

Drives ROACHES out then KILLS them

Spray FLY-TOX into cracks and crevices around water pipes and into dark corners anywhere that roaches may hide. The penetrating mist will reach them and drive them out. Spray again directly on them and they die. FLY-TOX is sure death to roaches. For best results use FLY-TOX Hand Sprayer.

BEDEQUE

A gloom of sadness was cast over Centreville Bedeque and vicinity on Monday afternoon, when it was learned that Mr. Art Collett had passed away after a brief illness of four days. Mr. Collett was well known in Bedeque, having resided there for some twenty-five years. He had made many friends and acquaintances and was very highly esteemed by all who knew him. Mr. Collett was the last member of his family surviving and had always lived in his parents' native home, Tryon. There will be many friends remembering him in his childhood and school days in Tryon, but had lived for many years in Summerside, previous to the fire in 1906, and where many of the citizens will well remember him. After the fire, he moved to

Bedeque, where he has since resided. He has always been a great lover of horses, and on account of rheumatism, Mr. Collett was unable to enjoy his life with horses as much as he would like to have. Mr. Collett was a regular adherent of the United Church at Centreville and lived an upright life, and will be greatly missed by the large circle of friends, who are left to deplore the loss of a true friend and kind neighbor. There are left to mourn the irreparable loss of a loving husband and father, his widow, formerly Miss Evelyn MacLeod, of Chelton, P. E. Island, and one daughter, Ila Collett, R. N., and one son Harry Collett, who are both at home, one son, predeceased him some nine years ago. The funeral took place on Wednesday afternoon at two o'clock and was very largely attended. The service at the house was conducted by the pastor, Rev. A. J. Reynolds. The remains were then taken to the Centreville Bedeque United Church, where the service was conducted by Rev. A. J. Reynolds, assisted by Rev. J. W. A. Nicholson, of the North Bedeque United Church. The choir rendered very appropriate hymns, some selections of the deceased. The pall bearers were Messrs. William Callbeck, Prince Leard, Major Lowther, Thomas Moyle, Albert Wright and A. S. MacKay, of Summerside. The remains were tenderly laid to rest in the Centreville Bedeque United Cemetery.

Mr. Austin Jardine, Wilmot Valley, was a visitor to Central Bedeque on Tuesday evening.

Mr. Charlie Sarkey and Mr. Tinson Newsome, Centreville Bedeque, were visitors to Summerside last week, and report ice conditions very good between Bedeque and Summerside.

On Wednesday evening, a fast and exciting exhibition game of hockey was played in the Central Bedeque rink, the Bedeque "Beavers" versus

the Albany "St. Pats." A clean and speedy game was the final decision of the large crowd of fans and hockey friends, as the game ended, fans witnessed the "little red light" had tilted twice for the Beavers and once for the St. Pats, thus the fast, and sturdy Beavers won another game from the St. Pats. Minor penalties just kept the boys in good cheer for to continue the game. The St. Pats played their usual hard game for a win and kept the Beavers pinned down pretty well, bringing some shots almost to close for the goalie. The fans sure enjoy the sportsmanship of these old rivals as they cross sticks on the Bedeque ice. The boys had a good sheet of ice, making it somewhat easier to play than some evenings previous. Combination was well displayed by both teams, thus keeping the puck in order for the fast coming shots the substantial goalies had to encounter. A good skate with the band was immensely enjoyed by the many skaters.

Mrs. F. A. Horne, of Moncton, New Brunswick, is spending a holiday in Central Bedeque, the guest of her parents, Mr. and Mrs. Albert Wright. Prillie's many friends welcome her back to her home town again.

Mr. and Mrs. Elmer Pearson, of Chelton, were visitors to Summerside on Saturday.

Quite a number of hockey fans from Bedeque and Wilmot Valley attended the Alberton "Regals" versus the Borden "Nationals" game in the Crystal Rink, Summerside, on Friday evening. The Nationals were victorious. On account of the ice between Bedeque and Summerside being good, a lot of fans took advantage of it.

Mr. and Mrs. Elliott Bell, Centreville Bedeque, were visitors to Summerside last week.—B.

A special Sunday evening service was held in the Centreville Bedeque

Toronto, Ont.
Ossington Ave.
Grocer:—

"Red Rose Tea is passing all other teas. I am selling more than I ever sold."

Red Rose Tea "is good tea."
2 Choice Blends—Red Label and Orange Pekoe

United Church on Sunday evening, under the auspices of the W.C.T.U. A well prepared program was greatly enjoyed by a large congregation. Mr. William Callbeck, president and the following programme was presented. A reading by Miss Winnifred Wright, a duet was very beautifully rendered by Mrs. Earle Leard and Miss Eileen Dawson, a reading by Mr. Hector Leard. The distribution of certificates and prizes from the W.C.T.U. contest by (Rev.) Mrs. A. J. Reynolds to Senior 1st, Marion Prizell; 2nd, Jean Callbeck; Intermediate 1st, Muriel Leard, Douglas MacFarlane, Ena Webster, Una Murray, Wilda Bell, Thelma Lowther, Etta Jewell, Hammond Bowness, Helen Bowness, Hazel Jewell, Arnold Callbeck, Alma Gould; third in the Senior class.

Miss Verna Schurman then favored the audience with a solo, "Is this Somebody You," accompanied on the organ by Mrs. Earle Leard. Prays by Mr. William Callbeck, a tenor solo by Mr. Thomas Moyle, Chorus by choir and audience, a reading by Mr. Arnold Henderson. The presentation of a "Shield" from the Centreville Bedeque Sunday School for the largest number of entries to the contest was made by Mrs. Harrison MacFarlane to Mr. William Callbeck, as Superintendent of the Sunday School Mrs. John Stuart, organist and choir director.

Man's voice: "Are you the lady that washes?"
Woman's voice: "No."
Man's voice: "You dirty thing Good bye."

COLONIAL WINDSOR MADE FERTILIZERS

Our prices are now in the hands of our agents. We are in a position to quote you on goods ex steamer Island ports or for all rail shipment from Windsor.

As usual comparisons are being drawn between the cost of raw chemicals and mixed fertilizers and as usual, the comparisons are based with the cost of Nitrogen on raw chemicals derived from the very cheapest source—Sulphate of Ammonia.

Agricultural authorities are practically unanimous in their statements that Nitrogen should be derived from various sources so that the plant will have this valuable element throughout its growing season.

Our mixed formulas derive their Nitrogen from Nitrate of Soda, Sulphate of Ammonia and high grade Tankage, and the results obtained from their use has been ample evidence of their superiority.

When the cost of these materials in their raw state is considered, the cost for mixing is only a nominal amount. You cannot afford to endeavor to overcome present low prices on farm products by trying to cheapen your fertilizer costs to the extent that may prove detrimental to your yield or quality of crops. Buy Colonial-Windsor Made-Fertilizers for the quality and superiority that this name assures.

COLONIAL FERTILIZER COMPANY
WINDSOR, N. S.

MADE IN CANADA SALE

AT THE **METROPOLITAN STORE**

FROM SATURDAY MARCH 14th. TO MARCH 21st.

When you spend even only \$1.00 on Made-in-Canada goods you are helping yourself, your family, the Canadian manufacturer, and the Canadian store-keeper. And, when an organization like the Metropolitan Stores with branches from coast to coast puts it in the power of Canadians to purchase thousands and thousands of dollars worth of high-class merchandise the wheels of Canadian industry are kept going, work is provided for Canadian workmen and Canadian money is kept in Canada where it can do the most good. Every Metropolitan Store from Charlottetown to Vancouver will join hands in this big sale where merchandise will be sold at cost and less than cost. It is not a money-making sale, but a sale to help the Canadian industry and to advertise Canadian products. This sale commences Saturday, March 14th, and will continue every business day until the following Saturday, March 21st. Stock up at this sale and help the Canadian workman and the Canadian manufacturer and keep the Canadian dollar at home.
