The funeral of the late George Rodd, North Milton, took place yesterday afternoon from the late residence of the deceased to the Milton Cemetery. Rev. Mr. Trivett officiated and a very large following of friends attended. The funeral was held at 2 o'clock. The deceased was 60 years of age and was well known in the community. He was a native of Scotland and had resided in this country for many years. He was a member of the Presbyterian Church and was a very kind and generous man. He is survived by a wife and two children. A very pretty wedding was celebrated at the home of John H. and Mrs. Hill, Providence, R. I., when their daughter Mary became the wife of Gordon H. Jenkins of Plymouth, Mass. The ceremony was performed by the Rev. William Hunt, pastor of the First Presbyterian Church. After the ceremony the young couple left by train for Harriaville and other cities on their honeymoon. Mr. and Mrs. Jenkins will make their home in Plymouth, Mass. The groom is a son of N. B. Jenkins, Mount Albion, P. E. I.

A telegram received yesterday by Senator Frowse, City, bore the sad news of the accidental death in Portland, Oregon, of Edison W. Mutch, which took place Saturday afternoon. No further particulars were received.

The deceased was the second youngest son of the late David Mutch, Cymbric, and is a brother of James Mutch of that place and of Mrs. John McKay, Wheatley River. He was a man of about forty-five years, strong, healthy and vigorous, and first left home about thirty years ago. He established a large real estate business in Portland and in October, 1910, visited his native province. Before returning he married (on Oct. 26, 1910), Miss Henrietta A. McMillan, youngest daughter of Duncan and Mrs. McMillan, Cymbric.

The sad news will be learned by the hosts of friends of both families with heartfelt sorrow as both the deceased and his widow were widely known and highly respected. The Guardian tenders sincere sympathy to the bereaved.

TUESDAY

Rev. A. F. Newcombe, travelling secretary of the Canadian Bible Society for the maritime province and Newfoundland, with headquarters here, returned yesterday from Halifax. He has completed a trip covering 1,500 miles in the three provinces and has addressed seven meetings in Halifax. He and Rev. W. B. Cooper, general secretary for Canada, attended the annual meeting of the branch of the Canadian Bible Society there. Exc. (Rev. Mr. Newcombe is well known here.)

The death occurred at his home in Highfield yesterday morning of Hugh McKinnon, one of the oldest, most widely known and universally respected residents of that locality. The deceased was eighty-one years of age and had been ill for about a year. Possessed of a wonderful constitution he withstood the attacks of disease for a long period but finally succumbed. He leaves to mourn seven sons and five daughters, all of whom will have the sympathy of the community. The funeral notice appears elsewhere.

A sad accident occurred at Mt. Carmel a few days ago by which a sixteen year old boy, a son of the late Douglas Aitken, was terribly injured and may lose his life. The boy went into the horse-stable to water a horse. Carrying a tin bucket of water he in some way stumbled and fell under the horse's feet. The horse although a quiet one, became frightened and jumped about in the stall trampling the unfortunate boy in such a manner as to almost crush his life out. He was dragged out by a companion. A doctor was sent for and on examination it was found that his head and body were crushed and cut terribly. He has since been in a partial stupor and small hopes are entertained for his recovery. Exc.

A telegram was received by A. W. P. Gourlie, Summerside last week informing him of the death of C. N. Beal, of Backville, which took place in St. John on Wednesday. Mr.

Beal, who was about 60 years of age had not been in good health for some time but his death was not expected by his friends here. He has been engaged in business in St. John for many years and was well and favorably known there as well as in Summerside and other sections of this province. He leaves to mourn a widow and two children, Mrs. Beal is a daughter of the late J. A. Gourlie. Exc.

The Halifax Herald for January 16, contains the announcement of the death of Mrs. W. H. Robinson, wife of Rev. W. H. Robinson, a former pastor of the Baptist church in Summerside. Mrs. Robinson passed away at the Highland View Hospital in Amherst, whether she had gone for treatment after some weeks illness at her home in Point DeBute, N. B., where Mr. Robinson is now pastor of the Baptist church. Mrs. Robinson is most favorably remembered in Summerside. She was not only a faithful and efficient pastor's wife, but she combined in her character these graces which make for the highest type of christian womanhood. During her life of some fifty years she has touched, always to better, many lives. Mrs. Robinson leaves beside her husband, two sons, Harold a teacher in Vancouver, B. C., and Carey, a student at Acadia University, Wolfville, N. S. Exc.

The Guardian regrets to record the death of Margaret Johnstone, beloved wife of James McLean, elder, St. Peter's Road, Lot 63, who departed this life on Sunday morning, the 24th ult., the day before Christmas. The deceased was 69 years of age. She had been in failing health for the past two years or more, during which time she had one or two severe bronchial attacks. Her last illness, pneumonia, was only of few days duration. She leaves to mourn, an aged husband, four sons and two daughters. Two of her sons, John and Joseph, are well-to-do citizens of the West—one a resident of Edmonton and the other owns a large ranch near-by that city. Her other two sons, William and Hugh, are residents of Peter's Road. Her daughters are Katie, wife of Benjamin Clow, merchant, Murray Harbor West, and Bessie, Mrs. Leah Graham of Boston.

Mrs. McLean was born in Dumfriesshire, Scotland, in the year 1842. When about three years of age, her parents emigrated to P. E. I. and shortly after their arrival settled in the vicinity of Peter's Road. She was one of a family of eleven children, and at the time of her death one sister, Mrs. John Morrison, Peter's Road, and six brothers, Neil, Archibald and Samuel, all residents of Peter's Road, and James of Portland, Maine, Joseph of Arizona, U. S., and Christopher of MacAdam Junction, survived her. She was a devoted and self-sacrificing wife and mother, a kind and sympathetic friend, a good neighbor, a humble and sincere Christian, for many years a consistent and loyal member of the Presbyterian Church. She was a woman of good executive ability, wise in counsel, sound in judgment, independent in mind, and modest withal. She looked well to the ways of her household, and ate not the bread of idleness. The sore afflictions which she passed through in the closing year of her life, she bore with Christian fortitude and patience, in a happy, cheerful spirit, sustained by an unflinching trust in her Saviour, and by the faithful ministry of her family. She is gone! Her useful life ended on the threshold of three score and ten, but her bright, cheerful manner and her pleasant smile and silent influence for good still live in the memory and heart of those who knew her best. Her mortal remains were laid to rest in the Murray Harbor North Cemetery. "Blessed are the dead who die in the Lord." WEDNESDAY

The death occurred at Athol, Mass., on Jan. 15th after a brief illness of George Vincent McIsaac, son of Neil McIsaac of this city. Deceased left this Province about fifteen years ago, being first employed as a mechanical engineer with Brown & Sharp Company, Providence, R.I., and afterwards managing a branch at Athol. He was 35 years of age and leaves a widow and two children, also his father, two brothers and four sisters.

The death occurred at his residence, Euston St., City, yesterday, of Peter Trainor, formerly of Kingston. The deceased who was aged 73, had been ill for about eight weeks. Two years ago he removed to this city from Kingston and has made many friends who will deeply regret his demise. He leaves to mourn a widow, five sons and one daughter, two sons—John and Patrick J. having predeceased him. The sons are: James, in this city; Rev. Thomas, in Ontario, now on the way home; Frank, in Yarmouth, Peter in Avondale, and George, a student in the Ottawa University. Mrs. Byrne, North River is the only daughter. The Guardian extends sympathy to the bereaved.

The formal opening of the P. E. Island Poultry Association Show took place yesterday at noon in the spacious Hall of the Market Building where the show is being held. The proceedings were opened by L. H. D. Foster, Marshfield, President of the Association, in a short speech who later introduced Lieut Governor Rogers who formally opened the show.

He was followed by Hon. Mr. McKinnon, Commissioner of Agriculture, and Rev. P. D. McGuigan, each delivering appropriate and helpful addresses. The speakers drew attention to the importance of poultry raising and referred to the amount of eggs and poultry exported from this province during the past year which exceeded even the exports of hogs and potatoes combined. The raising of poultry is only in its infancy here as yet but should be encouraged by the farmers who should materially increase their revenue.

The attendance during the day was good despite the unfavorable weather. The management are deserving of credit for the enterprise exhibited in securing the Market Hall, as it is undoubtedly an ideal location for exhibition purposes.

The exhibits are this year superior in quality—the judge finding it very difficult owing to the high standard of perfection in almost all classes to establish a distinction on which to base awards.

The judging yesterday was almost completed and will be finished today. The following is a partial prize list:
