UNITED SERVICES CLOSE.—Rev. J. S. MacKay and Rev. Mr. Calder closed a series of united evangelistic services at Tryon last Friday evening, two weeks in the Presbyterian church and two weeks in the Baptist church. The services proved to be a time of refreshing to the Christians, and many souls were converted.

LADIES HOCKEY TEAM.—A ladies' hockey team has been organized in Charlottetown with the following officers:—President, Mrs. W. A. Brehaut; Vice-President, Miss Dalton; Secretary, Miss Freda Haszard; Executive, Misses Lucy Blanchard, Ethel Haszard and Rose Ryan. Mr. Percy Rodd has been selected as coach. There is some talk of a ladies' hockey team being organized in Summerside, and a match with Charlottetown girls would arouse much interest.

DR. VON ALLEN URGES ACTION.—Rev. Dr. Von Allen, rector of the Church of the Advent, Boston, who visited Charlottetown last summer, speaking Sunday night in Boston at a largely attended service of intercession for Belgium, said:—"The Allies should make no truce with slave drivers. The President should tell Germany, 'he continued, "to free Belgium or take Von Bernstorff back. Let the people of America have broken her faith. Our national honor is in the dust. A noted statesman charges us. The United States should respond. We should condemn a violation of international rights. If Germany is victorious in this war the policy of the world would be adopted. The enslavement of all mankind would be the result."

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE If Cross, feverish or bilious give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, hiccough, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you will have a well, playful child again. Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

There was an unusually high tide, the ice being flooded at this point. After some difficulty the horse was rescued, and the two men got the animal and the ice and started for home, both on the ice and waist-high in water. An electric light is badly needed at this corner of the town, especially in the winter season, when so many teams drive on and off the ice after dark.
