OBITUARY.—We have to chronicle the death of an old and respected citizen in the person of Solomon W. Collings, tinner, of this city, who passed away after a brief illness on the 18th, inst on his 70th birthday. His life was quite unassuming, and living amongst us for three score years and ten and being identified with this principal industry of this city for that time he yet preferred home to notoriety, and publicity, so he passed away to his reward. His late father Samuel Collings Esq., carried on a prosperous business here, in his lifetime and was known to the older residents as a man of sterling character. His only living sister Mrs. Eliza Maggerell of Quinpool Road Nursery Halifax, arrived shortly before his death, greatly to his comfort. His bereaved wife is left alone, her family being scattered abroad in different parts of the world. To his wife and family and bereaved sister we tender our sincere sympathy in this their sad bereavement.

The annual meeting of the inhabitants of Montague for the appointment of fire wardens and assessors was presided over by the senior magistrate, Geo. Wightman, Esq. The following fire wardens were appointed:
D. L. McKinnon.
C. B. Fraser.
Geo. Wightman.
D. J. McLean.
W. A. Johnstone.

It was decided to levy the customary tax for the coming year for the purpose set forth in the Act relating thereto. A committee of three were appointed to have the Act amended so there will in future be no trouble about its enforcement. The advisability of procuring a suitable system of waterworks was discussed by many of those present, and a masterly address was given by G. Wightman, Esq., showing the necessity of a proper water supply, both with regard to safety, from fire and the public health. It was however decided not to take any further action in the matter till the Act was amended. It was also decided to appoint an Arbor day in the early spring and to arrange ample organization to otherwise improve the appearance of the streets. A proclamation is also to be issued and posted, and swimming thereby prohibited in the day time without adequate bathing costume.

ADVERTISERS are again asked to remember that all "changes" must be in on later than one p. m. each day to insure insertion following morning.

The death of Mrs. Andrew Macdonald of Charlottetown, was learned with great regret by many friends whom the deceased lady has made during her seasonal visit to Ottawa, and very much sympathy is felt for Senator Macdonald. Mrs. Macdonald was with the Senator at the Russel for the latter part of last session, and she was one of the chaperones at the ball given by the guests at the hotel. She was a tall, fine-looking woman with a great charm of manner and a pretty soft voice which won her many friends. She was one of the leaders of society in Charlottetown, even though it is some years since she presided over the hospitalities at Government House, when she had much to do with gaining for her husband the reputation of being the most popular P. E. I. Lt. Governor.—Ottawa Free Press.

Mr. and Mrs. J. G. T. Parker and family of Dickinson, Mt. Dakota, arrived by the Halifax on Thursday evening to spend the summer with friends at Cardigan. In a late issue of THE GUARDIAN there appeared an obituary notice from Hemlock Road, Orwell Cove, and now it is the wish of your writer to state publicly that there is now no such road from one end of Orwell Cove to the other as this name has long since been changed by a meeting of the the leading public of Orwell Cove by a unanimous vote to Beautiful View Road. A person travelling by this road will behold the finest view that the eye can see. The following tourists are here: Katie Power, Newton; Mrs. J. T. Clarkin and family City; John Johnson, George Crovan, Halifax; Owen MacKenna, Sadie L. Nicholson, City; John McKay, Brooklyn; John McLeod, Neil Matheson, Alexander McRae, Donald Buchanan the two latter are representing the Standard Oil Co.

EASING THE CHEST

It is the cold on the chest that scores people and makes them sick and sore. The cough that accompanies the chest cold is racking. When a cold is a hard one and the cough correspondingly severe every coughing spell strains the whole system. We feel sure that if we can stop coughing for a day or so we could get over the cold, but we try everything we know of or can hear of in the shape of medicine. We take big doses of quinine until the head buzzes and roars; we try to sweat it out; we take big draughts of whiskey, but the thing that has its grip on the chest hangs on, and won't be shaken loose. If the irritation that makes us cough could be stopped, we would get better promptly and it is because Adamson's Botanic Cough Balsam is so soothing and healing to the inflamed throat that it is so efficient a remedy for coughs and colds. This really great medicine is a very simple preparation, made of extracts of barks and gums of trees, and it never deceives. It heals the throat and the desire of cough is gone. When the cough goes the work of cure is almost complete. All druggists sell Adamson's Balsam, 25 cents. Try this famous Balsam for your sore chest and you will find prompt relief.
