A Window Box Of All-America Flowers

Growing Your Specialties In A Window Box Is A Good Idea. Try The All-America Winners For This Purpose.

A window box in which all the flowers have been winners in the All-American trials would be in-

hybrids, dianthus laciniatus splendens, and the annual chusca Blue Bird, would grow satisfactorily in window boxes. The dianthus is an annual pink, of brilliant crimson, and the chusca is a forget-me-not flower of indigo blue.

Among the 1934 winners which have had a continuous popularity since their selection last year the petunia Pink Gem would be excellent. It is a dwarf, compact and bushy miniature of the giant sorts, standing from 6 to 8 inches in height. Another gold-medal winner was the linaria Fairy Bouquet, with its snapdragon appearance and easy culture. It blooms quickly and is a trim and dainty flower growing to about 8 inches. If color range is desired you will surely find it here, because it has a variety of brilliant tones. For a tiny sparkler, the verbenia Spectrum Red would be good.

Build your window box of good strong material, so that the constant moisture will not warp and destroy it. A few holes in the bottom covered with broken pieces of crockery, is good for drainage.

On account of the small amount of soil in a window box, it is necessary to give your flowers plenty of water and plant food. Apply the plant food with a spoon, making sure not to get it on the plants. Water the box twice a day in exceptionally hot weather.

If you wish other subjects for your window box, one or more of the annual vines will prove decorative, and a plant or two of night-scented, stocks hidden behind the taller sorts will exude a delightful fragrance in the evening.

interesting as well as decorative, would it not? Such a box can easily be grown.

In the 1935 list of winners are several subjects suitable for window box planting. Petunia, Martha Washington, nasturtiums, Scarlet Gleam and Glorious Gleam

- 1 cup sugar
1/2 can southern style coconut
4 tablespoons butter or other shortening
1 egg, unbeaten
1/4 cup milk
1/2 cup orange juice
1 egg white, stiffly beaten
4 tablespoons sugar

Sift flour once, measure, add baking powder and salt, and sift together three times. Add orange rind to butter and cream thoroughly. Add 1 cup sugar gradually and cream together well. Add egg and beat very thoroughly. Add flour, alternately with milk and orange juice, a small amount at a time, beating after each addition until smooth. Turn into greased pan, 15 x 10 inches. Cover with thin layer of meringue made by beating 4 tablespoons sugar into beaten egg whites. Sprinkle with coconut. Bake in moderate oven (350 degrees F.) 25 minutes. Cool. Cut in diamond-shaped pieces. Makes 2 dozen vanilles.

Chocolate Macaroons
2 egg whites
1 cup sugar
1/4 teaspoon salt
1 1/2 squares unsweetened chocolate, melted
1 1/2 cups premium shredded coconut

Beat egg whites until foamy throughout; add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in peaks. Add salt and vanilla. Fold in chocolate; then coconut. Drop from teaspoon on ungreased, heavy paper. Bake in slow oven (325 degrees F.) 20 minutes, or until done. Cool 5 minutes before removing from paper. Makes 2 dozen 1 1/2 inch macaroons.

Brussels Sprouts Are A Fine Crop For Fall
Brussels sprouts are a luxury in many families because of their high cost on the market. Others don't buy them because of the ever present danger of finding them covered with plant lice.

The home gardener need not be bothered with either of these considerations, if he will take the trouble to plant a packet of seeds and grow his own, using the same care in spraying them as he does with his cabbages and cauliflowers.

Because they are best when touched by the first fall frosts, they should find a welcome place in every garden at that season when most of the crops are through bearing for the year.

Sow the seeds late when the ground is warm and the weather dependable, spray them with nicotine or pyrethrum and you will have a fine crop of sprouts in the fall.

Cocoanut Vanilles
2 cups sifted cake flour
2 teaspoons baking powder
1/4 teaspoon salt
1 tablespoon grated orange rind

May Showers Make June Brides Happy

Serve Daintiest Foods When Feasting Brides-Elect (By Katherine Baker) All the world loves a lover, particularly in the merry month of May, and every bride-to-be looks forward to the happy parties given for her. Whether luncheon, tea, dinner, or evening buffet, the menu should include the daintiest of foods, perfectly prepared and served. This luncheon menu has a May day ring and a splendid combination of flavours.

Cream of Watercress Soup
Fresh Asparagus Chicken Timbals
Queen Tea Muffins
Fresh Strawberry Ice Cream
Swedish Cookies Coffee

Queen Tea Muffins
1 1/2 cups sifted cake flour
2 teaspoons baking powder
4 tablespoons sugar
1/4 cup milk
4 tablespoons butter of other shortening
1/2 teaspoon salt
1 egg, well beaten

Sift flour once, measure, add baking powder and salt, and sift again. Cream butter, add sugar, and cream together thoroughly. Add egg, then flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Bake in greased muffin pans in hot oven (450 degrees F.) 20 minutes. Makes 18 small muffins.

Fresh Strawberry Ice Cream
Made at home with minute tapioca, is unusually smooth and creamy.
1/2 cup sugar
1 pint fresh strawberries, hulled
3 tablespoons quick-cooking tapioca
2 cups milk
1/4 teaspoon salt
6 tablespoons light corn syrup
2 tablespoons sugar
2 egg whites
1 cup cream, whipped

Add 1-2 cup sugar to strawberries and crush well. Let stand 30 minutes. Add quick-cooking tapioca to milk in top of double boiler. Place over rapidly boiling water, and bring to boiling point (allow 3 to 5 minutes); and cook 5 minutes, stirring frequently. Strain hot mixture, stirring (not rubbing) through very fine sieve onto salt and corn syrup, and mix thoroughly. Chill. Add 2 tablespoons sugar to egg whites and beat until stiff; fold into cold tapioca mixture. Fold in cream and strawberries. Turn into freezing tray of automatic refrigerator and freeze as rapidly as possible—3 to 4 hours usually required. Or turn mixture into container, cover tightly, and pack in equal parts ice and salt 2 or 3 hours. Makes 1 quart ice cream.

Assorted sandwiches, cookies and "cakellets" are splendid for afternoon tea. They can be attractively arranged, too, and add to the dainty appearance of the table.

NOVEL DESIGN IN NEW SHOES

LONDON, May 20.—(CP)—Shoe fashions for the Jubilee season are unusually interesting. Fashion may be said to have gone "cruising-crazy," for the latest design for shoes for the smartest functions, as well as for every-day wear, must be made of Ripple leather and ornamented with port-hole punchings. This new Ripple-leather is ordinary kid skin put through a special machine which gives it a "wave-like" effect. It is then backed with a special material so that the pleats remain in position.

AN INTERNATIONAL SPORT

LAWRENCE, Kas.—Dr. Forrest Allen, athletic director of University of Kansas, estimates that 19,000,000 persons play basketball. It is played throughout the world, being more generally popular than any other team sport. Dr. James Naismith, who originated the game, did much to spread its popularity.

HISTORIC FLAG RESCUED FROM ARCTIC IN HALIFAX

An historic flag which withstood the rigours of the Arctic since it was carried into the frozen north by Captain McClintock, afterwards Sir Francis McClintock, in 1857 when in search of the lost Sir John Franklin expedition, until recovered by a Canadian expedition in 1906 has been lodged with the St. George's Society of Halifax, Nova Scotia, for safe-keeping. The flag was presented to the society by W. H. Weeks who was purser on the Canadian expedition. The flag, however, is tattered and shows discoloration from its long stay in the Arctic. Halifax, the capital city of the Province, has many historical relics and St. Paul's Church, built in 1750, is the mecca of many tourists during the summer, states the Tourist Department of the Canadian National Railway.

WOLFVILLE, N. S., May 20.—Two New Brunswick teams will be represented in this year's Acadia relays May 24, according to entry lists which were closed today. St. John Vocational, last year's team winners, will send two athletes. They are Nick Skinner, speedy sprinter and individual high scorer in 1934, and Doug Carson, a newcomer. Mount Allison Academy for the first time in the history of the meet, will send a team of seven. Sixteen schools have sent entries for the interscholastic track and field meet. Use Minard's for Bites
