—AN ENTERPRISING DISTRICT.—The people of Mont Carmel may well be proud of the success that has crowned their efforts in the way of Education. Although never being time as far as education is concerned, these people must have made and are obviously willing to make more sacrifices, as shown by the number of those who will attend different colleges during the coming term. Mr. Alphonse Arsenault will return in a short time to resume his classes at Laval University, Quebec. Mr. Edmund Ancoin is taking up his second year in St. Dunstan's College under the financial care of the Joan of Arc Association. Miss Mary Rose Arsenault who passed the entrance examinations from Mont Carmel school will attend P. W. College also Miss Louise Gallant and Miss Ancoin. Mr. Theodore Arsenault will attend the S. D. College. Miss Edna Gallant will go to Misouche Convent, one of the best for the education of young girls. Mr. D. D. Arsenault Principal of Mont Carmel for three years intends going to Truro Agricultural College. Mr. Ben Gallant, butter maker has accepted a position in N. B., as assistant with Mr. Reek. Mr. Cyrus Poirier of the Department a Ottawa is in the province of Quebec. Many more are already in lucrative positions since a few years. All this success is not without a leading hand that must have been capable and persevering. This can be truly said of Rev. P. P. Arsenault, Pastor, who has always devoted himself towards education and further than that has even deprived himself in order to help financially when it was needed, those who could not proceed beyond the knowledge acquired in the rural schools. It is to be hoped that those who have not yet done their share in respect to educating their children will endeavor to realize the necessity of a sound education.—R.

Catarrh Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials free. F. J. HENRY & CO., Prop., Toledo, O.
