Stock Prices Slightly Higher In Quiet Trading

NEW YORK, Feb. 15—(AP)—Stocks drifted higher today in the dullest market in more than four months.

There was no pressure either way on prices, and professional traders found little of immediate interest in a number of corporate and government news developments.

Prices moved sluggishly within a fractional range with the exception of a bare handful of leaders gaining a point or more.

Small losses predominated during the morning, but by mid-day the turn became apparent. The gradual forward movement maintained headway to the close.

The Associated Press average of 60 stocks gained .3 of a point, pulling away from the lows of last March reached yesterday. The volume of trading was 610,000 shares, the lowest in more than four months, compared with 700,000 shares yesterday.

At Toronto

TORONTO, Feb. 15—(CP)—A few penny mining stocks attracted considerable trading on the Toronto Stock Exchange today in an otherwise dull and narrow session.

Duvay turned over more than 16,000 shares for a slight change over the day. In the first hour alone, it traded 100,000 shares for a moderate gain which was lost in later action.

Senior gold issues, however, moved fractionally lower and junior producers showed losses ranging up to 15 cents. Waite Amulet touched a new high at 15 1-8 in strong dealings in base metals and then sagged to 14 3-4, a gain of 1-4 from yesterday's close.

Quemont added a fraction and Consolidated Smelters made a late recovery of an earlier one-point loss to finish at 106 3-4, up 1-4. Pend Oreille, Osisko, East Sullivan and International Uranium were ahead three to 19 cents in the strongest group of the day's activity.

Western oils crawled ahead slowly on small gains. Anglo-Canadian rose five cents at $4.60 and Foothills, Globe Oil and Consolidated Homestead tightened. Royalite was in demand at $6.60.

At Montreal

MONTREAL, Feb. 15—(CP)—Selected industrials continued about steady during quiet trading on the Montreal Stock Exchange and Curb Market today. Price changes mainly were fractional although a few stocks moved in a wider range.

Papers generally were soft. Metals, beverages and steels were about mixed, but utilities and banks were on the downtrend.

Fraser and Consolidated Paper remained unchanged at 25 and 16 3-8, respectively. Bathurst closed a new low of 20 on a fractional loss.

Price was most active but slipped 1-2 to 50 1-2.

Canadian Locomotive jumped two points to 32.

In metals, Noranda rose 1 1-8 to 57 3-4, but Consolidated Smelters lost 1-2 to 106. C. P. R. was well traded and rose close to a point to 15. Royal Bank and Bank of Montreal were both off 1-4.

Stelco Preferred was up 3-4 at a new high of 85 3-4, while Atlas Steel eased 1-4 to 11 1-2.

Slightly improved in oils were McColl, Anglo-Canadian, Consolidated Homestead and Decalta. Gaspe and Royalite were most active, traded on turnovers of 12,765 and 18,975 shares, respectively.

Fleet and National Steel Car were minor losers.

Eldona Rights was the centre of interest in mines, trading on a total of 52,500 shares. It rose a fraction of a cent to 1 1-2 cents.

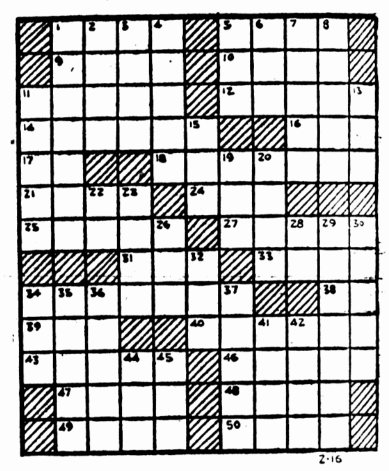
Yesterday's Answer



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.
