chase's Ointment and in a short time was perfectly cured."

Mr. B. Nicholson, Manor House, Winnipeg, Man., writes:—"For several months I had been troubled with eczema on my ears, and for weeks I doctored with a prominent Winnipeg physician, but to no avail. I was induced by a fellow sufferer to try Dr. Chase's Ointment, and am happy to say that the first application gave instant relief. I am completely cured, and have had no return of this troublesome disease."

There is no limit to the healing qualities of Dr. Chase's Ointment. It is remarkably quick to relieve and positively cures each and every form of itching skin disease. 60 cts a box, all dealers or Edmanson Bates & Co., Toronto.

Sabbath Desecration.

SIR.—Your remarks in to-day's issue regarding the late disgraceful desecration of the Lord's day, are timely and some too harsh.

We await to see if our other local journals will boldly denounce the affair, and if our local pulpits are independent enough to condemn all connected with it.

No doubt the magrates seeking pleasure on the Lord's Day as best suited to their tastes said, "We will bribe P. E. Island, Little Peddington will snap at the bait, regardless of the laws of God and man," and so it was. Now, I ask what are they going to do with the price of blood? Will they dare to show it as part of the yearly accounts? We hope not. Give it to the poor? We hope not. Rather throw it into the Hillsboro, or purchase a potter's field to bury strangers in. Premier Farquharson has surely lost many votes by leading in this outrageous transaction.

SUCCESS OF A COUNTRY SCHOOL TEACHER.

THE BIGGEST MAN IN THE WORLD.

The biggest man in the world is Brenni, the Swiss giant. There are several Swiss giants, but Brenni overtop them all with his height of 9 feet 7 inches, and he is a big man in proportion. His clothes cost him seventy-five dollars per suit, and he cannot get into an ordinary railway carriage.

CARNEGIE'S SCHOLARSHIP.

A London despatch states the students of Scotland are holding aloof from Andrew Carnegie's free scholarship in the Scottish universities. The executive committee in charge of the awarding of the Carnegie's scholarship reports that few students are accepting them, the young men showing an independence that has been characteristic of their race.

DEPRESSED AND DISCOURAGED.

It is remarkable how thoroughly the whole system is thrown out of order when the nerves become weak and exhausted. All energy and ambition seems to disappear, the mind wanders, memory fails and despondency reigns supreme. Dr. Chase's Nerve Food puts new vim and energy into the brain, nerves and body, builds up the system and prevents paralysis, prostration and insanity.

WHERE THE SEDAN CHAIR EXISTS.

The Sedan chair exists in Orleans, a bustling town not far from Paris. In this pretty city, says a Paris newspaper, especially on Sundays at the hour of mass, the classic Sedan chair, as it was known to the gallants of the eighteenth century, is borne through the streets by robust carriers, its occupants being aged people and invalids, to whom the jolting of a carriage is intensely disagreeable.

KUMFORT Headache Powders are safe, pleasant, and effectual. They contain no opiates or any harmful drug. They create no habit from continued use.

WAR UPON DINING ROOM MUSIC.

London has declared war upon music as a dining-room feature of hotels and restaurants. It is asserted that it is destructive of that important accompaniment of a pleasant dinner—easy talking.

For the masses not the classes, BEN TLEY'S Liniment is the family medicine best. Price 10 and 25 cents.

LIGHT FROM SMOKE.

A Belgian engineer, Toblansky, has invented an apparatus for producing light from smoke. It appears that the origin of the smoke is a matter of indifference. It is simply forced into a receiver, where it is saturated with hydrocarbons, and can then be burned giving a brilliant illumination.

To cure a headache in ten minutes use Kumfort Headache Powders.
