

Among the exhibitors at the Provincial Fox Show this week was George Warren of Foxon, P.E.I. who has been very successful with his young man he has earned...

The new trotting marvel was bred under the ownership of John E. Madden, although Mr. Bedford was the breeder and owner...

George Warren was a very important man that day. The afternoon before he had made a new set of very light wedge shoes for Hamburg Belle...

In the first heat Hamburg Belle made a blazing finish in 2:01 1/4—a new record for her class...

The result might have been different, said Mr. Warren, but a trap holding up one of Uhlans' legs broke and he fell...

The result of the race was, however, a great boot for the Axtorwins and corresponding dampening of the fare...
