Suffocating With Croup

Croup is the terror of every mother and the cause of frequent deaths among small children. Dr. Chase's Syrup of Linseed and Turpentine brings prompt relief to the loud, ringing cough, makes breathing easy and prevents suffocation. It is mothers' favorite remedy for coughs, colds, croup, bronchitis, whooping cough and asthma.

Mrs. F. W. Bond, 20 Macdonald street, Barrie, Ont., says:—"Having tried your medicine, my faith is very high in its powers of curing cough and croup. My little girl has been subject to the croup for a long time, and I found nothing to cure it until I gave Dr. Chase's Syrup of Linseed and Turpentine. I cannot speak too highly of it."

25 cents a bottle, all dealers, or Edmanson, Bates & Co., Toronto.

Strongly Indorses Paine's Celery Compound

THE MARVELLOUS SPRING MEDICINE

Many of the wondrous successes and decisive victories of Paine's Celery Compound over disease and death are well-known to the people of the seven provinces of our Dominion.

No other medicine ever given to suffering humanity has met with such approval from physicians, from nurses caring for the sick, from men and women of culture and influence: and from the sensible and thinking people of the toiling class, all unite in one grand chorus of praise—Paine's Celery Compound is earth's best and surest spring health-restorer and health-giver.''

General William W. Henry, American Consul, in the city of Quebec, writes as follows about Paine's Celery Compound

It gives me great pleasure to indorse Paine's Celery Compound, both on account of the results obtained from personal use of the remedy and knowledge of the remarkable cures it has performed. I believe it has no equal in curing diseases of the nervous system and building up those who are weak and out of health. It has cured several friends of mine of rheumatism in its worst form, and I have no hesitancy in recommending it to all afflicted with that disease.

WHAT THE ENGINEER SAID,

Trenton, Ont.—Our esteemed citizen Mr. H. Goodsell Engineer for the Electric and Water Co., "I have a family of six who were all prostrated by Acute Catarrh of nose and throat, My wife became perfectly deaf and almost blind and her head ached so persistently and severely that I feared she might loose her reason. The children were all badly affected especially the baby, and you may believe their condition was indeed serious. Our doctor's medicine was either no good or too slow in acting, so I went to Hawley's drug store and asked for the best Catarrh remedy they sold. I was given Catarrhozone, and made my family inhale it ten minutes every hour, The result was a speedy cure all round, Such a priceless remedy needs only a trial to be appreciated, and my house will never be without it, Complete outfit, $1.00; small size. 25c. at druggists. A trial sent for 10c. by N. C. Polson & Co. Kingston, Canada, or Hartford, Conn. U. S.
