

Coroners Jury

(Continued from Page 1)

cus. He left the house after supper. He was not a drinking man and had no liquor that day to my knowledge. He was sound mentally and physically. He was in the insurance business.

Deceased's collar bone was fractured on the right side. He had a cut on left side of head 4 inches long; bruises about the face. The back of his right hand had a cut two inches long. His chest on the right side was driven in and he had four ribs fractured.

Mr. Corney's Evidence Charles Earle Corney, Summerside was the next witness called. He did not know deceased. He was 35 years of age. "My eyes are good and have been driving since 1913. I wear glasses. Was driving a Willys Knight. My brakes were in good condition. I was using my bright lights, rear glare lens. I was coming from Charlottetown where I had been on business. I did not have any liquor. Mrs. Neva Matheson was with me. We left Charlottetown about 6 o'clock. The accident occurred shortly after seven p. m. this side of the Railway crossing on the Old Town Road, almost 60 yards from crossing near Glovers Gate. He was on the right hand side of the road; I was on my own side of the road. I saw a light and came practically to a stop on the Charlottetown side of crossing and was not going over 25 miles an hour. I could see the road and was driving at a reasonable and proper rate of speed. The deceased seemed to step into the road. I stepped my car and ran back. He was at the rear of my car. I said "are you hurt?" Another car came up and I stepped it. It was Mr. Mort Horvath. We brought Mr. Donohoe to Dr. Gillis. I took him to Summerside. I was not driving fast. I was very careful. The roads were wet and Mrs. Matheson is nervous. I will swear I stepped the car in its own length. I did not go over him. I struck him with the right side of the car. He was lying on the side of the road. The other car was about 100 yards away. I stopped it and he helped me get him into my car. Deceased seemed to step in front of the car. I was three feet from him. It was an unavoidable accident as far as I am concerned. My windshield wiper was working and I had vision straight ahead.

Testimony Corroborated

Miss Neva Matheson, who was with Mr. Corney when the accident occurred, was also put on the stand. Her evidence corroborated that of Mr. Corney. She stated that when they came to the Railway crossing outside of Kensington Mr. Corney almost stopped the car. "We saw a light," I thought, it was a light. We were not driving more than 8 to 10 miles an hour. It appeared that deceased stepped from the side of the road. We saw lots of other people walking on the road. We had good lights and could see a long piece ahead, there was a car in the distance. We thought he came out of the roadway. I saw him the instant we struck him. The driver did all he could. I did not smell any liquor off Mr. Corney. The approaching car was too far away in my opinion to detect his attention."

Other evidence was that Mr. Donohoe had called at the house of Mr. Glover and that Mrs. Glover answered the door and told him her husband was not in, and he said he would not wait. She asked him if he wanted a flashlight as it was dark and he said no, he could see. Mrs. Glover held a light at the door for him to see down the drive-way. This was evidently the light which the occupants of the car saw as they approached the crossing.

The accident occurred beyond the bridge just outside the limits of Kensington. It was quite dark at the time. The jury as above stated returned a verdict of accidental death and recommended more caution on behalf of drivers and pedestrians.

olution regarding the proposed Sunday connection with P. E. I. during the summer months was submitted and carried. "That it is the opinion of this board that Sunday connections between Seckville and Charlottetown via the ferry would be a progressive move and should be carried on during the summer months. As we feel that it would be of great advantage to tourists who could leave quite distant points on Saturday afternoons and reach their destination Sunday also to ourselves and other Martimers who could very conveniently take advantage to this Sunday connection. Mr. M. L. MacKenzie referred to the need of a tourist information bureau in Summerside during the tourists season, while Mr. B. W. A PROACHING LAST \$100,000 OF OBJECTIVE

Hospital Campaign Total Now Reaches \$133,915.

The grand total in the \$250,000 Prince Edward Island Hospital building fund campaign rapidly is approaching the last \$100,000 of the objective, for last night's committee and team reports at Rally Number Even in the Social Hall of Trinity United Church totalled \$4,942 in 133 subscriptions, carrying the entire amount subscribed up to date to \$133,915. Eighteen hundred and nine persons have contributed to the fund thus far, and it is believed by the campaign leaders that twice that number will subscribe before the most impressive popular fund-raising movement in the history of the grand old Province reaches its triumphant climax.

Success is forecast not only by the steadily increasing interest in the philanthropic undertaking shown by the contributing public, but also by the high spirits in which the Charlottetown volunteer workers are continuing their resolute efforts. The team members have reached the stage where they enjoy joining in jests illustrative of the strain under which they are working. That strain is intense, yet the devoted women and courageous men in the two great divisions commanded by Mrs. H. Hooper Horne and Mr. Charles H. Black pursue their work with unflagging zeal. Last night they poked fun at their own undeniable fatigue by singing joyously, under Mr. Roy Quigley's leadership:

(Tune—Show me the Way to Go Home)
Show me the way to go home,
For I'm tired and I gotta get a rest.
I've walked along these blooming streets,
North, south, east and west.
I've talked and talked and talked
Wherever I might roam,
And I only got one thing to say to you now—
Show me the way to go home.

The mirth with which the impromptu battle song was chanted indicated that, although the workers really were weary, they had no intention of relaxing their efforts short of complete victory. Commander Black, orator of the evening, fired the volunteer corps to fresh enthusiasm by telling them:

that, whereas they had worked valiently and had obtained excellent results, their goal was \$250,000 and he was sure every man and woman in the hall was determined to keep on battling right through to the Victory Supper next Wednesday night. Mr. Black pointed out that the teams had only four more report meetings, and he stressed the importance of redoubling their efforts through the remainder of the movement. In glowing word pictures, he led his hearers back to the crude surgery of ash-smothered Pompeii, then back along the centuries to the phlebotomy of London methods in the days of George the First. Commander Black was cheered loudly by the ladies as well as by his own ten teams.

Allied Towns Chairman H. Hooper Horne's report proved that the Provincial District Committees are beginning to awake to the urgency of the campaign. His roll call carried the Provincial grand totals to these figures: Bonshaw, \$525; Cumberland, \$456; Fredericton, \$271; Georgetown, \$501; Harrington, \$146; Hunter River, \$287; Kingsboro, \$128; Marshfield, \$445; Millville, \$1,265; Milton, \$200; Montague, \$437; Mt. Stewart, \$310; Murray River, \$254; New Glasgow, \$616; Nine Mile Creek, \$132; Stanley Bridge, \$53; Victoria, \$245.50.

No report whatever has been received from the District Committees in the following Provincial Centres: Annadale, Belle River, Bradalbane, Bridgetown, Bunbury, Caledonia, Cardigan, Cavendish, Clyde River, Cornwall, Eldon, Emerald, Fortune Bridge, French River, Grandview, Kingston, Little York, Morell, Mt. Albion, Murray Harbour, Murray Harbour North, North Rustico, North Wilshire, St. Peters, Souris, Uigg, Wheatley River, and Winsloe.

It is supposed that the Chairman in those districts are waiting to roll up large totals before reporting, but Chairman Horne requests that they turn in their results from day to day, so that all the other volunteer workers may be encouraged by what he believes will be their gratifying showing. The 46 Provincial District as a whole have reported thus far about one tenth of their total quota of \$600,000.

The Medical Team, Captained by Dr. Ira J. Yeo, last evening captured the championship of the corps by reporting \$925 in 6 contributions. The championship of the Men's Division went to the "Old Reliables," Team 2, of which Walter S. Grant is captain, with \$255 in a half-dozen gifts. Mrs. Roy Quigley and her fellow heroines of Team 13 disproved superstition by winning the championship banner in the Women's Division with \$377 in 8 subscriptions.

Story Captivates and Music Charms in 'Follies of 1930'

Sensational in the staging of its musical numbers, entrancing in story and the epitome of vibrant youth, at play "The New Movie-tone Follies of 1930" made its bow at the Prince Edward Theatre beginning a three day's run. An unusually strong cast of stage and screen favorites presents this year's edition of "Movie-tone Follies," including El Brendel, Marjorie White, Frank Richardson, Noel Francis, William Collier, Jr., Miriam Seegar, J. M. Kerrigan, Yola D'Avril, Huntly Gordon and Paul Nicholson. In addition, there are numerous specialty singers and dancers and a dancing ensemble of 300. The story, which supplies a comedy background, concerns the romance between young Collier, a wealthy musical numbers, entrancing in story and the epitome of vibrant youth, at play "The New Movie-tone Follies of 1930" made its bow at the Prince Edward Theatre beginning a three day's run.

Legion Plans Armistice Activities

At a full meeting of the Executive of the Charlottetown Branch of the Canadian Legion B. E. S. L., held Wednesday night in the Legion Home plans were discussed for the various activities in connection with the Armistice season. Last year's sale of wreaths and poppies constituted a record up to that time and it was felt that an even greater response on the part of the public would be met with this year. The sacred nature of the help given disabled soldiers by buying these articles of their manufacture and the good work done locally with the funds so accumulated, all have great weight with the general public and an increasing interest is being manifest in Armistice Day observance. The splendid cooperation of the local press has helped materially to achieve this desirable result.

The President Comrade Jas. Leightizer has charge in conjunction with the Ladies Auxiliary of this year's Poppy Sale, and it is planned to make a new record. Matters connected with the Sweepstakes being conducted by the Charlottetown Branch were discussed, and it was urged that all who have sold tickets make returns as soon as possible so that records could be kept straight. There are only two weeks time remaining and if all returns are held until Nov. 15, it will make it very difficult to handle them properly. Final arrangements for the presentation of the Armistice play on Nov. 5th and 6th, were also discussed and the advertising reported upon. The President named the following chairmen of committees: Entertainment and Reception—Comrade C. C. Thompson, Finance—Comrade Wm. Hughes, House Committee, Comrade W. J. Cheverie, Publicity, Comrade L. T. Lowther, By-laws, Comrade L. Goodwin, Employment, Comrade F. Tierney, Visiting and Funerals, Comrade C. A. Beers, Relief, Comrade T. E. MacNutt, Membership, Comrade C. C. Heeschen, Investigation, Comrade Past Pres. A. G. Bruce. Another executive meeting is called for Monday Nov. 3rd to complete arrangements for the regular Armistice Dance on Nov. 10th and the Legion Parade on Armistice Day.

Prince Of Wales And Second Saints This Afternoon

Postponed yesterday on account of rain the P. W. C. Second Saints clash will come off this afternoon at 3.30. A hectic struggle is anticipated, as both teams have gotten over any shyness they may have felt during the first game. (Associated Press) STOCKHOLM (Sweden), Oct. 30—The Nobel Prize in medicine for 1930 was awarded tonight to Dr. Karl Landsteiner of New York, connected with the Rockefeller Institute of Medical Research. Like a postage stamp, a man's value depends upon his ability to stick to a thing. Two conditions that cannot be hidden: Love and a goal.
