MALE CHORUS—Dr. Robins states rehearsals are progressing satisfactorily for next month's concert. Watch for date. L-5899

\$1.00 BOUNTY ON OWLS—In yesterday's report of the legislative discussion on the Estimates, Hon. Mr. MacNutt was erroneously quoted as having said that the bounty on owls was \$2.00. The figure should have read \$1.00.

NEW MANAGEMENT—The Diana Tea Rooms has been taken over by Mr. G. E. Noble, former chief clerk at the Canadian National Hotel, and Mr. A. Fontana, former chef at the Hotel. Some changes are being made to the restaurant, which will open for business the first of next month.

TO HOLD BAZAAR—A mammoth bazaar is to be held the latter part of June in aid of the Charlottetown Hospital. At a recent meeting committees, comprising members from St. Dunstan's and Holy Redeemer Parishes were appointed to take charge of the work. Announcements, with full particulars, will appear in due time.

POLICE COURT—At the police court yesterday three prohibition and two customs cases were heard. In one prohibition case the defendant was fined \$200.00 and costs or as an alternative three months in jail; the same man charged with a breach of the customs act was fined \$50.00 and costs or as an alternative two months in jail. Another case, a man charged with violating the prohibition and customs acts, was adjourned until Wednesday. The defendant in the third prohibition case was fined \$500.00 and costs or in lieu of payment six months in jail. An adjourned case, a man charged with retaining stolen goods in his possession, was heard and adjourned until Saturday.

SOUTH PINETTE WHIST CLUB—On Wednesday evening Jan. 23rd, a number of the people of South Pinette met together for the purpose of organizing a Whist Club. The meetings were held at the homes of the different members with a total membership of thirty-six. Two hands were played at each table, making a total of twenty-four hands played each evening. The refreshments for the evening were provided by the ladies. The results of the season's playing was as follows: High Lady, Mrs. A. J. McDonald with a score of 286; High Man, Mr. R. A. McKenzie, with a score of 289; Second Lady, Miss Annie MacRae with a score of 272; Men's second place was a tie between Mr. Charles Nicholson and Mr. Neil S. Morrison with a score of 277, prize drawn by Mr. Neil Morrison. The presenting of consolation prizes afforded much merriment and were won by Mrs. William McKenzie and Mr. Murdoch Morrison. Short programs of readings and music were given at the different parties and the season's entertainment was greatly enjoyed by all.

The many friends of Mrs. Edwin Williams will regret to learn that she is confined to her bed through illness.

Prof. Duchemin Addresses Rotarians

It is possible for parents of mediocre mentality to have brilliant children, declared Prof. Warren Duchemin, B. A., Professor of Biology in Prince of Wales College, speaking on genetics before the Rotary Club yesterday.

Outlining the principles and laws governing heredity the speaker claimed that a person may be likened to a triangle, with heredity as the base and environment and training as the sides. He described the cell theory as applied to all forms of life. Heredity, training and environment are all important factors in the life of an individual, but heredity limiting very definitely the influences of the other two factors, he stated. Referring to the history of the science of genetics Prof. Duchemin stated that it had practically its beginning in 1900 when biologists, working independently, discovered certain principles relating to heredity. Later it was found that these principles had been found 35 years before by an Austrian Monk, Gregor Mendel. During the 20th century rapid progress has been made in the development of this science and the guests were Rev. J. W. Barbour, A. C. Duchemin, and W. D. Wetmore.

Past District Governor W. S. Grant reported that it is expected that at least 15 Rotarians and Rotary Annes would attend the District Conference to be held the coming summer in St. John's Newfoundland.

FOUR HOT WATER ON GIRL'S HEAD

(By The Canadian Press) SAVANTWADI, India, April 15—Five persons are being prosecuted here for having scalded Yamunabai Halmalkar of Danoli by pouring boiling water on her head.

The prosecution story reveals that at the instigation of Davki of Danoli, believed to be versed in witchcraft, and to possess supernatural powers, the father-in-law of the complainant tied her to a post with the help of Dalaram Gavadi and two women neighbors, and poured on her head and body boiling water in the hope of turning Yamunabai's hair into gold, as Davki had led him to believe.

The "miracle" didn't take place, and Yamunabai had to lie in the civil hospital at Savantwadi for three weeks.

S.P. PAOLI, JR. NEW PRESIDENT OF GYRO CLUB

Annual Meeting Held Last Evening in C. N. Hotel—Splendid Reports by Committee Chairmen.

Mr. Simon P. Paoli, Jr. was elected President of the Gyro Club of Charlottetown for the coming year at the annual meeting of the Club held last evening in the Canadian National Hotel. Other officers elected were: Dr. B. C. Keeping, 1st Vice-president; Mr. Herbert W. Pletch, 2nd Vice-President; Mr. J. Kenneth MacKenzie, Secretary; Mr. William J. Monaghan, Treasurer, and Messrs. R. Reginald Bell, Sidney T. Green and Dr. P. A. Creelman, Directors.

The retiring president, Dr. Creelman, reviewed the year's activities which included the summer dances at Beach Grove Inn, the Rotary Gyro Boys' Camp at Cane Cove, the sale of Christmas Seals, the social activities and other phases of the Club's work.

Dr. B. C. Keeping, secretary, in his report, mentioned in detail the important events of the year, such as the successful meetings with interesting speakers; the enthusiastic support given the Boys' Camp, the sending of three girls to the C. G. T. Camp in July, the joint meeting in August with the Rotary Club at which the visiting flyers were guests, and Lt.-Col. Drew was the speaker, another joint-meeting with the same Club at which Premier MacMillan and Dr. Wherrett spoke on Public Health and anti-tuberculosis work in Canada, the entertaining of International President Newman Hewlett and Mrs. Hewlett at the Canadian National in October, the Christmas Dinner Party, the Christmas Seal Sale campaign, Dr. Harry Thompson's address on Preventive Dentistry, the decision of the Club to contribute the sum of \$200.00 to assist in the establishment of a Dental Clinic in Charlottetown, and the entertainment of the Past Presidents of the Club at a special meeting.

The report of the treasurer, Mr. W. J. Monaghan, showed that the Club was in good financial condition.

The following committee chairmen submitted their annual reports: Messrs. B. C. Chandler (Speakers); Herbert W. Pletch (Memberships); D. F. Bethune (Club Welfare); R. R. Bell (Public Affairs); Dr. J. P. Millar (Entertainment); S. P. Paoli, Jr. (Juvenile Work); James Fripps (Fines); Stewart Jones (Club Entertainment); W. J. Monaghan (Publicity); Herbert W. Pletch (Audits); C. R. Thier (Trustees of the Tuberculosis Seal Sale Fund); and Stewart Jones (Club Historian).

Pleasing features of these reports were the amount of charitable work accomplished, the success of the Christmas Seal Sale Campaign, the giving of Christmas presents to the children of both Orphanages, the splendid return from the annual dances held at Beach Grove Inn, and the excellent work done by the Public Affairs Committee, and all members of the Club are looking forward to the special honor to be conferred on the members of the latter committee next month.

Votes of thanks were passed and will be sent to the Canadian National Hotel, Beach Grove Inn, The Guardian and The Patriot, the two radio stations, Miss Mona Wilson, Supervisor of Public Health Nurses, Miss Ina Gillan, Supervisor of the Boys' Camp, Mrs. Strong, Summer-side, and her committee for their work in connection with the Christmas Seals in Prince County, and the head waiter and staff of the Canadian National Hotel.

The secretary was instructed to send a letter of condolence to Mr. T. B. Rogers, one of the charter members of the Club, conveying the sympathy of the Club in his sad bereavement.

SUBSTANTIAL

(Continued from Page 1)

ing of the customs declaration of value of goods.

A year ago, when he presented the budget, Mr. Chamberlain told the House this afternoon, "I felt justified in taking a reasonably optimistic view of the progress of trade."

"These anticipations have been amply fulfilled. The year just closed was characterized by a substantial advance toward recovery. Our industrial output increased by about 12 per cent; our manufacturing production established a new record; our exports were up year by year by thirty million sterling (\$145,000,000)."

Interest Rates Low

"Our interest rates remained low, and there was a great increase in the volume of capital works, particularly in new building. The only direction in which a low record was established in trade was in the time lost in disputes—which was lower than ever before. The cost of living remains substantially below the level when the Government first took office."

"Our retail trade continued to expand. There was no general diminution in the thrift of our population, whose savings have risen by nearly fifty millions (\$245,000,000)."

WRIGHT SHOE COMPANY

The Upper Room Successfully Presented

A sincerely appreciative audience greeted the first performance of "The Upper Room" at St. Paul's Hall, Summerside, last night.

The play, a presentation of Christ's passion, is something out of the ordinary in amateur production and the audience, by their attentive silence, impressed the players with a realization of the true worth of their presentation of such a sacred and historical drama.

The entire action of the drama took place in the upper room of the house where Christ and His Apostles shared the Last Supper.

The play which was symbolic rather than realistic, was written by Monsignor Robert Hugh Benson and has a wonderful message, told in beautiful language of what happened from the Upper Room to Calvary. Each part was acted with simplicity and the players are to be highly commended for the manner in which they presented the scene of Christ's passion.

Rev. Dr. McLellan, V.G., presided.

The persons of the drama: (In order of appearance).

- The Prologue—Yvonne Arsenault.
- Adas (landlord of Upper Room)—George Perry.
- Samuel (his servant)—Isabel Gallant.
- Joseph of Arimathea—Andrea Dalton.
- Mary Magdalen—Katherine Cameron.
- Mary (Mother of Jesus)—Miriam Cameron.
- Judas Iscariot—Edna Arsenault.
- John—Bella Blaquiere.
- Peter—Margaret Wedge.
- Longinus—Irene Cameron.
- Veronica—Emily Perry.
- Act I—Scene throughout—The Upper Room. Choral (Pange Lingua)—The Choir.
- Act II—Chorale (Vextella Regis)—The Choir.
- Act III—Chorale (Stabat Mater)—The Choir.
- Tableaux.
- The Children of Mary choir assisted in the presentation.
- The choir, under the direction of Mrs. Roy Silliphant: Yvonne Arsenault, Audine Arsenault, Patricia MacLellan, Andrea Dalton, Irene Cameron, Hilda Brotherhood, Adeline Wedge, Margaret Wedge, Gertrude Cahill, Irene Gaudet, Elizabeth Wood, Mary McCullough, Jean McCannery, Pauline Noonan, Bella Blaquiere, S.

Revenue Exceeded Estimate

Revenue had exceeded the estimate by \$3,921,000. Expenditures exceeded the estimate by only \$3,155,000. The amount of the individual duties had come up to expectations. Inland revenue produced \$388,000,000, or 16,000,000 more than estimates. This was due mainly to increase in the income tax and death duty revenue, the latter in turn being due largely to the increase in value of securities.

The nominal amount of the national debt had been reduced by \$21,700,000 (\$105,700,000). This meant a drop of \$1,650,000 (\$8,019,000) in the annual interest charge.

Turning to the outlook for the coming 12 months Mr. Chamberlain reminded the House provision had to be made for an increase of \$10,500,000 to meet deficiencies in the navy, army and air force. They also had to provide \$14,500,000 extra for civil and social services.

Under the import duties act he would expect tariff duties to yield a higher return on the whole. But the duties imposed under the Ottawa agreements would show a downward trend, and this could not be wondered at as the object of these duties when imposed, was to divert trade from foreign to Empire countries. For this class of revenue therefore he had shaved the estimate from \$7,400,000 to \$7,000,000. The duties on Irish Free State goods might be expected to show an upward trend.

Summarizes Position

Summarizing the position the Chancellor announced an expected actual surplus for the 1935-35 fiscal year of \$500,000 (\$2,430,000). He explained that before concessions were made, he had a prospective surplus of \$5,610,000. This would be increased by another \$800,000
