SUCCESSFUL STUDENT.—Among the Mt. Allison results just made public and ranking high in each case is the names of Miss Olga J. Crosby Cape Traverse, daughter of Mr. and Mrs. Edward Crosby. This young student has graduated and gathered in the title of M.L.A. in a whirl wind finish. The time allotted for such a course is generally six terms. However, Miss Crosby secures the above titles in four. Only last January did she decide on such a course as previous to this she had given much valuable time and careful study to violin which she also plays with much grace and talent. Miss Crosby secured a second class license from Prince of Wales College when very young and attributes much of her success at Mt Allison to her careful training at good P. of W., Charlottetown, P. E. I.

A GOOD ENTERTAINMENT.—The Young Peoples Club of St. Ann's, Loo 65, made their initial bow on the evening of Monday, 1st inst. when they staged a fine act drama entitled 'Dot the Miner's Daughter'. A large audience was present to greet them, and many times during the evening showed their approval. The drama was good. It was a well laid plot, and each performer was admirably adapted for the character personated. A regrettable feature however, was the illness of one of the actors Frank Cody, who at the eleventh hour was stricken with measles. Between the acts the children appeared to advantage and gave that significance to the entertainment that only children can give. Miss Margaret Murray, assisted by singing a new song entitled Daltonia. Miss Murray is qualified to assist in various ways and St. Ann's feels justly proud of her talented daughter. Upon the whole the members may be well pleased for the success attained must be measured by the wrap attention and excellent order which were prevalent during the entire play. The defects, that always accompanies a first appearance which were disposed of as quickly as the auctioneer could receive them. It is a general wish that the play be repeated in the near future.
