### Fatality of Whooping Cough

Many parents think lightly of whooping cough, and treat it as a necessary evil, not giving the child who has it any special attention. The seriousness of whooping cough was emphasized by the Medical Health Officer in Toronto a few months ago, when he reported 14 deaths during the month from whooping cough, and only ten from scarlet fever, typhoid fever and measles combined.

So many people write to us about the relief and cure of whooping cough by the use of Dr. Chase's Syrup of Linseed and Turpentine that we can recommend it with the greatest confidence. It loosens the cough, aids expectoration, and by its soothing influence prevents the terrible paroxysms of coughing which are so distressing to witness, and which wear away the strength of a child. By using this treatment the disease is held in check, and cured in a few weeks, instead of months. Look for the portrait and signature of A. W. Chase, M.D., on the bottle you buy. There are many imitations.

"GOOD LECTURE.—A very interesting lecture on 'Socialism' was delivered by Father Gillis, of East Point, to the members of the C. M. B. A. Branch No. 261, on the night of Dec. 30th, St. Mary's Hall, Souris, where the lecture was held, was filled to its utmost capacity. The Reverend lecturer began with a few brief explanations pertaining to his subject. He pointed out what Socialism stands for; what its aims are; and the harm it is doing throughout the world. He enumerated the great questions which Socialism attempts to settle; some of which were:—The marriage question; the laws of the land; the distribution of property. He emphasized the fact that the Socialists were endeavoring to elect men of their own class to the legislative bodies, and in every possible way, were striving to forward their own cause. At the end of the discourse a vote of thanks was moved by Mr. W. J. Paquet and seconded by I. S. McInnis and tendered by the first Vice-President, to which the learned lecturer replied in a fitting manner. Rev. R. B. McDonald and A. L. Fraser, spoke in support of the motion and, one and all, expressed gratitude and pleasure. Father Ronald McDonald suggested that a series of lectures on this and other important subjects be given under the auspices of the C. M. B. A. Society. Two previous lectures were recently given in connection with this society; the first by Rev. Dr. Walker, Robo-Bay, on the 'Crusades'; the second, by Father Stephen McDonald, on the 'Dark Ages'."

### Personal Attention to the Affairs of Estates

More personal attention is given to individual estates handled by this Company than is given by the individual executor.

Specialists pass on every transaction before it is finally confirmed by the advisory board.

Being a highly organized institution, no detail is too small to escape notice and care.

That is why the Trust Company has superceded the individual as executor and trustee under will of the large majority of professional and business men.

We have some pamphlets explaining the matter in detail. Write for them.
