Saving Teeth is Dentistry

Everyone has seen the sunken cheeks and marred appearance of the faces of those who have lost their teeth. Beauty, a thing so much desired is often destroyed by the ruthless use of the forceps; and health a priceless treasure, is often lost from the extraction or decay of the teeth. Everyone knows of, if they have not experienced, the tortures of indigestion arising from the improper mastication of food dependent on the loss of the teeth.

SAVE YOUR TEETH!

Because a tooth is decayed or aching is no reason why it should be extracted. By proper treatment it can be restored to health to do the work nature intended it for. Give your teeth attention before it is too late. Remember

SAVING TEETH IS OUR SPECIALTY.
All work done in the most durable and most up-to-date manner. A Ten Year Written Guarantee with all work.

LIVED ON STEWED ROPE.

SPOKANE, Wash., October 15.—The hardest fare that six young men and a boy of 15 ever kept alive on was the daily menu of the Windover's survivors, who were cast upon the Irish coast near Kilsfigg. They lived for 16 days on stewed rope yarn, without a crumb of anything else to help digest it, except waste and though it made them ill, they kept alive on it and did not waste away very much.

A CASHIER CAME WRONG.

MONTREAL, October 13.—James Fielding, for years cashier of the Imperial Oil company, of Montreal, was arrested early this morning on the charge of stealing \$71 from the company. This sum does not nearly represent the aggregate stealings of Fielding. He admits having embezzled \$3,000 of the company's money.

A Nobby Novelty for Birthday Giving

Choosing an appropriate and acceptable birthday gift is seldom an easy matter. One does not, as a rule, care to expend a large sum on such a remembrance; and yet it is natural to wish to give something that will speak well for the giver's taste. We have lately received a line of Rings and Brooches that are exceedingly tasteful, and not at all costly. They are, in short, exactly adapted for birthday giving. Some are set with Prince Edward Island Pearls, and are set in a way to show them off to the best advantage. Many styles of rings and brooches are shown at \$1.00 up to \$50.00. Won't you do us the favor of coming in and looking them over. We assure you it is well worth while to do so.
