Week Of Prayer At Bedeque

The Week of United Prayer was duly observed among the three Churches in the Bedeque Communities. The Opening Service was held on Sunday Evening January 3rd, in the Centerville United Church of Canada, the attendance being good. Rev. P. A. Fitzpatrick presided, and with him on the platform, was Rev. D. K. Ross of the North Bedeque United Church, and Rev. P. A. Fitzpatrick of the Central Bedeque Baptist Church. The service was well represented in the choir and audience, and Rev. S. J. Sidey would have been present but for a prior engagement at Free-town. Rev. D. K. Ross gave a splendid address on "The Church and Her Responsibilities," and some of the brethren engaged in prayer.

Monday January 4th, the meeting was held in the North Bedeque United Church of Canada. The three ministers were on the platform, and Rev. D. K. Ross presided, while the address on the "Church and Young People" was delivered by Rev. P. A. Fitzpatrick. Prayer was offered by Dr. Auld and several of the laymen. Rev. P. A. Fitzpatrick spoke of the various movements among the Young People, and also pointed out the deplorable lack of Christian training among the young in the United States. He did not know the statistics for Canada, but felt that though perhaps the percentage being trained in the facts of Christianity was somewhat higher than in the United States, yet a tremendous amount of work was still needed. He quoted two very interesting illustrations from the sphere of athletics, to show how in that field, some boys stand true to the teaching of their Christian parents at all cost, while

others sink all their previous teaching or principles, for the Almighty Dollar, or some other form of worldly attraction. On Tuesday evening Jan. 5th, the meeting was held at the Central Bedeque Baptist Church. Rev. Dr. Sidey presided, supported on the platform by Revs. Fitzpatrick and Ross. The Scriptures were read by Rev. Fitzpatrick, and prayer offered by Rev. D. K. Ross. Two papers on "The Church and Home Life" were read by two young men of the Local Tuxis Square. Prayer was offered by two of the C. G. I. T. girls, and two of the Tuxis Square. The papers showed much thought and a clear understanding of the subject. The audience which was a fairly large one, thoroughly appreciated the effort made by these promising young men. Perhaps the most attractive feature of the evening, was the singing, lead by the Bedeque Glee Club. This Club, composed of men only, made its first appearance in Public Worship, and rendered the hymns, and three special numbers, very acceptably. The meeting closed by a series of prayers from various laymen, and one and all, felt that it had been an evening well spent.

Wednesday evening the prayer meeting met at the Centerville United Church, and again the Tuxis Group read the papers of the evening. The subject was "The Church and Organized Society." Mr. Hector Leard, and Mr. Ralph Calbeck did splendid work, each showing considerable skill in the development of the thought they brought to the meeting. The Members of the Bedeque Choral Society re-inforced the local choir, and on the whole the Young People showed that they were much to the fore in the religious life of the Community. Not many Communities can boast of its Choral Societies, Glee Clubs, Tuxis Squares, and C. G. I. T. units, assisting every night in some capacity, during the "Week of Prayer."

Hemorrhoids

Or piles are quickly relieved by Dr. Chase's Ointment. It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that your physician may tell you that a surgical operation is necessary. That is unless he is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients. For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment. Ask your friends about Dr. Chase's Ointment for hemorrhoids. Relief comes quickly and you can obtain the ointment at any drug store.

Friday Evening brought the meeting to a close. The services were held in the Central Bedeque Baptist Church, followed immediately by the annual meeting of the Bible Society. Rev. D. K. Ross gave an interesting address on "The Church and the World Task." Rev. Fitzpatrick read the lesson, and offered prayer. Dr. Sidey presided and members of the Choral Society formed the Choir. It is sincerely hoped that these meetings will be of value in bringing Christian among the Churches to see the value of sincere United Effort. When people pray together and work together, and yet all stand firmly for the principles they profess to hold as fundamental in the Gospel, surely good must be accomplished. All hope that the many prayers of the people during the last Week, will be answered, in so far as they have been in accordance with the Divine Will.

S. D. U. Junior Debate

The Junior Debating Society of S. D. U. held their first debate of the second term on Wednesday night January 13th. The subject for discussion was: Resolve that a doctor is more beneficial to a community than a lawyer. The speakers on the Pro side were: Arthur Hughes, Edward Baldwin, Joseph McDonald, John Driscoll, Ralph Hogan, and Gerald McGuigan. The speakers on the Con side were: Joseph Monaghan, William Power, Norbert Bradley, Frank Gillis, Gerard Mullally, and Wilfred McCordie. The speakers on the Pro side maintained that when a person is ill he hastens to a doctor to regain his good health, and his good health is necessary to happiness, therefore the doctor who gives people happiness must be more beneficial than a lawyer who settles a dispute between two men, and for

Save the Eyes Stop Errors

Close work tires eyes very quickly if the sight is weak and errors are almost sure to creep into the work being done. Painless eyes deserve best attention that can possibly be given them and if given this attention they pay splendid dividends in increased efficiency. Correct glasses rest eyes and promote accuracy. —SUMMERFIELD.—The members of the choir of St. James Church, Summerfield met at the home of Mr. Peter Deighan, Free town, on Dec. 24th, and presented him with a well filled course accompanied by an address on behalf of the parishioners, in appreciation of his services as organist. The address was read by Mr. John J. White. Mr. Deighan was greatly taken by surprise but managed to express his appreciation of the thoughtful and good will which had prompted such a generous act. Following the address—Dear Friend:—On behalf of the parishioners of St. James Church, Summerfield, we have taken the liberty of calling upon you this evening to extend to you and Mrs. Deighan and family our best wishes for a Happy and joyful Christmas and New Year. As a neighbour and friend we consider it a time opportune to make known to you that for many good qualities of hand and heart, and your worth as a citizen, have not passed unnoticed; but are highly appreciated in the community. And more particularly this evening, we wish especially to refer to your services as Organist of St. James Church. It is a duty that you have performed for a great number of years past. You were always found in your place in the choir, whether at the Solemn Services when any member of our household was to be placed in their last resting place, or in Celebration of the Holy Mass on Sundays and Holydays. This was done gratuitously, and without any hope of reward in this world. Now, a few of your friends have expressed a wish that we call upon you this evening and present you with this small purse contributed by them, as a slight token of their esteem for the many kind and benevolent services rendered to our church and congregation. Trusting that you and your amiable partner may live long and happy to enjoy many returns of the Christmas Season; we beg to remain your ever grateful friends. Signed on behalf of the Summerfield, Louis, MacDonald, John J. White, Cornelius Croken Vincent Sheehan.

to doing he charges so much, that the fellow that is the loser usually takes a nervous breakdown or some other disease as a result of having been charged so much for setting such a trifling dispute. The thanks, which a doctor receives, for curing a sick person, from friends and relatives of that sick person, is a sufficient proof of the feeling of a community towards a doctor. The lawyer very seldom receives much praise or thanks except from the person who is victorious in the trial. The Con side affirmed that if there were no lawyers, there would be no laws and as a result the people of the world would become barbarians. They declared also that there is work done by a doctor can vie with that done by a lawyer, when he brings about the accusation of a criminal. The criminal when he had his freedom would kill any person who might attempt to catch him. Therefore, this one great work of the lawyer of having the criminal punished being superior to all the works of a doctor shows he is more beneficial. The lawyer also does a great work when he obtains freedom for an innocent man who might have been put to death in the wrong.

The leader of each side then closed the debate and the judges: Arthur Ready, Joseph Cassidy and Ferdinand Vande Cateyn gave their decision in favor of the Pro side. After a few remarks from the critic, William Rooney, and from the Reverend Moderator, Father Francis the meeting adjourned.

Protest Against Change In Trade Treaty

(Special to the Guardian) KINGSTON, Jamaica, Jan. 14.—The Jamaica Imperial Association has joined with the associated Chambers of Commerce of the British West Indies in a protest against any alteration in the West Indies-Canada trade treaty as such would involve reconsideration of the act. Alteration is being suggested in Canada.
