## JAPANESE BALLOONS AS WEAPONS

### Potatoes Reach France In Excellent Condition

OTTAWA, May 22 — (CP) — Two steamship loads of Canadian certified seed potatoes, the first such shipment to Europe in 20 years, have arrived in France in excellent condition despite the fact they were packed only in ordinary sacks and stored in ordinary cargo space without special cooling facilities, the Department of Agriculture announced today.

The approximately 200,000 bushel shipment of New Brunswick and Prince Edward Island grown seed potatoes were the first from this country since it was established, this also then a European embargo which prohibited the export of potatoes to the British Isles in 1926. For some time in effect against North American grown potatoes because of the presence of the Colorado potato beetle.

Department officials said however that since it now is established this potato bug is prevalent in several European countries, it is possible European markets may be reopened, at least for high quality seed potatoes from Canada.

Total exports to all countries of Canadian certified seed potatoes from the 1944 crop to date total approximately 3,000,000 bushels. The best previous year was in 1939 when about 2,500,000 bushels were exported.

### Urges Return To May 24 Holiday

(By The Canadian Press) TORONTO, May 22 — John E. MacNeil, Progressive Conservative member of Parliament for Toronto-Davenport, said today he had wired acting Prime Minister Mackenzie King, urging the wartime regulation abolishing May 24 as a statutory holiday be rescinded.

### ANNUAL MEETING OF BOY SCOUTS

The Boy Scout Movement has made great progress in Prince Edward Island during the past year, according to reports submitted at the annual meeting of the Provincial Association held in the City Hall last night.

President R. S. P. Jardine and Commissioner K. M. Martin were elected at the meeting, at which it was announced that Boy Scout Week will be held in the Province during the third week in September.

After the reports of President Jardine, the secretary, Major Alex Knox, and the Provincial Commissioner, Mr. K. M. Martin, were read, the Provincial Commissioner, Mr. S. J. Davies, gave a brief address in which he stated that there were now 12 Scout troops in the Province and nine Wolf Cub packs. In Charlottetown there were six troops and five packs.

Picking up the Province as a whole, Mr. Davies thought there were about four times as many boys in the Province now as there were a year ago. In Summerside, he said, great progress was being made in the movement and that Scout activities there could be about four times as many boys as there were a year ago.

Plans were already completed for holding the Provincial Convention of the Boy Scouts of Prince County, which will be held at Camp Perimeter, near Deception Bay, on May 24th and 25th.

Legion Dance, Belfast Hall, Friday, May 25th. Luncheon served, 5-23-21.

### Southport Man Wins Prize At St. F. X.

ANTIGONISH, N.S., May 22 — (CP) — Prize list for St. Francis Xavier University convocation tomorrow includes:

Aggregate second year engineering — Alban Joseph Callaghan, Southport, P.E.I.

- Loading hogs every Friday for Davis & Fraser Ltd. Prizes collected for trucking service to N. A. Cutcliffe, Fredericton. D. L. MacDowell, Fredericton. 5-19-22-23.
- An evening of laughs is assured all who attend the Play "The State Shoots the Works" to be presented by the Sterling Women's Society on the evening of May 24th in the Masonic Hall at Stanley Bridge. 5-19-22-23.

### Maj. McDonald Nominated In Third King's

MAJOR J. A. MACDONALD

Major J. A. MacDonald was nominated as Progressive Conservative candidate for the Third District of Kings in the provincial by-election set for June 4 at a large and enthusiastic convention held last night in Cardigan.

Dr. MacMillan particularly scored the Jones Government for calling the by-election at this inopportune time, when the farmers are busy and when the great many members of the service forces of the district are still overseas, and with no chance of voting.

Major MacDonald, who is a son of Senator J. A. MacDonald and Mrs. MacDonald, is a native of Cardigan, where he was born in 1913. After attending Cardigan public school he was for two years on

### Two New Army V. C. Winners

OTTAWA, May 22 — (CP) — The coveted Victoria Cross has been awarded to Maj. Frederick Albert Tiltson, 39, of Windsor, Ont., and Toronto, who lost his legs and right arm in the attack on the German and Netherlands actions this spring.

The awards — ninth and 10th to Canadians in this war — were announced today by Defence Minister McNaughton. In the first Great War 60 Canadians won V. C.s.

Maj. Tiltson, Essex Scottish Regiment company commander and peace-time pharmacist, lost his legs by amputation shortly after gallant action in the Woodhead Forest of Germany March 1, in which he was wounded three times and which led to his award.

Sgt. Cozens, Queen's Own Rifles of Canada platoon commander and peace-time Northern Ontario railwayman, was killed by a

### Heavy Storm Damage In Three Rivers Area

### Bacon Ration Cut In Britain

LONDON, May 22 — (Reuters) — Col. J. J. Llewellyn, minister of food, announced today that the bacon ration for Britons will be reduced from four ounces a week to three ounces, starting "next week."

He also said the domestic ration of oils and fats will be reduced by one ounce a week during the summer months, cutting the cooking fat-ration from two ounces to one. The soap ration is to be reduced for the time being by one-eighth ounce, except for babies and young children.

The food minister also announced a cut in the number of pounds available for canned meat, from 24 to 20 from the beginning of the next ration period.

He said he hoped to maintain the current cheese ration of two ounces a week.

### Tells How Tignish Man Was Hidden By Underground

TORONTO, May 22 — Overcoming language difficulties with the aid of friends, who translated French into English and English into French for her, Mrs. Hilda Dudley of Toronto is carrying on correspondence with a leader of the Belgian underground, whose efforts to save her son, Sgt. Lt. William G. Dudley, from imprisonment after he was shot down, nearly cost him his life and did cost him deportation of his wife and 20-year-old son.

Relationship between Mrs. Dudley and "Monieur Florent", underground name of the man who aided her son, began May 11, 1944, three days after Sgt. Lt. Dudley, an R.C.A.F. pilot, was shot down in his plane over Belgium. Slightly wounded, he was picked up by the underground and taken to the home of "Monieur Florent."

He remained there for four months along with another crew member, Sgt. Francis J. Perry, of Tignish, P. E. I., but the men were finally discovered. The underground man disappeared.

The two airmen were taken to Germany as prisoners of war. "Monieur Florent" and his wife and son were sent to Germany. However, the rapid advance of British forces saved them. Sgt. Perry, who lost his legs and the trainload of prisoners was left in the hands of the Red Cross.

### Reveal How Enemy Trawler Was Captured

(By The Canadian Press) A BRITISH PORT, May 22 — The story of the bloodless capture of a German trawler by the Canadian Bangor-class minesweeper Thunder in the Bay of Biscay a few days before V-E day and how the Canadians boarded the enemy craft and sailed her home under their own steam, was released today by the Navy.

A Canadian prize crew under Lieut. Art Moore of Digby, N.S., removed the German crew and took command. For two days they sought to keep the trawler up with an Allied flotilla on the rough, 400-mile haul home.

Cheers and whistles greeted them as they steamed their prize into a British harbor, the fourth enemy ship to be captured and brought to port by the Canadian Navy in this war.

### MAY CAUSE FOREST FIRES BUT OF SLIGHT VALUE

### Resigning?

MR. D. B. CARSWELL

MONTREAL, May 22 — (CP) — The Gazette in an Ottawa dispatch today quoting "good authority" said that D. B. Carswell, O.B.E., has tendered his resignation as president of the War Assets Corporation, the crown company formed to dispose of surplus war supplies of all kinds.

(Mr. Carswell visited Prince Edward Island a few months ago.)

The dispatch added that "it was also reported that J.G. Horsey, secretary of the W.A.C., had also resigned and had already been replaced. The name of the new secretary was not available."

### British Labor Adopts 12-Point Program

Churchill Indicates Early Election; Voting Generally Expected July 5.

### Two Island Students Win Prizes At Mt. A.

(By The Associated Press) LONDON, May 22 — Prime Minister Churchill ruled out today any possibility that his war-born coalition cabinet could work haphazardly that the electioneering atmosphere "might soon weaken the country before the world."

It was generally expected that an election would be held July 5, with Mr. Churchill's resignation tomorrow or Thursday that he is advising the King to dissolve parliament in three weeks.

Mr. Churchill's stand was made in a letter to Clement R. Attlee, deputy Prime Minister and Labor party leader, only a day after the Labor party convention meeting at Blackpool overwhelmingly rejected Mr. Churchill's proposal that the cabinet "stick together" until Japan was defeated.

The Prime Minister's letter to Mr. Attlee was made public shortly after the Labor delegates had adopted a 12-point platform aimed at ultimate establishment of a socialist commonwealth of Great Britain.

The Labor program, called for sweeping nationalization of Britain's industry, specifically naming coal mines, railroads and all other forms of inland transport and iron and steel plants as the first to be taken over. Public ownership of the Bank of England also was advocated.

Mr. Churchill closed the door firmly against any continuation of the coalition through the summer — as suggested in a letter from Mr. Attlee — when he replied that withholding the balloting until October "would mean that from now on until October outside the Government and even within it we should be continually preparing for an election."

"We have already suffered several months of this electioneering atmosphere which," he said, "I am sure is already affecting administrative efficiency."

Mr. Churchill said he was seeking only to achieve "tolerable conditions under which we could work together" and added that it was clear "that these no longer exist and it is odd that you should accompany so many unjust allegations with an earnest request that we go on bickering together until autumn."

### MAY CAUSE FOREST FIRES BUT OF SLIGHT VALUE

OTTAWA, May 22 — (CP) — Canadians living west of the Great Lakes were warned today to watch for unexploded bombs dropped by big unmanned Japanese-launched balloons during "the last few months."

Defence Headquarters, in making the announcement, said they were disclosing "sporadic long range balloon attacks," long kept secret for security reasons, in the interest of national safety and taking a chance on letting the enemy know that some of the balloons had reached this continent.

The Army warned, however, that if casualties occurred they should not be connected with Japanese balloon attacks.

### Political Sensation Reported In Winnipeg

WINNIPEG, May 22 — The Winnipeg Tribune said today a "political sensation" was caused in Winnipeg political circles when it was revealed that Liberal propaganda had been delivered to some householders in the official envelopes containing voters lists which must be mailed by the returning officer to every voter.

The Tribune said the envelopes contained Liberal propaganda called "The Canadian Outlook," issued by Leslie Mutch, Liberal candidate in Winnipeg South for the June 11 Federal elections.

Mr. Mutch denied any knowledge of how the publication got into the office envelopes, and the returning officer, J. G. Harvey, could give no explanation.

SHE'S ONLY A MATHEMATICIAN'S DAUGHTER BUT SHE HAS PROBLEMS OF HER OWN

### Busiest Year For P. E. Island Hospital

Plans for a new wing for the Prince Edward Island Hospital have been prepared and submitted to a firm of Toronto architects who have returned them with suggestions and recommendations. It was reported at the 22nd annual meeting of the board of trustees of the Hospital last night. The meeting was held in St. Paul's Church hall, Mr. W. S. Grant presiding in the absence of the chairman Dr. J. A. Clark.

Dr. Clark was re-appointed chairman for the ensuing year, and Mr. Grant vice chairman. Two new trustees, Messrs. Ernest Cudmore and Lt.-Col. E. S. Rogers, were appointed, replacing Messrs. George W. MacLeod and D. J. Bonnell. Mr. J. E. Harris and Dr. J. P. Lantz were re-elected to the board.

Very satisfactory reports were submitted by the trustees and also by the Ladies Aid Society of the hospital. The treasurer's report of the Ladies Aid showed a balance on hand of some \$1,500.

Very Active Year

Following is the text of the trustees' report:

Your board of trustees thought they had a very strenuous year

### Tito Appears To Have Made An About-Face

LONDON, May 22 — Yugoslavias Marshal Tito appeared today to have executed an about-face in his attitude towards the occupation of Trieste and the surrounding area, giving rise to speculation that he might have received a friendly suggestion from Moscow to change his stand.

Diplomatic circles close to the Foreign Office said the situation was "definitely improved" and there were indications of an early solution.

(At Rome tonight Allied Headquarters announced that the 8th Army today occupied positions on a line running northward from Trieste to a point five miles east of Gorizia.)

Reuters News Agency in London tonight reported that Field Marshal Alexander and Gen. Mark Clark have arrived in Trieste. The report quoted Rome radio.
