**Public Enemy No. 2**

**MONOPOLY**

We all know Enemy No. 1. His defeat is our first concern. Enemy No. 2 is the octopus of financial and industrial monopoly.

**THIS OCTOPUS DECIDES -**  
- whether or not you have a job  
- the price for your farm products  
- whether or not we'll have another depression

**THE C C F SAYS:** This economic dictatorship must stop!

**THE C C F SAYS:** Credit and financial institutions must be the servants of the people, not their masters.

**THE C C F SAYS:** Canada's resources must be used to prevent depressions . . . to provide homes . . . jobs . . . security . . . educational opportunities . . . independence and usefulness for every citizen.

The whole purpose of the C C F program for public ownership of banks and other monopolies, is to achieve these things.

**ABUSE IS NO ANSWER!**  
Yet this is the only weapon the spokesmen of monopoly have left. Hence their scaremongering about the C C F interfering with your savings . . . insurance . . . home . . . farm.

They know, as you know, that their charges are false . . . that through the C C F program your home and farm will be more secure . . . your savings and insurance will be intact and guaranteed by the wealth of the entire nation.

**CCF AIMS ARE YOUR AIMS - Security and Abundance For Every Canadian!**

The C C F is YOUR movement. It does not get and DOES NOT WANT the support of the big corporations. It needs YOUR support NOW. Write and send your contribution to your C C F Provincial Headquarters -
