

GREAT MIDSUMMER CLEARANCE SALE BIG FEAST OF BARGAINS FOR AUGUST

Rather than store away odds and ends, the accumulations of the busy season, we have determined to cut the price at once and give the public the benefit, while the goods are fresh and seasonable.

We have gone through our entire stock, and collected all odd lots and broken sizes in the different departments, and marked them at prices that are sure to move them out with a rush and leave our shelves clear to receive our Fall Stock the first instalments of which are already beginning to arrive. There will be no money in this sale for us, but we find it better to convert the goods into cash—even at a loss, than to carry them over to another season; then we'll have the room, and that is what we are after just now, besides keeping our stock clean and fresh, and giving our customers seasonable snaps, which they are sure to appreciate. Following is a list which is sure to make our store a busy bargain centre while the goods last:

Rheumatism.

is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the cause of these fearful shooting pains and stiff, aching joints. There is but one sure way—

DANGER AVERTED!!!

The manner in which Eddy's "Telegraph" matches are packed—in little paper boxes—1/4 gross in a cartoon—is ABSOLUTELY SAFE.
Test it yourself.
Take a box, strike the whole bunch—and behold they will only burn till the paper is reached and then smolder out.
Only one safer match—Eddy's "Capital" safeties which strike only on the box.
