WILBUR WRIGHT MAKES NEW RECORD

LE MANS, Dec. 19.—Wilbur Wright closed a triumphant day by achieving another record, flying to a height of three hundred and sixty feet in a strong wind and winning the Sarthe Aero Club's prize for height. At first it was thought that the violence of the breeze would compel Mr. Wright to postpone his effort, but undaunted he launched his machine and circled around and around the field. When soaring at ninety feet, a sudden gust of wind caught the aeroplane side-backward. The spectators were terrified. Mr. Wright remained unperturbed and soon righted his craft. At the end of fifteen minutes the wind had moderated and the aeroplane shot upward and passed high over a line of captive balloons, marking a distance of three hundred feet. Then it descended and, after again circling the field, was brought to earth and in front of the door of the shed in which it is housed, landed.

NIAGARA FAMOUS FRUIT BELT TRADE

ST. CATHARINES, Ont., December 19.—That the trade in fruit from the Niagara fruit belt is being developed with the Canadian West to an astonishing degree, is indicated by the fact that this season no less than seventy carloads of fruit were sent to the West by the St. Catharines Cold Storage Company alone.

The California peach is still too strong a competitor for us to hope to do much trade in peaches in the West," said a prominent fruit grower. "Our peaches are still too juicy to send all that distance, and until we can manage to cultivate a dryer sample we will have to let California have the run out that way."

EMPRESS OF BRITAIN'S MANY PASSENGERS AND BIG MAIL
