## Sport Echoes From Prince County

The Sheen & McInnis juveniles should certainly be in the thick of the scramble when it comes time to dish out honors in the "Physical Fitness" League. They've beaten the P.W.C. squad and the Victorias by fairly wide margins, and were barely nosed out by the Abegweit on ice that was not the best for fast hockey. Moreover, Delaney, who has added a lot of strength to the team by his work in the nets, wasn't between the pipes in that game. Of course, when our boys play on Forum ice in Charlottetown they will find it a little harder to carve out victories, but if Laysh Schurman recovers from his injury and starts to roll again, if the other two Schurmans, Bill, Stewart, and Roy Gallant continue to improve, if Delaney continues to deliver the goods in such large chunks, our boys have a pretty good chance to cop the title.

Layton Schurman was very obviously not over-exerting himself in the Tuesday game at the Crystal Rink, and that is a good idea for a while. Just so long as the boys are able to win as easily as they did against the Victorias, it is better that Laysh take it easy until he is really in shape for more strenuous hockey.

Bob Gay stood out in a defensive role during that rugged contest. He took plenty from the opposition and dished out about as much as he received. We don't know who started the feuds, but there were plenty of them centering around Gay during the contest. The Vics are a burly group of pucksters and they don't back down an inch when the going gets rough. They have a lot to learn in the fine points of the game, but have lots of intestinal fortitude.

We liked young Bill Stewart's absolute unselfishness in his play Tuesday night. Twice he was in a position where lots of youngsters would have taken a shot at the nets themselves, (no one would have considered that he was hogging the puck if he had for he was in a fairly good scoring position both times), but each time he slipped a perfect pass to his team-mate, Paul Schurman, who was in a still better position for a score. The play didn't come off the first time, but Schurman netted the disk on the second occasion, and this score was the prettiest of the night.

Bill's brother, Alan, plays for the Acadia Intermediates and scored two goals in a game against Truro recently. Alan Lecky, another of our ex-juvenile Maritime champs, notched up a tally in the same game.

Our All-Stars pulled off a sensational victory over St. Dunstan's University in Charlottetown Tuesday night. Down four goals, they shot five to go one ahead. This is typical of Steele-coached teams, the local Dodgers putting on a similar act last year. We haven't heard any of the particulars as yet, but are surprised that the All-Stars should have had such a hard fight on their hands against what is left of the Saints.

# Canada, Sweden In 2-All Tie; Game Delayed By Riot

STOCKHOLM, Feb. 16 — (CP)—Canada's Subary Wolves fought Sweden to a 2-2 tie tonight in a world championship hockey game delayed for 90 minutes by a riot in which some 50 persons were hurt.

Cause of the pre-game disturbance was uncertain.

Reuters said an estimated 5,000 fans were trying to prevent the Canadian team from entering Olympic Stadium. It estimated 50 persons were hurt, three of them severely, during a wild melee before the game.

The Associated Press reported eight persons were taken away by ambulance after a riot which began when police tried to stop hockey-crazy fans from overflowing the big arena.

None of the injured was a Canadian.

Earlier, Czechoslovakia defeated Austria 7-1 in the only other game of the day, to take the lead in the six-country round-robin final.

Failure to score a clear-cut victory against Sweden left the Wolves only an outside chance to retain for Canada the world crown won a year ago by R. C. A. F. Myers.

It took police more than an hour to quell the disturbance after the unruly crowd had torn down iron fences around the Stadium. Many persons were trampled during the melee and 12 ambulances were seen to leave the Stadium precincts.

The trouble followed criticism of Canadian players in Stockholm newspapers for alleged unsportsmanlike conduct in their match against Czechoslovakia Tuesday night. The Czechs won 3-2 on a disputed goal.

Tonight the Canadians took the ice, bent on victory. A jam-packed crowd of 15,000 saw Tim Russell, who was involved in a fight with a Czech player Tuesday, put the Canadians ahead 1-0 in the first period.

Sweden deadlocked the count 1-1 in the second period on a goal by Lars Petersson.

Canada's Herb Dewley scored in the fourth minute of the final period, and three minutes later Ake Andersson tied it up again for Sweden.

There were only three penalties in the fast game, a contrast to Tuesday's rough game with the Czechs. In the second period Tunman of Sweden was penalized for knee-checking too hard. Joe Terjesen, Kewley and Ray Bauer of the Canadian team were also sent to the penalty box.

On the whole the play was fair. It seemed the two teams were aware of the incidents that had occurred earlier in the tournament and wanted to disprove any opinion that the players were too rough.

Stockholm newspapers earlier had dwelt at length on Tuesday's rough affair between the Canadians and the Czechs and its aftermath.

The Liberal evening paper Express said that a newspaper man trying to interview the Canadian team in their dressing room was pushed in the face. The paper added that a Canadian forward hit a Czech player in the stomach with his stick, and that another Canadian player offered the Swedish referee spectacles "so that he could see clearer in judging the game."

The Canadian team protested the second Czech goal in last night's game which they said was scored by a player whose stick was held over his head. The protest was lodged against referee G. E. Ahlin of Sweden who allowed the goal. Augustine Bubink tallied the counter and later said he thought it was not a valid goal.

However, the International Ice Hockey Directorate today ruled that the result of the game was to stand.

## S. D. U. And Recce Win Hoop Games

In the first half of a double feature in Island Physical Fitness Basketball League competition at the P. W. C. auditorium last night, the Saint Dunstan's University cagemen downed Ray's Millionaires by a score of 68-52.

The game was a smart encounter all the way through, although the Saints had a definite advantage in the first half, outpointing their opponents by a score of 35-17 at the end of that time.

The Millionaires came back strong in the second half to outscore the Saints by a 35-33 count but couldn't make up the large lead that their opponents had piled up in the first half. The victory gave the Saints their fourth straight win in as many starts, and leaves them solidly entrenched in second place in the league standing with 12 points.

Bill Buckless, speedy Saints forward, was the top point-getter on the game with a total of 26, while Windy LePage of Ray's was next with 18, followed by Reardon of Saints and Simpson of Ray's with 15 and 10 points respectively. O'Connor of Saints also garnered 10 points.

The following are the lineups and points scored:

S. D. U.: Roche 2; Buckless 26; Noble 9; O'Connor 10; Reardon 10; Ready 3; Dunphy 3—Total 68.

Ray's: LePage 18; Simpson 10; Nicholson 5; McKinnon 5; Rossiter 2; Glover 4; Goodwin 4—Total 52.

Referees: S. MacDonald and D. MacLean.

**RECCE 67, R.C.A.F. 52**

The second game, between R. C. A. F. and Recce, was a fast, wide-open affair, with both teams showing some smart marksmanship, but Recce held enough edge on the play to win out by a 67-52 count.

**Stellarton In 7-0 Win Over Pictou**

PICTOU, N.S., Feb. 16 — (CP)—Stellarton Royals sat on Pictou Maripacs 7-0 tonight to take a 2-0 lead in a best-of-five semifinal series in the Antigonish-Pictou-Colchester Senior Hockey League. Third game will be played at Stellarton Friday.
