

# We'll Never Let the Old FLAG Fall!!

1890---FOR OVER 40 YEARS IT HAS WAVED!---1933

For over forty years the Provincial Exhibition has been held annually on its beautifully situated and well-appointed grounds at Charlottetown. It was built through the efforts and with the money of public-spirited citizens who believed it would be a real asset to the agricultural and social life of this Province. Their vision and ideals have proved true indeed. No small amount of the grand record that has been established by our live stock, horses, poultry, swine, vegetables and other products in the markets of the world is due to the Provincial Exhibition.

Our Grandfathers and Great-Grandfathers made it their holiday; our Fathers, our children and ourselves. It is a public institution looked forward to from year to year by the men, women and children of this fair Island. Its name and fame have gone far abroad and awoke echoes and responses of acclaim as one of the best Fairs in all Canada. This year despite the fact that other Provinces are holding greatly curtailed Exhibitions, we have gone full steam ahead, full of faith in the confidence that our people will rally round the Old Flag that our exhibitors will be present in as great, if not greater, numbers than ever before and that the general public of Prince Edward Island will be on hand to patronize what we believe will be without doubt our best effort.
