**AN AMERICAN DISEASE**

Indigestion is responsible for more sickness in America than any other disease.

Some doctors go so far as to say that indigestion is the national disease of America. Repeated attacks influence the lining of the stomach and cause the glands to secrete mucus, instead of the juices of natural digestion, consequently the blood is poisoned, nerve force is reduced, the vitality of the entire system is weakened.

There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills, which are used by thousands with marvelous success.

Dr. Hamilton's Pills accelerate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood, and thus aid general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food he pleases.

Under the vitalizing effect of Dr. Hamilton's Pills your system will soon rally; once more you'll enjoy the blessings of health. Test Dr. Hamilton's Pills yourself, 25c. per box or five boxes for \$1. at all dealers or by mail from N. C. Poison & Co., Hartford Conn., U. S. A., and Kingston, Ont.
