TRYON AND BONSHAW.—Service will be held in the Baptist Church, Bonshaw, on Sunday next at 11 o'clock and in Tryon Baptist Church at 7 o'clock.

SPRING FISHING.—The fishermen around Murray Harbor, Cape Bear and vicinity are getting ready for spring fishing. They expect to have large catches of lobsters, herring and cod.—Q.

FLOURISHING ORDER.—P. A. Lodge, No. 14, I.O.G.T., held their weekly meeting in the Temperance Hall, Murray Harbor, on Sunday last. It certainly shows that some good work is being done by this lodge when one looks at the roll of members. Friday night's meeting proved very entertaining as nearly every member present contributed to the good of the order. The writer must say this lodge deserves its good fortune especially as it has such old members as Bros. Arch. MacDonald, W. H. Robin, W. S. Hugh, Henry Jordan and many others.—Q.

AGED LADY ENTERTAINS.—A very noteworthy event took place in Gladstone on Monday, March 17th, when Mrs. (Capt.) John Horton entertained her friends at her home. Mrs. Horton is one of our oldest inhabitants, having reached the old age of 88 years. Last fall while visiting at Murray River Mrs. Horton met with a very painful accident her hip being fractured badly. The fracture took a long time to heal but as soon as it was possible this old lady sent invitations around to all her old friends to gather at her home. The invitations were accepted and Monday evening was spent very pleasantly by all parties. Her old friends on leaving expressed themselves as well pleased with the enjoyable evening spent.—Q.

SWEET SOLOIST.—At the Hazlebrook Baptist Church on Sunday afternoon, Miss Victoria Jenkins sang sweetly and effectively. The band that was wounded for Me. She was accompanied on the organ by Mrs. M. W. Wood.

LARGE SHIPPER.—Mr. M. W. Wood, of Mt. Herbert, the well known butcher and shipper of all kinds of meats, has handled a large amount of stock this winter. Last week alone Mr. Wood handled over 80 head of cattle along with a number of dressed hogs. Although beef is so high and scarce Mr. Wood always seems to have plenty on hand and is lucky to have such a smart butcher as Mr. Daniel McDonald.—Com.

SAD BEREAVEMENT.—The many friends of Mr. T. Bartlett, Marconi operator at Cape Bear, will be sorry to learn of his recent bereavement, when last Thursday night there passed away, at his home, the infant son. He had been sick for some time and was reported as better but the following evening he entered into a peaceful sleep from which to never wake again. Although mourning for their little son they still are anxious about their oldest daughter Mildred who is ill with la grippe and reports say she is no better. The whole community sympathizes with Mr. and Mrs. Bartlett in their loss.—Q.

A SOCIAL TIME.—On Tuesday evening, March 17th, the Temperance Hall, Murray Harbor, was flooded with light and laughter. The young people of the Presbyterian Sunday School had been having a contest for some months back, this contest being a trip through the Holy Land to Jerusalem. Both sides came out ties and decided to have a social. A number of friends were invited and the evening passed very pleasantly for both old and young being filled up with games, song and laughter. Mr. Albert Horton ought to be congratulated on the success of the Sunday School in this place.—Q.

MISS MARY A. LOGAN.—On Tuesday, March 17th, there passed peacefully to rest all aged citizen of Victoria, Miss Mary A. Logan. The deceased was in failing health since last summer, and although it was known she could not last long yet she was called to her eternal home sooner than expected. She had attained the age of 75 years, and leaves to mourn two sisters, Mrs. Jane of Victoria and Mrs. Chappell of Pugwash, also one brother, Alexander, of Boston. The Rev. Mr. Hatfield, Hampton, officiated at the house and at the grave, owing to the unavoidable absence of her pastor the Rev. Mr. Douie. Interment took place at Craupad Episcopal Cemetery. The pall-bearers were Messrs. K. C. Holm, James Lea, Robert McDonald, D. J. Cameron, Johnson Lord, and Wilfrid McQuarrie. Mr. D. S. McQuarrie filled the capacity of undertaker.—V.

at the hotels and a call made upon the citizens to bear the expense. This is to be one of the most important conventions that has been held in Charlottetown in some time. Any persons who can entertain delegates are asked to telephone the committee headquarters at the Y.M.C.A. today.

COMING Y. M. C. A. DELEGATES.—More than 150 registrations of delegates for the Boys' Work Conference are now in the hands of the committee and there is a good prospect that the attendance will exceed all expectations. The boys will come here from every part of the province. All the committees have their work well in hand, except the billing committee which is experiencing considerable difficulty to find homes enough to entertain the delegates. It is desired that Charlottetown's reputation for hospitality shall be maintained and that these youths, who are representative of the best in the province, having been selected from the churches by the ministers, should be made heartily welcome while they are here. They will be the guests of the town from Friday evening to Monday morning. The various churches have taken upon themselves the responsibility of providing entertainment for these boys and every adherent should feel it their duty to accommodate as many as they can. Several more homes must be provided or a number of delegates will have to be entertained

# New Haven Fox Co.

## Share in the Profits of 1914

Shares \$25.00 Each

### An Established Ranch That Has Met With Success

It would seem to be a safe investment to invest your money in a proposition that has been paying good dividends. This is what they have been doing in the New Haven Ranch.

This ranch was started about four years ago and has met with good success. In the New Haven Ranch are a number of foxes, owned by private parties, who have merged their interests and formed a joint stock company to be known as the New Haven Fox Company, Limited.

In this ranch are a number of proved breeders who have paid handsome dividends to the owners during the past years.

### A Good Proposition

This we believe to be the best opportunity offered this season and should pay dividends of not less than 75 per cent, and it is quite possible for a proposition of this kind to pay 300 per cent.

We know of instances where people in this province have made 1300 per cent in a similar proposition.

### Only a Small Lot Offered For Sale Now
