SPECIAL SERVICE—On Saturday December 8th, the patronal feast of the Children of Mary, Notre Dame was the scene of a most imposing religious function. The day's Devotion opened with the celebration of Mass by Reverend Monsignor Maurice MacDonald and the vocal selections rendered by the ladies of the Notre Dame choir added to the pious solemnity of the occasion. In the evening fifty members were received into the Sodality by their devoted Chaplain, Reverend Father McCarthy. A brief but eloquent sermon was preached by Reverend Father McMahon in which he pointed out the blessed prerogatives and protection of our Immaculate Queen. He earnestly urged the new members to honor the Blessed Virgin in a two-fold manner, by imitating her example, and by upholding the teaching of the Church founded by her Divine Son by the practice of womanly virtues. It must be said that the Sodality of the Children of Mary have at all times identified themselves with all works, benevolent and social.

ARTICLES RETURNED

SAN FRANCISCO, Dec. 8.—Gold and silver chalices encrusted with precious stones, brocaded vestments, and other articles worth more than \$100,000 stolen from the altars and sacristies of nine Catholic churches in California and Mexico were being returned to their regular places today following the arrest here of a former San Quentin convict who confessed to their theft. San Francisco police yesterday arrested Francis Joseph Sawyer, alias Sauer, who they say made a full confession.

Thirty Actions Disposed Of

(Special to The Guardian)

OTTAWA, Dec. 8.—Thirty actions in respect to excise tax, instituted against Canadian breweries and distilleries by the Minister of National Revenue following the report of the Royal Customs Commission, have now been disposed of by judgment in favor of the Dominion of Canada or by settlement before trial. It is understood that the total amount covered by these judgments and settlements is in excess of \$3,250,000.

It is announced that sittings of the Excise Court which were to have opened in Toronto on Monday next for the trial of certain actions brought by the Crown to recover excise tax have been cancelled as the actions set down for trial were settled in Toronto today between counsel for the government and the breweries. These actions were against the Riverside Brewing

PRESIDENTIAL ELECTION

Sir—"Student of Fair Play", Mass, advocates peace as taught by the Prince of Peace. Then why does he not leave Christians and American loving people alone? He attacks the members of the K. K. K. by saying they are un-Christian and un-American—a statement which is untrue. He could not be a member for only absolutely true followers of Jesus Christ can become such. It is not sufficient to say "I believe" but you have to show some evidence that you practice what you believe. Then only loyal, law-abiding citizens of either the British Empire or United States of America can take the oath. Godliness and loyalty are the two main requirements for membership. As regards it being "secret" it is no more secret than the K. of C.'s or Masons or "half the world," for it is not said "half the world does not know how the other half lives." John Jones my neighbour is a member of a secret society called "Jones" for I do not know what goes on behind his closed door and you cannot become a member of the "Jones" secret society unless you marry one of his sons or daughters and take the oath of love, etc., according to your sex.

I am sir, etc.,
