FAREWELL TO REV. MR. AND MRS. HURN

On Monday evening Sept. 23rd
the Parsonage was invaded by a
host of friends who gathered from
Kingston, Clyde River & North River
to say farewell to the Pastor,
Rev. Arthur Hurn, Mrs. Hurn and
their daughter Myra. The social
spirit so characteristic of the
Islanders was evinced here almost
to perfection. After some musical
selections, the company sat down to
a repast that in spite of a few war
restrictions, could scarcely be sur-
passed. This was thoughtfully pro-
vided by the guests themselves.
After supper, the Chairman, Mr.
D. Fraser of Kingston, called the
gathering to order, when the follow-
ing address was read by Mr. David
Scott of Cornwall.

North River P.E.I. Sept 23 1918
Dear Pastor, Mrs. Hurn and Miss
Myra Hurn,

On this the eve of your departure
from us, we are here to do what we
can to show our great appreciation
of your work among us. You have
proven to us that you are worthy
of our life long esteem and love.
The ministry of Pastor Hurn has
been spiritually helpful to us all
and the cause of God has been
greatly advanced during the period
of his labors in our midst. We really
did not realize how good and faith-
ful you were until we were brought
face to face with the fact that you
were leaving us.

We understand that a minister
of the Gospel is greatly hindered or
helped in his work by the dispo-
sition and character of his wife
and we have often been impressed
with the wisdom of the choice our
Pastor made.

While saying farewell we most
heartily and sincerely convey to you
our best wishes for the coming time
and we pray, that the God and
Saviour whose love you have so
faithfully proclaimed, will continue
to guide and bless your lives.

As a small token of these good
wishes and of our love and esteem
we beg of you to accept this small
purse of money.

Signed on behalf of the North
River group of churches.

Daniel T. Fraser, Chairman
Charles D. McLean, Secretary
The address was spoken to and
supported by Rev. J. Henney of
Cornwall; Mr. James Holmes,
Hampshire Road; Mr. William

Warren and Mr. Benjamin Mc-
Leod of North River and the Chair-
man Mr. Daniel T. Fraser. All of
whom expressed in kind and gra-
cious words their appreciation of the
character and words of the Pastor
and the spiritual uplift his ministry
had been. Mrs. Hurn too came un-
der a shower of eulogiums for her
bright and genial spirit and the
help she had been in the work. All
expressed regret that the fellowship
was so soon to terminate.

Mr. and Mrs. Hurn, fittingly re-
plied, thanking the friends for their
profuse expressions of goodwill and
kindly feeling. Mr. Hurn said that
were the gift they had presented ten
times its value he would still value
more that spiritual blessing they
were leaving behind in the hearts
of the people. He did not yet know
where the Lord had appointed his
future work, but was willing to go
into the dirtiest town in Canada if
it were his Master's will that he
should. "Blest be the tie that binds"
the National Anthem brought a
happy yet touching gathering to a
close. (Pat please copy)

Camp-Fire Stories

IT's a dark and stormy night—no chance for a
camp fire. It's cold and raw. You'd like a good,
hot supper. Ham and eggs and steaming coffee—
umm—makes your mouth water just to think about it.

With Theroz Instant Fuel
Cubes and a Theroz Blue
Flame Burner you make
coffee and fry ham and
eggs—or heat soup, beans
or peas—as quick as a
wink.

No Smoke No Odor No Soot No Ash Non-Explosive

Don't start on a Camping Trip without Theroz.
You will need it either as an emergency fuel or to light the camp fire
when there is a stiff breeze blowing and the brush is wet and soggy.

At the scratch of a match you have instantly the full, intense heat of the
fuel. There's no waiting for something to heat or something to start up.
And one cube of Theroz will heat water for five shaves.

What 2 Cubes Will Do:

- Fry Small Steak or Fish.
- Fry Potatoes.
- Make Welsh Rarebit.
- Make Pancakes.
- Chafing-Dish Cooking.
- Coffee Percolator.

What 1 Cube Will Do:

- Boils 2 Eggs.
- Heats Can of Soup, Beans, Etc.
- Cooks Cereal.
- Makes 2 cups of Tea or Coffee.
- Fries Ham and Eggs.
- Heats Flat Iron (without soot).

What 1/2 Cube Will Do:

- Heats Shaving Water.
- Heats Baby's Bottle.
- Heats Curling Iron (without soot).
- When less than a cube heats what
you want heated, blow out the cube
and put it back into can to be used.
