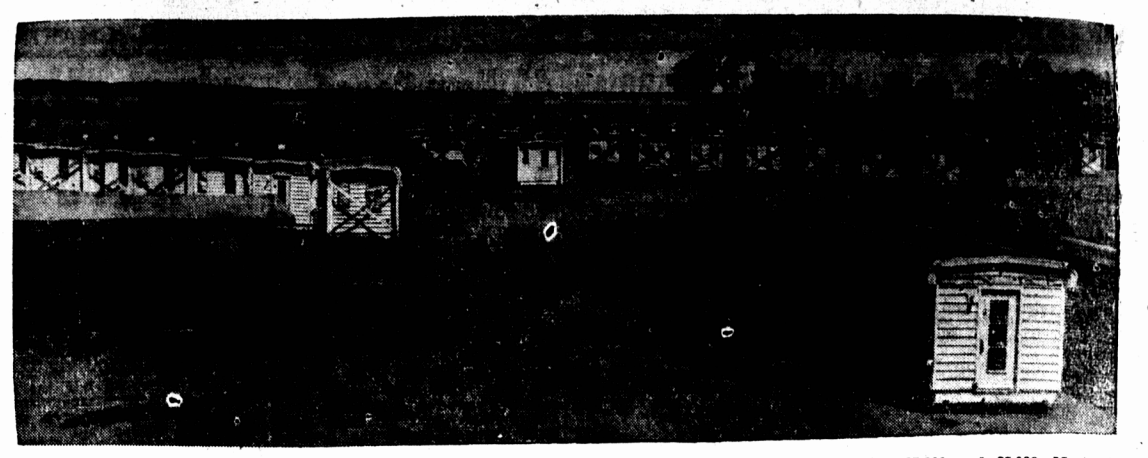
NOTICE

Meeting of horsemen at Walker's Barns tonight at 8.30 where all horse owners or caretakers must be present to draw for position.



THESE PRE-FABRICATED HOUSES were designed and built as a swift answer to Canada's housing crisis. Complete from towel rack to electric bulbs, they could be erected on sites chosen by homebuilders in ten days—if the cement, sewer and water pipes were available. They are 1 and 1-2storey dwellings, costing $5,000 and $7,000. Most of the homes shown here are already sold, but company officials don't know when they will be able to deliver and erect them.

BLESSED EVENT

MELBOURNE, Australia —(CP) Jack Pinches, curator of the Australian section of Melbourne Zoo, has announced the birth of a Golden Kangaroo, the first in captivity and the result of patient experimental breeding.
