Here's "Son of Lassie," the sequel you asked for, the best of Hollywood even you've been expecting!

Everyone loved "Lassie Come Home" and everyone will love "Lassie and Laddie," Lassie's beautiful pup, who inherits his mother's looks but not her brains, until he will use it for himself in gloriously breath-taking Technicolor at the Capitol Theatre.

Then it was Roddy McDowall as the boy Joe; now it's Peter Lawford, grown up and a member of the R. F. A. as an aerial photographer. Pretty June and her father, Frisella, grand-daughter of the Duke, who is in love with Joe.

Victoria Revisited Expresses Full Confidence in Success Of Loan

(Victoria Traveller in the Halifax Herald)

Victoria, a village of some fifty families, is situated about twenty four miles from Charlottetown. A Maritime Interurban motor line connects Borden by way of the dirt road, which is a much shorter route than following the pavement of the Victoria Interurban motor line. However, since the highway was widened and the motorist now drives to the north of Victoria, but can be seen in the distance. In a way this is to be regretted as the community of Victoria is a pretty spot and an ardent admirer of the travelling public.

It is also located right at the water's edge and the view, whether from the water or on land, is beautiful. There are many fine schools and churches in this section of the province. For many years the residents of this and nearby villages have enjoyed the benefits of a skating rink.

A few years ago Victoria boasted of a fine hockey team, and on several occasions they won the championship of the Maritime provinces. Last year Borden won it, but I understand they were greatly assisted by the addition of several players from the Victoria area. Among these are some ex-veterans, including Stanley Lord, LeRoy Miller, Ralph Miller and Karl Bouler.

My first call was made at the post office where I talked with the postmistress, Mrs. Vina Lovther and her daughter Lorraine, who is now working in Craupad. Next door I visited awhile with the MacEacherns. Peter, the head of the household is the local representative for the Massey Harris Company. He has played a prominent part in the success of several Victory Loan campaigns, through his efforts as a salesman.

He was not home when I called, but I enjoyed renewing acquaintance with Mrs. MacEachern, their daughter Adele and son James, who was home from Horton Academe, Victoria, N.S., for the Thanksgiving holidays.

Over at the Bank of Nova Scotia, I saw the manager, Mr. D. Dunford and the remaining two members of his staff, Annie McDougall, teller, whose home is in Rose Valley, and Ralph Lowther, formerly of Craupad.

New Teachers - Teachers at the local school this year are Jean Boswell, principal, and Annie McQuarrie. This is a change from my last visit here, and the presence of Isabelle Inman, who taught at Victoria for several years. Stopping for a moment at the home of Mrs. Sons, livestock and potato shippers I met the boss, L. D. himself, and his wife, Mrs. R. Profitt. Two other employees of this firm are George McLeod and Maurice Cudmore.

I saw the proprietor, Miner MacNevin and his daughter Jean, while at another general store I made a purchase from the owner Eddie Morrison, who is ably assisted with the store duties by Mrs. Morrison.

As a rule, when I stop at Victoria, I partake of a meal at the well known Orient Hotel, where Mr. and Mrs. R. Profitt always make you welcome, but this time it was late afternoon when I arrived and by then I was on my way to Charlottetown. On enquir-
