THE Pownal Sporting Club held a meeting Monday evening and elected a team to compete with a Charlottetown team on Greenwood range Thanksgiving Day. The following are the members of the team: Pte. S. Gay, Lt. W. E. Smith, Lt. J. H. C. Acorn, Lt. J. M. Jones, Pte. J. Weatherbie, Pte. E. Jones, Pte. F. B. McRae, Corpl. Albert Forbes, Pte. Alex. Kennedy, Pte. J. R. Brown, Pte. Harry Jenkins, Pte. J. H. Judson, Pte. Herbert Jones, Pte. J. A. Moore. Sgt. Wm. Jenkins. The Charlottetown team has not yet been selected.

MANY of our readers may be surprised to learn that we have in Charlottetown, in the person of Mrs. T. Morris, of Weymouth St. a lady furrier who does work in making, remaking, trimming cleaning and repairing furs equal to that done by experts in the business elsewhere. Our correspondent lately visited her and saw a number of elegant garments which she had remodelled from old ones which had gone out of style. Worthy of particular notice, was a beautiful black fur cape made from a lady's coat, a nice beaver cap made from an old muff, and a very stylish collarlette from an out of date cape. Although she has two assistants she has orders in advance for several weeks' work and has filled many for people in the United States and Nova Scotia. She is constantly doing work for persons from all parts of this province.

MR. JACOB VANBUSKIRK, veterinary surgeon, returned on Saturday, after an extended trip through his native province, P. E. Island. Mr. Vanbuskirk left Moncton on the first of September, taking his own team, with which he drove over a great part of the Island, visiting relatives and friends and indulging in fishing and shooting with fair success. He reports the wheat crop of the Island generally poor, early sown oats good but late sown poor, potatoes fair, hay abundant but almost unsaleable. The shipments of Island sheep, Mr. Vanbuskirk says, have been quite phenomenal this year: over 20,000 going from Summerside of which Mr. Jones is credited with over 10,000. Mr. Vanbuskirk came to Moncton from the island 45 years ago and this is his longest stay outside the town in all this period of nearly half a century. His first trip from Summerside to P. E. Island, he says, was made in an open sail boat, when he had quite an experience, both his companions getting intoxicated at Shediac and being helpless on the return trip, so that he had to manage the boat alone. Mr. Vanbuskirk enjoyed the Island trip very much and is feeling better as a result of it.—Moncton Times.
