Gained Both in Strength and Weight

Another case that proves the merit of
Ferrozone.

"I was in poor health nearly all last winter," writes Mrs. C. G. of Wakefield, Ont. "My appetite was variable. I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By springtime I had lost flesh, color and vitality. The doctor did not help me very much, so I decided to try Ferrozone. I did not ever so much gain in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I consider Ferrozone worth its weight in gold to every weak woman. It cured quickly and saves big doctors' bills."
(MRS. R. CROSS.)
Not sure to certain, so helpful, so safe, try Ferrozone yourself—50c per box at all dealers.

We have just sent out our monthly accounts and respectfully request a prompt settlement of same.
