A few of the members and choir of the Presbyterian Church Kensington assembled at the home of Fred H. and Mrs. Clark Wilmet, on Friday evening last, when Mrs. Clark was presented with a costly dinner set also two beautiful pictures and the following address read by George F. Brown. We wish this evening in the half of the members of the Presbyterian Church of Kensington to improve to you our high appreciation of that position. We as a congregation owe you a large debt of gratitude, for the efficient way in which you performed your duties, for your promptness at all times in storm, as well as in sunshine, and for the kindly disposition you ever manifested to all. It years to come we shall recall with pleasure many happy memories associated with you and our services of song. We have often sung "Blest be the tie that binds our hearts in Christian love," perhaps separation from each other brings this truth more forcibly before us. As you enter a new sphere of life in your own home, we assure you that you will not be forgotten by us, and that we will be still deeply interested in your welfare. We wish you and Mr. Clark true happiness and prosperity through life, and at last the reward of the faithful in that life which is eternal. Please accept this set of dishes and pictures as a slight token of our esteem and good wishes. Signed in behalf of the Presbyterian congregation of Kensington Rev. A. D. Stirling, William Brown, David Proffitt, George Murray, Dr. Darrach, C. A. McNutt, W. B. McArthur, John G. Townsend, Archibald McMurdo, J. M. Laird, Jas. W. Stewart, Geo. E. Brown. Mrs. Clarke responded with a fitting reply thanking those present and other friends for their kindness, after which Rev. Mr. Stirling closed with a few well chosen words suitable for the occasion.

On Monday evening, Nov. 22nd, the members of Prince William Division S. O. T., Margate, celebrated the 47th anniversary of their division by holding a public entertainment. The weather being fine, a large number assembled to show their appreciation of such an auspicious occasion, while the excellent order maintained throughout the whole proceedings was a credit to the citizens in and around the community. J. F. Proffitt performed the duties of chairman, while the following program was carried out:—Instrumental selection by C. Woodside and G. W. Proffitt; Remarks by Chairman, Quartette by Geo. and Mrs. Brown, Miss Mabel and Harry Brown; Recitation by Miss Annie Thompson; Solo by John Howard; Dialogue, entitled "Way down East," by John Howard, H. Brown; Misses Ora Proffitt, Blanche Howard and Beatrice Mountain; Instrumental duet (organ) by Misses Mamie Thompson and Ruth Howard; Duet by Misses Mabel Brown and Blanche Howard; Recitation by Turner Glyden, Solo by Miss Blanche Howard; Recitation by Miss Sadie McKay; Instrumental music. At the close of the program a number of baskets were auctioned by Frank Marks and John Howard, which realized a sum of over \$30, which goes to pay the balance of indebtedness on a new organ recently purchased by the division.

John Dickieson is the agent. 3-11dr1. —Many will be surprised to hear of the death of Edward Birch, Belmont, lot 16, on the evening of the 24th inst, at the early age of 32 years, after an illness of only about two weeks, of Typhoid fever. Mr. Birch was a son of the late Thos Birch of lot 16, and leaves a widow and two small children to mourn the loss of a kind husband and father. Much sympathy is expressed for the bereaved family. The funeral occurred yesterday afternoon. —Even if a Heating Stove is not needed, it is worth while to see the really superior Base Burner made by the celebrated Gurney-Foundry Co.—the largest manufacturers of heating stoves in the world—and sold by Grace, McKay & Co., Ltd., Summerside. The "Art Laurel" as their masterpiece and even competitors acknowledge it to be ahead of any other base burner made today. One of its many commendable features is the splendid fire construction, designed to radiate the greatest amount of heat with a medium amount of coal. Its simple work, while exceptionally artistic and massive, has no recessed slipper work to accumulate dirt and is such that it may be cleaned by simply wiping off. In short, the beautiful design, massive and solid appearance, with its perfect finish, its superior weight compared with other Base Burners, its ease of operation, economy of fuel and evenness of temperature all combine in placing the Art Laurel in the very front rank as an "Ideal Home Comforter" and at a cost not exceeding what others ask for ordinary finished and constructed light weight Burners. Write Grace, McKay & Co., Summerside, for booklet, if it is not convenient to call at their show rooms. 11-26dr1.

I do certainly encourage any person to keep Zam-Buk in their homes. It truly does more than you claim for it. Yours very truly, ROGER F. PERRY, Justice of Peace for B.C.
