LET us develop your films and make your prints. We have a complete and very modern department for handling this work. Send us your exposures we will get the best there is in them.

**The G. H. Cook Studio**

Telephone us for an appointment. We will be glad to make portraits of the children, yourself the entire family or any gathering of friends.

**The Bayer Studio**

**ABOLISH THE FAKER**  
Do not Gamble with your Eyes

Why deal with peddlers and strangers who travel from house to house begging you to buy glasses, when you have one of the finest Optical Parlors in the Province right in Souris. You can test eyes in a barn as some people do it, or any make-shift corner. A peddler will do it in your kitchen, but PROPER EXAMINATION can only be made in:

PROPERLY FITTED ROOMS: with proper light and first-class instruments such as we have for the purpose.

Give us a call when in Souris and see for yourself.

Satisfaction Guaranteed.

**Important Notice to Farmers**  
THE PURE BRED CLYDESDALE STALLION, "FLASH ROYAL" (12790) C.N.R., Foaled Aug. 8th, 1911. Inspected and approved Enrolment No. 52, sire "Flash Favorite" (Imp.) (4583), by Royal Favorite (10630) Dam, "Baron's Lilly" (Imp.) by "Baron's Pride" (9122). Flash Favorite in 1906 beat all competitors at Dominion Exhibition, Halifax and has proven himself first class stock horse. Baron's Pride, sire of Flash Royal's dam is considered the highest type of Clydesdale breeding in Scotland. Flash Royal is a beautiful individual dark bay in color, well cut HEAD and NECK with heavy, clean bone and perfect action, kind disposition and a sure foot getter. This gives the farmers of Murray River and vicinity a golden opportunity of securing the services of a first class stallion at a very moderate price. Stallion will be kept at Kearney Bros. Stables, at Murray River during the season of 1915.

William Kearney in charge.

...T. GORDON IVES is Guardian Representative for Souris.  
...TWO DEATHS RECORDED—Death has recently been active in Bay Fortune. On Saturday, July 3rd, there was laid to rest Margaret Jane, widow of the late James D. Dingwell, who died in 1902. Deceased was 77 years of age. Among those who mourn her loss are her son, Johnson, with whom she lived, and daughters, Ruby and Gertrude, at home; another son, René, in Boston and two brothers, Archibald, in S. California, and George in Maine. As the friends were gathering for the funeral there passed away within sight of this home of sorrow, the wife of Fred Mackenzie, who had been ill but a short time with spinal meningitis. She was the daughter of Alfred Burke, of Fortune, and in addition to her parents and her husband, she leaves two boys, 8 and 7 years of age, and a baby girl of 10 months. Much sympathy is felt in the community for the sorrowing friends both of Mrs. Dingwell and Mrs. Mackenzie. The Rev. E. E. Styles, of Souris, conducted the service in each case.

**RE-OPENING OF ST. JOHN'S CHURCH AT MILTON**

St. John's Church, Milton its interior thoroughly restored and re-decorated, was opened on Sunday, July 4th, which day may be said to have been a "Rally Day" in the parish. The rector, the Rev. Samuel Trivett, was assisted by the Rev. C. De W. White, M. A., rector of Summerside; Rev. T. W. Murphy, M. A., rector of St. Jaul's, Charlottetown and Rev. J. Bamford, rector of Port Hill. One of the chief features in the re-decoration of the church was the beautiful memorial window placed in the east end of the chancel by Mr. Wm. Clark, of North Wiltshire, in memory of his departed wife. The window, the subject of which is "The Light of the World," Christ knocking at the door of the heart—expressive of the one supreme desire of the one in whose memory it was installed. "Christ the Light of the World" was the joy of her soul, and it was her loving prayer that He should be ever set forth before men as the One Who alone could bring light, liberty and love to the souls of mankind. The work of putting in the window was entrusted to the Lyons Co., of Toronto, and does them the greatest credit, being greatly praised by all who saw it. It is seldom that in one church three sermons, each eloquent, enlightening and edifying, are heard in one day. Morning prayer was read by Rev. J. Bamford, the rector taking the Communion service, assisted by Rev. Mr. Wright, the latter, the rector of Summerside, preaching an inspiring sermon from John VIII: 12, "I am the Light of the World, etc." After commending both the rector and congregation on the beauty of their church as now cleansed and beautified, and speaking of the building in itself as being contrary in architecture to that of dwelling houses, he contrasted the light Christ brought into the world with the light set forth by heathen philosophers. He further spoke of the teaching of the senses, dwelling on the sense of light as being most helpful in Holy worship and the distinction between light and darkness in the natural heart; the graces that Christ, the Light of the World, set forth, produced—works of righteousness, deeds of love, and acts of mercy to our fellowmen, whilst darkness corresponded with Atheism, the friends of which were malice, hatred and their companion vices, bidding all to seek and admit that Light which alone can bring joy to the souls of men. The Rev. T. Murphy, of Charlottetown, preached in the afternoon from Luke V: 4-5, "Launch out into the deep," etc. He pictured the fishermen after a fruitless voyage washing their nets, willingly obeying the voice of a landsman and again casting forth their nets. He then looked at its Spiritual application to us, bidding us no longer live in the shoals of religion but launch out into the deep, showing the fruit of obedience, of full surrender and complete consecration, with its rich blessings. Be not satisfied with the shallow forms of religion, but launch out into the deep in dependence on and faith in the Lord's command, being fully persuaded He will not fail us. If we would enjoy the full blessings of God, we must crown Him Lord of all and our whole will must at all times be yielded to Him. The Rev. J. Bamford in the evening took Rev. III: 20, the companion subject to that of the morning. Christ, the Light of the World, knocking, seeking admittance into our hearts, and complete consecration, with its rich blessings. Be not satisfied with the shallow forms of religion, but launch out into the deep in dependence on and faith in the Lord's command, being fully persuaded He will not fail us. If we would enjoy the full blessings of God, we must crown Him Lord of all and our whole will must at all times be yielded to Him. The Rev. J. Bamford in the evening took Rev. III: 20, the companion subject to that of the morning. Christ, the Light of the World, knocking, seeking admittance into our hearts, and complete consecration, with its rich blessings. Be not satisfied with the shallow forms of religion, but launch out into the deep in dependence on and faith in the Lord's command, being fully persuaded He will not fail us. **HEAVY ARTILLERY REACH ENGLAND SAFELY**

The following are extracts from a letter received by Mr. W. W. Stanley from his son, Captain J. W. Stanley, who arrived recently in England with the Heavy Battery from Halifax. This is the first letter to be received from an islander of this contingent:—  
June 15th.  
Just a few lines to-day, which will be posted from somewhere on the other side.  
We marched out from the South Barrack, Halifax, yesterday at twelve, and were all on board by one o'clock. Then we had to come off and take all our guns and vehicles in pieces, as they could not be taken otherwise. This kept us busy all day and into the night. Everything was loaded through the harbour front blow, as we sailed down, and the men on garrison duty crowded the ramparts, bidding us adieu. This ship is just back from the Dardanelles, where she has been in the middle of the fighting, landing English and Irish troops. She had five of her boats shot away, and they were replaced with new ones in Halifax.

June 16th.  
Nothing new to-day. All the men are sleeping in hammocks, which are slung at night and stowed away during the day. Every day we have life-boat drill, and just when we least expect it, the ship's whistle gives the signal, and everyone tears helter skelter for his quarters.  
June 17th, 18th.  
Very rough weather, stayed in the berth most of the time.

Sunday, June 20th.  
Had church this morning, service by the two clergymen attached to the 26th Battalion, and then sighted a Leyland liner who informed us by wireless she had some German stow-aways on board and wanted us to take them back. Needless to say, we kept straight on. This ship has a fine history. Ever since war broke out, she has been carrying troops to France, Bombay, Dardanelles, Gibraltar, and lastly from Canada.

June 21st.  
All boats have been made ready to launch and all watches and sentries have been doubled to look out for submarines. All lights out on the ship to-night at sundown, and the next two nights the same.  
June 22nd.  
This is a very exciting day. Everyone is on the qui vive. The captain would not leave the bridge to-day, and fifty men with rifles are on each side of the ship on the hurricane deck. Two destroyers are to pick us up to-day and convey us to dock.

June 23rd.  
The destroyer "Miranda" has just come alongside, to escort us in. Needless to say, we all feel much more comfortable.

June 24th.  
Just landed, with time to catch the mail at Devonport dock yard post office.

**BABY'S GREAT DANGER DURING HOT WEATHER**  
More little ones die during the hot weather than at any other time of the year. Diarrhoea, dysentery, cholera infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in homes where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the trouble comes suddenly the prompt use of the Tablets will cure the baby. The Tablets are sold by medicine dealers, or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**CLEANSE THE BLOOD AND AVOID DISEASE**  
When your blood is impure, weak, thin and debilitated, your system becomes susceptible to any or all diseases. Put your blood in good condition. Hood's Sarsaparilla acts directly and peculiarly on the blood—it purifies, enriches and revitalizes it and builds up the whole system. Hood's Sarsaparilla has stood the test of forty years. Get it today. It is sure to help you.

knew him and was buried with full military honours in the presence of his comrades, and General Alderson, General Morcor and others of the divisional brigade staffs. The wounds were incurred during a battle described by the press as taking place at Givency.

**Dominion McLaughlin Tudhope Canada**

You would naturally think on account of the marked superiority in workmanship, material and finish, these four famous lines of Carriages would be much higher in price than inferior ones, but they are not, in fact some of the carriages made by these four factories are extremely low in price. Because the vehicles made by the McLaughlin, Canada, Tudhope and Dominion factories are twice as good isn't sufficient reason why they should cost twice as much—a skilled mechanic doesn't take twice as long to do twice as much work twice as good as the unskilled one. There, that's why the four high quality lines of carriages we sell are no higher in price than the cheap inferior ones offered by others.

Although our showing is much larger this season than ever before, the nicest and best carriages are going fast. Call and see our showing today, if you see the vehicle you want take it while you may.
