A dazzling display of newest autumn millinery

Women who appreciate beauty and originality—distinctiveness—in millinery will heartily approve of the beautiful showing of new ideas that we are exhibiting to-day.

The assortment is more than passing large—in fact most cities double the size of Charlottetown cannot afford you so wide a range of trimmed and untrimmed goods as you'll find here to-day. And remember—the larger part of this great range comes direct from New York—with the touch of the artist plain on every piece.

You pay less for our distinctive—high class—modern millinery than millinery of ordinary sorts commands elsewhere. Let us show you to-day.

Another lot of those \$16.50 suits

A "hurry call" to the factory brought us down another lot of our special \$16.50 suits, this one absolutely new and different from anything we have yet shown you.

If you are interested in suits we advise your getting in to see this line promptly, for the selling in the line has been something phenomenal.

THIS NEW ONE IS MADE OF
 Fine good weight, smooth finish all wool cloth, comes in a handsome shade of navy blue, and a fine green. The Coats are 41 inches long, finished with self buttons, lined with fine Roman Satin. **PLEATED SKIRTS** in the very latest New York model, just such suits as are at this moment being shown in New York, Boston and Toronto, except that the city stores ask from two to three dollars more than our special price of **..\$16.50 net**

Special orders taken for any suit in our Catalogue—ask about it.
