1946 Tourist Accommodation

We expect a very large Tourist Business here this year and in connection with the other Provinces we feel that all our citizens who can possibly assist in catering to this profitable business should make an endeavour to do so.

More hotel, cottage, cabin, and private home accommodation is very necessary, and those who can offer comfortable places should build up a permanent business. There are certain essentials required:

- 1. MODERN PLUMBING. 2. COMFORTABLE BEDS. 3. WELL COOKED MEALS, FEATURING ISLAND FOODS AND FISH IN SEASON. 4. CLEANLINESS EVERYWHERE.

If you can co-operate we will list your accommodation absolutely free of charge in our booklet "Places to Stay."

In addition to accommodation in cities, towns, and near beaches, we also want good farm homes as these are proving popular too.

Write or phone for free listing forms to The Prince Edward Island Travel Bureau

B. GRAHAM ROGERS, Supervisor Charlottetown, Prince Edward Island.

Handicraft Industry

We are particularly anxious to contact every person or organization on Prince Edward Island that makes any form of Handicraft—no matter what it is.

There is a great opportunity for profitable expansion here in all forms of Handicraft for sale to tourists and local citizens.

If you don't make anything yourself but know of some one who does, please send their names.
